

1 AN ACT concerning transportation.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Illinois Highway Code is amended by changing
5 Section 7-301 as follows:

6 (605 ILCS 5/7-301) (from Ch. 121, par. 7-301)
7 Sec. 7-301.

8 In order to properly plan the utilization of motor fuel tax
9 funds each municipality of over 5,000 population, but less than
10 1,000,000 population, shall be required to develop and update a
11 ~~20-year~~ long-range highway transportation plan for a period not
12 to exceed 20 years. The plan shall contain an estimate of
13 revenues which will become available during that period and a
14 statement of intention with respect to the construction,
15 maintenance, and other related work to be done insofar as it is
16 possible to make such estimates. In addition, the long-range
17 plan shall show the location of existing municipal streets and
18 the general corridors of future highways, the projected future
19 traffic usage on each street for the duration of the plan ~~a 20~~
20 ~~year period~~, a tabulation showing the design standards and the
21 geometric features associated with different levels of traffic
22 usage, and a listing of the major improvements anticipated with
23 the ~~within 5 years of the date of each~~ plan. A copy of the plan

1 shall be made publicly available ~~filed with the County~~
2 ~~Superintendent of Highways in the county or counties in which~~
3 ~~the municipality is located and with the Secretary of the~~
4 ~~Department of Transportation.~~ The initial plan shall be on file
5 with the designated agencies by July 1, 1971 and shall be
6 updated and made publicly available on an annual basis
7 thereafter.
