5 (60 ILCS 1/78-10 new)

6 Sec. 78-10. Elimination of township collector. On the  
7 effective date of this amendatory Act of the 100th General  
8 Assembly:

9 (a) All township collector offices cease and the county  
10 collector shall assume the obligations and duties of every  
11 township collector in the county.

12 (b) Any reference in this Code, other statute, or  
13 administrative rule to "township collector" shall mean "county  
14 collector".

15 (c) No township collector shall be compensated for any  
16 duties performed after the effective date of this amendatory  
17 Act of the 100th General Assembly or have legal recourse upon  
18 the elimination of the township collector office.

19 (60 ILCS 1/235-20)

20 Sec. 235-20. General assistance tax.

21 (a) The township board may raise money by taxation deemed  
22 necessary to be expended to provide general assistance in the  
23 township to persons needing that assistance as provided in the  
24 Illinois Public Aid Code, including persons eligible for

1 assistance under the Military Veterans Assistance Act, where  
2 that duty is provided by law. The tax for each fiscal year  
3 shall not be more than 0.10% of value, or more than an amount  
4 approved at a referendum held under this Section, as equalized  
5 or assessed by the Department of Revenue, and shall in no case  
6 exceed the amount needed in the township for general  
7 assistance. The board may decrease the maximum tax rate by  
8 ordinance.

9 (b) Except as otherwise provided in this subsection, if the  
10 board desires to increase the maximum tax rate, it shall order  
11 a referendum on that proposition to be held at an election in  
12 accordance with the general election law. The board shall  
13 certify the proposition to the proper election officials, who  
14 shall submit the proposition to the voters at an election in  
15 accordance with the general election law. If a majority of the  
16 votes cast on the proposition is in favor of the proposition,  
17 the board may annually levy the tax at a rate not exceeding the  
18 higher rate approved by the voters at the election. If,  
19 however, the board has decreased the maximum tax rate under  
20 subsection (a), then it may, at any time after the decrease,  
21 increase the maximum tax rate, by ordinance, to a rate less  
22 than or equal to the maximum tax rate immediately prior to the  
23 board's ordinance to decrease the rate.

24 (c) Except as otherwise provided for in the Township  
25 Modernization and Consolidation Act, if ~~if~~ a city, village, or  
26 incorporated town having a population of more than 500,000 is

1 located within or partially within a township, then the entire  
2 amount of the tax levied by the township for the purpose of  
3 providing general assistance under this Section on property  
4 lying within that city, village, or incorporated town, less the  
5 amount allowed for collecting the tax, shall be paid over by  
6 the treasurer of the township to the treasurer of the city,  
7 village, or incorporated town to be appropriated and used by  
8 the city, village, or incorporated town for the relief and  
9 support of persons needing general assistance residing in that  
10 portion of the city, village, or incorporated town located  
11 within the township in accordance with the Illinois Public Aid  
12 Code.

13 (d) Any taxes levied for general assistance before or after  
14 this Section takes effect may also be used for the payment of  
15 warrants issued against and in anticipation of those taxes and  
16 accrued interest on those warrants and may also be used to pay  
17 the cost of administering that assistance.

18 (e) In any township with a population of less than 500,000  
19 that receives no State funding for the general assistance  
20 program and that has not issued anticipation warrants or  
21 otherwise borrowed monies for the administration of the general  
22 assistance program during the township's previous 3 fiscal  
23 years of operation, a one time transfer of monies from the  
24 township's general assistance fund may be made to the general  
25 township fund pursuant to action by the township board. This  
26 transfer may occur only to the extent that the amount of monies

1 remaining in the general assistance fund after the transfer is  
2 equal to the greater of (i) the amount of the township's  
3 expenditures in the previous fiscal year for general assistance  
4 or (ii) an amount equal to either 0.10% of the last known total  
5 equalized value of all taxable property in the township, or  
6 100% of the highest amount levied for general assistance  
7 purposes in any of the three previous fiscal years. The  
8 transfer shall be completed no later than one year after the  
9 effective date of this amendatory Act of the 92nd General  
10 Assembly. No township that has certified a new levy or an  
11 increase in the levy under this Section during calendar year  
12 2002 may transfer monies under this subsection. No action on  
13 the transfer of monies under this subsection shall be taken by  
14 the township board except at a township board meeting. No  
15 monies transferred under this subsection shall be considered in  
16 determining whether the township qualifies for State funds to  
17 supplement local funds for public aid purposes under Section  
18 12-21.13 of the Illinois Public Aid Code.

19 (e-5) The township board of Gray Township in White County  
20 may approve by resolution or ordinance transfers of monies from  
21 the township's general assistance fund to the general township  
22 fund no later than one year after the effective date of this  
23 amendatory Act of the 99th General Assembly if:

24 (1) the township receives no State funding for the  
25 general assistance program;

26 (2) the township has not issued anticipation warrants

1 or otherwise borrowed monies for the administration of the  
2 general assistance program during the township's previous  
3 3 fiscal years of operation;

4 (3) the amount of monies remaining in the general  
5 assistance fund after the transfer is equal to the greater  
6 of (i) the amount of the township's expenditures in the  
7 previous fiscal year for general assistance or (ii) an  
8 amount equal to either 0.10% of the last known total  
9 equalized value of all taxable property in the township, or  
10 100% of the highest amount levied for general assistance  
11 purposes in any of the three previous fiscal years; and

12 (4) the township that has not certified a new levy or  
13 an increase in the levy under this Section during calendar  
14 year 2015.

15 No monies transferred under this subsection shall be considered  
16 in determining whether the township qualifies for State funds  
17 to supplement local funds for public aid purposes under Section  
18 12-21.13 of the Illinois Public Aid Code.
