Fidel,

Our Friend has approached me on [REDACTED] again. If you recall you had one of our HR people talk to her a couple of years ago. I am not suggesting we offered her a position at that time, just some help. If you recall she decided to stay in teaching.

Well, the facts of life have caught up with her and she just cannot live on a school teacher's salary.

Can we have our people look and see if she can fit into any of our slots?

I thank you.

I have talked to her and she is a very engaging person.

Best, Mike
