Chief,

I hope this note finds you well.

Chief, usually we offer ten intern (summer) jobs to the 13th Ward. I am sure you have been briefed by Fidel.

I hope Fidel shared the below request to re-hire six interns from last summer from this entity.

May I ask two or three questions. They are:

1. Would you be comfortable sharing the decision on the status of these six college students as to summer internships?
2. Would these six be counted against the usual number of ten which means they can still may tender four or do they have a full ten yet to send to us?
3. I know Fidel said you are coordinating this effort so how do you want me to communicate with you? E-mail? Phone call? Please advise.

I thank you.

Best, Mike
