And I've been talking to [REDACTED] since December about it... Including giving him old contract so that he could figure out what the fee is. It is just disturbing. So [REDACTED] doesn't bring it up every week but he does bring it up every few weeks... I hate bringing it up to you guys but it really has to get done. [REDACTED]

[REDACTED] Oh well... I hate to waste your minutes on this one... Mike

PS: I have a victor Reyes item with [REDACTED] that our friend brings up every Monday as he did last night at our weekly meetings... But hopefully [REDACTED] is going to fix it this week... Hopefully. That has lasted for months to... More minutes... i'm not asking you to get involved in this one... Hopefully [REDACTED] will fix in the next 48 hours. Anne asked him to fix that a month ago and it is still lingering. Very frustrating.

Agreed – it's embarrassing that this doesn't just flow as normal course of business

Just between you and me doesn't it seem like we spend a lot of minutes on this kind of stuff that should just be handled mechanically?

[REDACTED] What is your pleasure. Is this really what we want to do? Best, Mike
