1 AMENDMENT TO HOUSE BILL 311

2 AMENDMENT NO. \_\_\_\_\_. Amend House Bill 311 by replacing  
3 everything after the enacting clause with the following:

4 "Section 1. Short title. This Act may be cited as the  
5 Network Adequacy and Transparency Act.

6 Section 5. Definitions. In this Act:

7 "Beneficiary" means an individual, an enrollee, an  
8 insured, a participant, or any other person entitled to  
9 reimbursement for covered expenses of or the discounting of  
10 provider fees for health care services under a program in which  
11 the beneficiary has an incentive to utilize the services of a  
12 provider that has entered into an agreement or arrangement with  
13 an insurer.

14 "Department" means the Department of Insurance.

15 "Director" means the Director of Insurance.

16 "Insurer" means any entity that offers individual or group

1 accident and health insurance, including, but not limited to,  
2 health maintenance organizations, preferred provider  
3 organizations, exclusive provider organizations, and other  
4 plan structures requiring network participation, excluding the  
5 medical assistance program under the Illinois Public Aid Code,  
6 the State employees group health insurance program, workers  
7 compensation insurance, and pharmacy benefit managers.

8 "Material change" means a significant reduction in the  
9 number of providers available in a network plan, including, but  
10 not limited to, a reduction of 10% or more in a specific type  
11 of providers, the removal of a major health system that causes  
12 a network to be significantly different from the network when  
13 the beneficiary purchased the network plan, or any change that  
14 would cause the network to no longer satisfy the requirements  
15 of this Act or the Department's rules for network adequacy and  
16 transparency.

17 "Network" means the group or groups of preferred providers  
18 providing services to a network plan.

19 "Network plan" means an individual or group policy of  
20 accident and health insurance that either requires a covered  
21 person to use or creates incentives, including financial  
22 incentives, for a covered person to use providers managed,  
23 owned, under contract with, or employed by the insurer.

24 "Ongoing course of treatment" means (1) treatment for a  
25 life-threatening condition, which is a disease or condition for  
26 which likelihood of death is probable unless the course of the

1 disease or condition is interrupted; (2) treatment for a  
2 serious acute condition, defined as a disease or condition  
3 requiring complex ongoing care that the covered person is  
4 currently receiving, such as chemotherapy, radiation therapy,  
5 or post-operative visits; (3) a course of treatment for a  
6 health condition that a treating provider attests that  
7 discontinuing care by that provider would worsen the condition  
8 or interfere with anticipated outcomes; or (4) the third  
9 trimester of pregnancy through the post-partum period.

10 "Preferred provider" means any provider who has entered,  
11 either directly or indirectly, into an agreement with an  
12 employer or risk-bearing entity relating to health care  
13 services that may be rendered to beneficiaries under a network  
14 plan.

15 "Providers" means physicians licensed to practice medicine  
16 in all its branches, other health care professionals,  
17 hospitals, or other health care institutions that provide  
18 health care services.

19 "Telehealth" has the meaning given to that term in Section  
20 256z.22 of the Insurance Code.

21 "Telemedicine" has the meaning given to that term in  
22 Section 49.5 of the Medical Practice Act of 1987.

23 "Tiered network" means a network that identifies and groups  
24 some or all types of provider and facilities into specific  
25 groups to which different provider reimbursement, covered  
26 person cost-sharing or provider access requirements, or any

1 combination thereof, apply for the same services.

2 "Woman's principal health care provider" means a physician  
3 licensed to practice medicine in all of its branches  
4 specializing in obstetrics, gynecology, or family practice.

5 Section 10. Network adequacy.

6 (a) An insurer providing a network plan shall file a  
7 description of all of the following with the Director:

8 (1) The written policies and procedures for adding  
9 providers to meet patient needs based on increases in the  
10 number of beneficiaries, changes in the  
11 patient-to-provider ratio, changes in medical and health  
12 care capabilities, and increased demand for services.

13 (2) The written policies and procedures for making  
14 referrals within and outside the network.

15 (3) The written policies and procedures on how the  
16 network plan will provide 24-hour, 7-day per week access to  
17 network-affiliated primary care, emergency services, and  
18 woman's principal health care providers.

19 An insurer shall not prohibit a preferred provider from  
20 discussing any specific or all treatment options with  
21 beneficiaries irrespective of the insurer's position on those  
22 treatment options or from advocating on behalf of beneficiaries  
23 within the utilization review, grievance, or appeals processes  
24 established by the insurer in accordance with any rights or  
25 remedies available under applicable State or federal law.

1 (b) Prior to going to market, insurers must file with the  
2 Director for review and approval a description of the services  
3 to be offered through a network plan. The description shall  
4 include all of the following:

5 (1) A geographic map of the area proposed to be served  
6 by the plan by county service area and zip code, including  
7 marked locations for preferred providers.

8 (2) As deemed necessary by the Department, the names,  
9 addresses, phone numbers, and specialties of the providers  
10 who have entered into preferred provider agreements under  
11 the network plan.

12 (3) The number of beneficiaries anticipated to be  
13 covered by the network plan.

14 (4) An Internet website and toll-free telephone number  
15 for beneficiaries and prospective beneficiaries to access  
16 current and accurate lists of preferred providers,  
17 additional information about the plan, as well as any other  
18 information required by Department rule.

19 (5) A description of how health care services to be  
20 rendered under the network plan are reasonably accessible  
21 and available to beneficiaries. The description shall  
22 address all of the following:

23 (A) the type of health care services to be provided  
24 by the network plan;

25 (B) the ratio of full-time equivalent physicians  
26 and other providers to beneficiaries, by specialty and

1 including primary care physicians and facility-based  
2 physicians when applicable under the contract,  
3 necessary to meet the health care needs and service  
4 demands of the currently enrolled population;

5 (C) the travel and distance standards for plan  
6 beneficiaries in county service areas; and

7 (D) a description of how the use of telemedicine,  
8 telehealth, or mobile care services may be used to  
9 partially meet the network adequacy standards, if  
10 applicable.

11 (6) A provision ensuring that whenever a beneficiary  
12 has made a good faith effort, as evidenced by accessing the  
13 provider directory, calling the network plan, and calling  
14 the provider, to utilize preferred providers for a covered  
15 service and it is determined the insurer does not have the  
16 appropriate preferred providers due to insufficient  
17 number, type, or unreasonable travel distance or delay, the  
18 insurer shall ensure, directly or indirectly, by terms  
19 contained in the payer contract, that the beneficiary will  
20 be provided the covered service at no greater cost to the  
21 beneficiary than if the service had been provided by a  
22 preferred provider. This paragraph (6) does not apply to a  
23 beneficiary who willfully chooses to access a  
24 non-preferred provider for health care services available  
25 through the panel of preferred providers. In these  
26 circumstances, the contractual requirements for

1 non-preferred provider reimbursements shall apply.

2 (7) A provision that the beneficiary shall receive  
3 emergency care coverage such that payment for this coverage  
4 is not dependent upon whether the emergency services are  
5 performed by a preferred or non-preferred provider and the  
6 coverage shall be at the same benefit level as if the  
7 service or treatment had been rendered by a preferred  
8 provider. For purposes of this paragraph (7), "the same  
9 benefit level" means that the beneficiary is provided the  
10 covered service at no greater cost to the beneficiary than  
11 if the service had been provided by a preferred provider.

12 (8) A limitation that, if the plan provides that the  
13 beneficiary will incur a penalty for failing to pre-certify  
14 inpatient hospital treatment, the penalty may not exceed  
15 \$1,000 per occurrence in addition to the plan cost sharing  
16 provisions.

17 (c) The network plan shall demonstrate to the Director,  
18 prior to approval, a minimum ratio of full-time equivalent  
19 providers to plan beneficiaries as required by the Department.

20 (1) The ratio of full-time equivalent physicians or  
21 other providers to plan beneficiaries shall be established  
22 annually by the Department in consultation with the  
23 Department of Public Health based upon the guidance from  
24 the federal Centers for Medicare and Medicaid Services  
25 concerning exchange plans or Medicare Advantage Plans. The  
26 Department shall consider establishing ratios for the

1 following physicians or other providers:

2 (A) Primary Care;

3 (B) Pediatrics;

4 (C) Cardiology;

5 (D) Gastroenterology;

6 (E) General Surgery;

7 (F) Neurology;

8 (G) OB/GYN;

9 (H) Oncology/Radiation;

10 (I) Ophthalmology;

11 (J) Urology;

12 (K) Behavioral Health;

13 (L) Allergy/Immunology;

14 (M) Chiropractic;

15 (N) Dermatology;

16 (O) Endocrinology;

17 (P) Ears, Nose, and Throat (ENT)/Otolaryngology;

18 (Q) Infectious Disease;

19 (R) Nephrology;

20 (S) Neurosurgery;

21 (T) Orthopedic Surgery;

22 (U) Physiatry/Rehabilitative;

23 (V) Plastic Surgery;

24 (W) Pulmonary;

25 (X) Rheumatology;

26 (Y) Anesthesiology;

- 1 (Z) Pain Medicine;  
2 (AA) Pediatric Specialty Services;  
3 (BB) Outpatient Dialysis; and  
4 (CC) HIV.

5 (2) The Director shall establish a process for the  
6 annual review of the adequacy of these standards, along  
7 with an assessment of additional specialties to be included  
8 in the list under this subsection (c).

9 (d) The network plan shall demonstrate to the Director,  
10 prior to approval, maximum travel and distance standards for  
11 plan beneficiaries, which shall be established annually by the  
12 Department in consultation with the Department of Public Health  
13 based upon the guidance from the federal Centers for Medicare  
14 and Medicaid Services concerning exchange plans or Medicare  
15 Advantage Plans. These standards shall consist of the maximum  
16 minutes or miles to be traveled by a plan beneficiary for each  
17 county type, such as large counties, metro counties, or rural  
18 counties as defined by Department rule.

19 The maximum travel time and distance standards must include  
20 standards for each physician and other provider category listed  
21 for which ratios have been established.

22 The Director shall establish a process for the annual  
23 review of the adequacy of these standards along with an  
24 assessment of additional specialties to be included in the list  
25 under this subsection (d).

26 (e) These ratio and time and distance standards apply to

1 the lowest cost-sharing tier of any tiered network.

2 (f) The network plan shall demonstrate sufficient  
3 inpatient services, including, but not limited to, services of  
4 preferred providers who specialize in emergency medicine,  
5 anesthesiology, pathology, and radiology.

6 (g) The network plan may consider use of other health care  
7 service delivery options, such as telemedicine or telehealth,  
8 mobile clinics, and centers of excellence, or other ways of  
9 delivering care to partially meet the requirements set under  
10 this Section.

11 (h) Insurers who are not able to comply with the provider  
12 ratios and time and distance standards established by the  
13 Department may request an exception to these requirements from  
14 the Department. The Department may grant an exception in the  
15 following circumstances:

16 (1) if no providers or facilities meet the specific  
17 time and distance standard in a specific service area and  
18 the insurer (i) discloses information on the distance and  
19 travel time points that beneficiaries would have to travel  
20 beyond the required criterion to reach the next closest  
21 contracted provider outside of the service area and (ii)  
22 provides contact information, including names, addresses,  
23 and phone numbers for the next closest contracted provider  
24 or facility;

25 (2) if patterns of care in the service area do not  
26 support the need for the requested number of provider or

1 facility type and the insurer provides data on local  
2 patterns of care, such as claims data, referral patterns,  
3 or local provider interviews, indicating where the  
4 beneficiaries currently seek this type of care or where the  
5 physicians currently refer beneficiaries, or both; or

6 (3) other circumstances deemed appropriate by the  
7 Department consistent with the requirements of this Act.

8 (i) Insurers are required to report to the Director any  
9 material change to an approved network plan within 15 days  
10 after the change occurs and any change that would result in  
11 failure to meet the requirements of this Act. Upon notice from  
12 the insurer, the Director shall reevaluate the network plan's  
13 compliance with the network adequacy and transparency  
14 standards of this Act.

15 Section 15. Notice of nonrenewal or termination. A network  
16 plan must give at least 60 days' notice of nonrenewal or  
17 termination of a provider to the provider and to the  
18 beneficiaries served by the provider. The notice shall include  
19 a name and address to which a beneficiary or provider may  
20 direct comments and concerns regarding the nonrenewal or  
21 termination and the telephone number maintained by the  
22 Department for consumer complaints. Immediate written notice  
23 may be provided without 60 days' notice when a provider's  
24 license has been disciplined by a State licensing board or when  
25 the network plan reasonably believes direct imminent physical

1 harm to patients under the providers care may occur.

2 Section 20. Transition of services.

3 (a) A network plan shall provide for continuity of care for  
4 its beneficiaries as follows:

5 (1) If a beneficiary's physician or hospital provider  
6 leaves the network plan's network of providers for reasons  
7 other than termination of a contract in situations  
8 involving imminent harm to a patient or a final  
9 disciplinary action by a State licensing board and the  
10 provider remains within the network plan's service area,  
11 the network plan shall permit the beneficiary to continue  
12 an ongoing course of treatment with that provider during a  
13 transitional period for the following duration:

14 (A) 90 days from the date of the notice to the  
15 beneficiary of the provider's disaffiliation from the  
16 network plan if the beneficiary has an ongoing course  
17 of treatment; or

18 (B) if the beneficiary has entered the third  
19 trimester of pregnancy at the time of the provider's  
20 disaffiliation, a period that includes the provision  
21 of post-partum care directly related to the delivery.

22 (2) Notwithstanding the provisions of paragraph (1) of  
23 this subsection (a), such care shall be authorized by the  
24 network plan during the transitional period in accordance  
25 with the following:

1 (A) the provider receives continued reimbursement  
2 from the network plan at the rates and terms and  
3 conditions applicable under the terminated contract  
4 prior to the start of the transitional period;

5 (B) the provider adheres to the network plan's  
6 quality assurance requirements, including provision to  
7 the network plan of necessary medical information  
8 related to such care; and

9 (C) the provider otherwise adheres to the network  
10 plan's policies and procedures, including, but not  
11 limited to, procedures regarding referrals and  
12 obtaining preauthorizations for treatment.

13 (3) The provisions of this Section governing health  
14 care provided during the transition period do not apply if  
15 the beneficiary has successfully transitioned to another  
16 provider participating in the network plan, if the  
17 beneficiary has already met or exceeded the benefit  
18 limitations of the plan, or if the care provided is not  
19 medically necessary.

20 (b) A network plan shall provide for continuity of care for  
21 new beneficiaries as follows:

22 (1) If a new beneficiary whose provider is not a member  
23 of the network plan's provider network, but is within the  
24 network plan's service area, enrolls in the network plan,  
25 the network plan shall permit the beneficiary to continue  
26 an ongoing course of treatment with the beneficiary's

1 current physician during a transitional period:

2 (A) of 90 days from the effective date of  
3 enrollment if the beneficiary has an ongoing course of  
4 treatment; or

5 (B) if the beneficiary has entered the third  
6 trimester of pregnancy at the effective date of  
7 enrollment, that includes the provision of post-partum  
8 care directly related to the delivery.

9 (2) If a beneficiary elects to continue to receive care  
10 from such provider pursuant to paragraph (1) of this  
11 subsection (b), such care shall be authorized by the  
12 network plan for the transitional period in accordance with  
13 the following:

14 (A) the provider receives reimbursement from the  
15 network plan at rates established by the network plan;

16 (B) the provider adheres to the network plan's  
17 quality assurance requirements, including provision to  
18 the network plan of necessary medical information  
19 related to such care; and

20 (C) the provider otherwise adheres to the network  
21 plan's policies and procedures, including, but not  
22 limited to, procedures regarding referrals and  
23 obtaining preauthorization for treatment.

24 (3) The provisions of this Section governing health  
25 care provided during the transition period do not apply if  
26 the beneficiary has successfully transitioned to another

1 provider participating in the network plan, if the  
2 beneficiary has already met or exceeded the benefit  
3 limitations of the plan, or if the care provided is not  
4 medically necessary.

5 (c) In no event shall this Section be construed to require  
6 a network plan to provide coverage for benefits not otherwise  
7 covered or to diminish or impair preexisting condition  
8 limitations contained in the beneficiary's contract.

9 Section 25. Network transparency.

10 (a) A network plan shall post electronically an up-to-date,  
11 accurate, and complete provider directory for each of its  
12 network plans, with the information and search functions, as  
13 described in this Section.

14 (1) In making the directory available electronically,  
15 the network plans shall ensure that the general public is  
16 able to view all of the current providers for a plan  
17 through a clearly identifiable link or tab and without  
18 creating or accessing an account or entering a policy or  
19 contract number.

20 (2) The network plan shall update the online provider  
21 directory at least monthly. Providers shall notify the  
22 network plan electronically or in writing of any changes to  
23 their information as listed in the provider directory. The  
24 network plan shall update its online provider directory in  
25 a manner consistent with the information provided by the

1 provider within 10 business days after being notified of  
2 the change by the provider. Nothing in this paragraph (2)  
3 shall void any contractual relationship between the  
4 provider and the plan.

5 (3) The network plan shall audit periodically at least  
6 25% of its provider directories for accuracy, make any  
7 corrections necessary, and retain documentation of the  
8 audit. The network plan shall submit the audit annually to  
9 the Director. As part of these audits, the network plan  
10 shall contact any provider in its network that has not  
11 submitted a claim to the plan or otherwise communicated his  
12 or her intent to continue participation in the plan's  
13 network.

14 (4) A network plan shall provide a print copy of a  
15 current provider directory or a print copy of the requested  
16 directory information upon request of a beneficiary or a  
17 prospective beneficiary. Print copies must be updated  
18 quarterly and an errata that reflects changes in the  
19 provider network must be updated quarterly.

20 (5) For each network plan, a network plan shall  
21 include, in plain language in both the electronic and print  
22 directory, the following general information:

23 (A) in plain language, a description of the  
24 criteria the plan has used to build its provider  
25 network;

26 (B) if applicable, in plain language, a

1 description of the criteria the insurer or network plan  
2 has used to create tiered networks;

3 (C) if applicable, in plain language, how the  
4 network plan designates the different provider tiers  
5 or levels in the network and identifies for each  
6 specific provider, hospital, or other type of facility  
7 in the network which tier each is placed, for example,  
8 by name, symbols, or grouping, in order for a  
9 beneficiary-covered person or a prospective  
10 beneficiary-covered person to be able to identify the  
11 provider tier; and

12 (D) if applicable, a notation that authorization  
13 or referral may be required to access some providers.

14 (6) A network plan shall make it clear for both its  
15 electronic and print directories what provider directory  
16 applies to which network plan, such as including the  
17 specific name of the network plan as marketed and issued in  
18 this State. The network plan shall include in both its  
19 electronic and print directories a customer service email  
20 address and telephone number or electronic link that  
21 beneficiaries or the general public may use to notify the  
22 network plan of inaccurate provider directory information  
23 and contact information for the Department's Office of  
24 Consumer Health Insurance.

25 (7) A provider directory, whether in electronic or  
26 print format, shall accommodate the communication needs of

1 individuals with disabilities, and include a link to or  
2 information regarding available assistance for persons  
3 with limited English proficiency.

4 (b) For each network plan, a network plan shall make  
5 available through an electronic provider directory the  
6 following information in a searchable format:

7 (1) for health care professionals:

8 (A) name;

9 (B) gender;

10 (C) participating office locations;

11 (D) specialty, if applicable;

12 (E) medical group affiliations, if applicable;

13 (F) facility affiliations, if applicable;

14 (G) participating facility affiliations, if  
15 applicable;

16 (H) languages spoken other than English, if  
17 applicable;

18 (I) whether accepting new patients; and

19 (J) board certifications, if applicable.

20 (2) for hospitals:

21 (A) hospital name;

22 (B) hospital type (such as acute, rehabilitation,  
23 children's, or cancer);

24 (C) participating hospital location; and

25 (D) hospital accreditation status; and

26 (3) for facilities, other than hospitals, by type:

- 1 (A) facility name;
- 2 (B) facility type;
- 3 (C) types of services performed; and
- 4 (D) participating facility location or locations.

5 (c) For the electronic provider directories, for each  
6 network plan, a network plan shall make available all of the  
7 following information in addition to the searchable  
8 information required in this Section:

9 (1) for health care professionals:

- 10 (A) contact information; and
- 11 (B) languages spoken other than English by  
12 clinical staff, if applicable;

13 (2) for hospitals, telephone number; and

14 (3) for facilities other than hospitals, telephone  
15 number.

16 (d) The insurer or network plan shall make available in  
17 print, upon request, the following provider directory  
18 information for the applicable network plan:

19 (1) for health care professionals:

- 20 (A) name;
- 21 (B) contact information;
- 22 (C) participating office location or locations;
- 23 (D) specialty, if applicable;
- 24 (E) languages spoken other than English, if  
25 applicable; and

26 (F) whether accepting new patients.

1 (2) for hospitals:

2 (A) hospital name;

3 (B) hospital type (such as acute, rehabilitation,  
4 children's, or cancer); and

5 (C) participating hospital location and telephone  
6 number; and

7 (3) for facilities, other than hospitals, by type:

8 (A) facility name;

9 (B) facility type;

10 (C) types of services performed; and

11 (D) participating facility location or locations  
12 and telephone numbers.

13 (e) The network plan shall include a disclosure in the  
14 print format provider directory that the information included  
15 in the directory is accurate as of the date of printing and  
16 that beneficiaries or prospective beneficiaries should consult  
17 the insurer's electronic provider directory on its website and  
18 contact the provider. The network plan shall also include a  
19 telephone number in the print format provider directory for a  
20 customer service representative where the beneficiary can  
21 obtain current provider directory information.

22 (f) The Director may conduct periodic audits of the  
23 accuracy of provider directories.

24 Section 30. Administration and enforcement.

25 (a) Insurers, as defined in this Act, have a continuing

1 obligation to comply with the requirements of this Act. Other  
2 than the duties specifically created in this Act, nothing in  
3 this Act is intended to preclude, prevent, or require the  
4 adoption, modification, or termination of any utilization  
5 management, quality management, or claims processing  
6 methodologies of an insurer.

7 (b) Nothing in this Act precludes, prevents, or requires  
8 the adoption, modification, or termination of any network plan  
9 term, benefit, coverage or eligibility provision, or payment  
10 methodology.

11 (c) The Director shall enforce the provisions of this Act  
12 pursuant to the enforcement powers granted to it by law,  
13 including, but not limited to, compliance audits, such as  
14 market conduct examinations, and issuance of cease and desist  
15 orders, fines, or other penalties for violations of any  
16 provision of this Act.

17 (d) The Department shall adopt rules to enforce compliance  
18 with this Act to the extent necessary.

19 Section 99. Effective date. This Act takes effect January  
20 1, 2018."
