21 Section 20. The Illinois Act on the Aging is amended by
22 changing Sections 4.02 and 7.09 as follows:

23 (20 ILCS 105/4.02) (from Ch. 23, par. 6104.02)

24 Sec. 4.02. Community Care Program. The Department shall

1 establish a program of services to prevent unnecessary
2 institutionalization of persons age 60 and older in need of
3 long term care or who are established as persons who suffer
4 from Alzheimer's disease or a related disorder under the
5 Alzheimer's Disease Assistance Act, thereby enabling them to
6 remain in their own homes or in other living arrangements. Such
7 preventive services, which may be coordinated with other
8 programs for the aged and monitored by area agencies on aging
9 in cooperation with the Department, may include, but are not
10 limited to, any or all of the following:

- 11 (a) (blank);
- 12 (b) (blank);
- 13 (c) home care aide services;
- 14 (d) personal assistant services;
- 15 (e) adult day services;
- 16 (f) home-delivered meals;
- 17 (g) education in self-care;
- 18 (h) personal care services;
- 19 (i) adult day health services;
- 20 (j) habilitation services;
- 21 (k) respite care;
- 22 (k-5) community reintegration services;
- 23 (k-6) flexible senior services;
- 24 (k-7) medication management;
- 25 (k-8) emergency home response;
- 26 (l) other nonmedical social services that may enable

1 the person to become self-supporting; or

2 (m) clearinghouse for information provided by senior
3 citizen home owners who want to rent rooms to or share
4 living space with other senior citizens.

5 The Department shall establish eligibility standards for
6 such services. In determining the amount and nature of services
7 for which a person may qualify, consideration shall not be
8 given to the value of cash, property or other assets held in
9 the name of the person's spouse pursuant to a written agreement
10 dividing marital property into equal but separate shares or
11 pursuant to a transfer of the person's interest in a home to
12 his spouse, provided that the spouse's share of the marital
13 property is not made available to the person seeking such
14 services.

15 Beginning January 1, 2008, the Department shall require as
16 a condition of eligibility that all new financially eligible
17 applicants apply for and enroll in medical assistance under
18 Article V of the Illinois Public Aid Code in accordance with
19 rules promulgated by the Department.

20 The Department shall, in conjunction with the Department of
21 Public Aid (now Department of Healthcare and Family Services),
22 seek appropriate amendments under Sections 1915 and 1924 of the
23 Social Security Act. The purpose of the amendments shall be to
24 extend eligibility for home and community based services under
25 Sections 1915 and 1924 of the Social Security Act to persons
26 who transfer to or for the benefit of a spouse those amounts of

1 income and resources allowed under Section 1924 of the Social
2 Security Act. Subject to the approval of such amendments, the
3 Department shall extend the provisions of Section 5-4 of the
4 Illinois Public Aid Code to persons who, but for the provision
5 of home or community-based services, would require the level of
6 care provided in an institution, as is provided for in federal
7 law. Those persons no longer found to be eligible for receiving
8 noninstitutional services due to changes in the eligibility
9 criteria shall be given 45 days notice prior to actual
10 termination. Those persons receiving notice of termination may
11 contact the Department and request the determination be
12 appealed at any time during the 45 day notice period. The
13 target population identified for the purposes of this Section
14 are persons age 60 and older with an identified service need.
15 Priority shall be given to those who are at imminent risk of
16 institutionalization. The services shall be provided to
17 eligible persons age 60 and older to the extent that the cost
18 of the services together with the other personal maintenance
19 expenses of the persons are reasonably related to the standards
20 established for care in a group facility appropriate to the
21 person's condition. These non-institutional services, pilot
22 projects or experimental facilities may be provided as part of
23 or in addition to those authorized by federal law or those
24 funded and administered by the Department of Human Services.
25 The Departments of Human Services, Healthcare and Family
26 Services, Public Health, Veterans' Affairs, and Commerce and

1 Economic Opportunity and other appropriate agencies of State,
2 federal and local governments shall cooperate with the
3 Department on Aging in the establishment and development of the
4 non-institutional services. The Department shall require an
5 annual audit from all personal assistant and home care aide
6 vendors contracting with the Department under this Section. The
7 annual audit shall assure that each audited vendor's procedures
8 are in compliance with Department's financial reporting
9 guidelines requiring an administrative and employee wage and
10 benefits cost split as defined in administrative rules. The
11 audit is a public record under the Freedom of Information Act.
12 The Department shall execute, relative to the nursing home
13 prescreening project, written inter-agency agreements with the
14 Department of Human Services and the Department of Healthcare
15 and Family Services, to effect the following: (1) intake
16 procedures and common eligibility criteria for those persons
17 who are receiving non-institutional services; and (2) the
18 establishment and development of non-institutional services in
19 areas of the State where they are not currently available or
20 are undeveloped. On and after July 1, 1996, all nursing home
21 prescreenings for individuals 60 years of age or older shall be
22 conducted by the Department.

23 As part of the Department on Aging's routine training of
24 case managers and case manager supervisors, the Department may
25 include information on family futures planning for persons who
26 are age 60 or older and who are caregivers of their adult

1 children with developmental disabilities. The content of the
2 training shall be at the Department's discretion.

3 The Department is authorized to establish a system of
4 recipient copayment for services provided under this Section,
5 such copayment to be based upon the recipient's ability to pay
6 but in no case to exceed the actual cost of the services
7 provided. Additionally, any portion of a person's income which
8 is equal to or less than the federal poverty standard shall not
9 be considered by the Department in determining the copayment.
10 The level of such copayment shall be adjusted whenever
11 necessary to reflect any change in the officially designated
12 federal poverty standard.

13 The Department, or the Department's authorized
14 representative, may recover the amount of moneys expended for
15 services provided to or in behalf of a person under this
16 Section by a claim against the person's estate or against the
17 estate of the person's surviving spouse, but no recovery may be
18 had until after the death of the surviving spouse, if any, and
19 then only at such time when there is no surviving child who is
20 under age 21 or blind or who has a permanent and total
21 disability. This paragraph, however, shall not bar recovery, at
22 the death of the person, of moneys for services provided to the
23 person or in behalf of the person under this Section to which
24 the person was not entitled; provided that such recovery shall
25 not be enforced against any real estate while it is occupied as
26 a homestead by the surviving spouse or other dependent, if no

1 claims by other creditors have been filed against the estate,
2 or, if such claims have been filed, they remain dormant for
3 failure of prosecution or failure of the claimant to compel
4 administration of the estate for the purpose of payment. This
5 paragraph shall not bar recovery from the estate of a spouse,
6 under Sections 1915 and 1924 of the Social Security Act and
7 Section 5-4 of the Illinois Public Aid Code, who precedes a
8 person receiving services under this Section in death. All
9 moneys for services paid to or in behalf of the person under
10 this Section shall be claimed for recovery from the deceased
11 spouse's estate. "Homestead", as used in this paragraph, means
12 the dwelling house and contiguous real estate occupied by a
13 surviving spouse or relative, as defined by the rules and
14 regulations of the Department of Healthcare and Family
15 Services, regardless of the value of the property.

16 The Department shall increase the effectiveness of the
17 existing Community Care Program by:

18 (1) ensuring that in-home services included in the care
19 plan are available on evenings and weekends;

20 (2) ensuring that care plans contain the services that
21 eligible participants need based on the number of days in a
22 month, not limited to specific blocks of time, as
23 identified by the comprehensive assessment tool selected
24 by the Department for use statewide, not to exceed the
25 total monthly service cost maximum allowed for each
26 service; the Department shall develop administrative rules

1 to implement this item (2);

2 (3) ensuring that the participants have the right to
3 choose the services contained in their care plan and to
4 direct how those services are provided, based on
5 administrative rules established by the Department;

6 (4) ensuring that the determination of need tool is
7 accurate in determining the participants' level of need; to
8 achieve this, the Department, in conjunction with the Older
9 Adult Services Advisory Committee, shall institute a study
10 of the relationship between the Determination of Need
11 scores, level of need, service cost maximums, and the
12 development and utilization of service plans no later than
13 May 1, 2008; findings and recommendations shall be
14 presented to the Governor and the General Assembly no later
15 than January 1, 2009; recommendations shall include all
16 needed changes to the service cost maximums schedule and
17 additional covered services;

18 (5) ensuring that homemakers can provide personal care
19 services that may or may not involve contact with clients,
20 including but not limited to:

21 (A) bathing;

22 (B) grooming;

23 (C) toileting;

24 (D) nail care;

25 (E) transferring;

26 (F) respiratory services;

1 (G) exercise; or

2 (H) positioning;

3 (6) ensuring that homemaker program vendors are not
4 restricted from hiring homemakers who are family members of
5 clients or recommended by clients; the Department may not,
6 by rule or policy, require homemakers who are family
7 members of clients or recommended by clients to accept
8 assignments in homes other than the client;

9 (7) ensuring that the State may access maximum federal
10 matching funds by seeking approval for the Centers for
11 Medicare and Medicaid Services for modifications to the
12 State's home and community based services waiver and
13 additional waiver opportunities, including applying for
14 enrollment in the Balance Incentive Payment Program by May
15 1, 2013, in order to maximize federal matching funds; this
16 shall include, but not be limited to, modification that
17 reflects all changes in the Community Care Program services
18 and all increases in the services cost maximum;

19 (8) ensuring that the determination of need tool
20 accurately reflects the service needs of individuals with
21 Alzheimer's disease and related dementia disorders;

22 (9) ensuring that services are authorized accurately
23 and consistently for the Community Care Program (CCP); the
24 Department shall implement a Service Authorization policy
25 directive; the purpose shall be to ensure that eligibility
26 and services are authorized accurately and consistently in

1 the CCP program; the policy directive shall clarify service
2 authorization guidelines to Care Coordination Units and
3 Community Care Program providers no later than May 1, 2013;

4 (10) working in conjunction with Care Coordination
5 Units, the Department of Healthcare and Family Services,
6 the Department of Human Services, Community Care Program
7 providers, and other stakeholders to make improvements to
8 the Medicaid claiming processes and the Medicaid
9 enrollment procedures or requirements as needed,
10 including, but not limited to, specific policy changes or
11 rules to improve the up-front enrollment of participants in
12 the Medicaid program and specific policy changes or rules
13 to insure more prompt submission of bills to the federal
14 government to secure maximum federal matching dollars as
15 promptly as possible; the Department on Aging shall have at
16 least 3 meetings with stakeholders by January 1, 2014 in
17 order to address these improvements;

18 (11) requiring home care service providers to comply
19 with the rounding of hours worked provisions under the
20 federal Fair Labor Standards Act (FLSA) and as set forth in
21 29 CFR 785.48(b) by May 1, 2013;

22 (12) implementing any necessary policy changes or
23 promulgating any rules, no later than January 1, 2014, to
24 assist the Department of Healthcare and Family Services in
25 moving as many participants as possible, consistent with
26 federal regulations, into coordinated care plans if a care

1 coordination plan that covers long term care is available
2 in the recipient's area; and

3 (13) maintaining fiscal year 2014 rates at the same
4 level established on January 1, 2013.

5 By January 1, 2009 or as soon after the end of the Cash and
6 Counseling Demonstration Project as is practicable, the
7 Department may, based on its evaluation of the demonstration
8 project, promulgate rules concerning personal assistant
9 services, to include, but need not be limited to,
10 qualifications, employment screening, rights under fair labor
11 standards, training, fiduciary agent, and supervision
12 requirements. All applicants shall be subject to the provisions
13 of the Health Care Worker Background Check Act.

14 The Department shall develop procedures to enhance
15 availability of services on evenings, weekends, and on an
16 emergency basis to meet the respite needs of caregivers.
17 Procedures shall be developed to permit the utilization of
18 services in successive blocks of 24 hours up to the monthly
19 maximum established by the Department. Workers providing these
20 services shall be appropriately trained.

21 Beginning on the effective date of this amendatory Act of
22 1991, no person may perform chore/housekeeping and home care
23 aide services under a program authorized by this Section unless
24 that person has been issued a certificate of pre-service to do
25 so by his or her employing agency. Information gathered to
26 effect such certification shall include (i) the person's name,

1 (ii) the date the person was hired by his or her current
2 employer, and (iii) the training, including dates and levels.
3 Persons engaged in the program authorized by this Section
4 before the effective date of this amendatory Act of 1991 shall
5 be issued a certificate of all pre- and in-service training
6 from his or her employer upon submitting the necessary
7 information. The employing agency shall be required to retain
8 records of all staff pre- and in-service training, and shall
9 provide such records to the Department upon request and upon
10 termination of the employer's contract with the Department. In
11 addition, the employing agency is responsible for the issuance
12 of certifications of in-service training completed to their
13 employees.

14 The Department is required to develop a system to ensure
15 that persons working as home care aides and personal assistants
16 receive increases in their wages when the federal minimum wage
17 is increased by requiring vendors to certify that they are
18 meeting the federal minimum wage statute for home care aides
19 and personal assistants. An employer that cannot ensure that
20 the minimum wage increase is being given to home care aides and
21 personal assistants shall be denied any increase in
22 reimbursement costs.

23 The Community Care Program Advisory Committee is created in
24 the Department on Aging. The Director shall appoint individuals
25 to serve in the Committee, who shall serve at their own
26 expense. Members of the Committee must abide by all applicable

1 ethics laws. The Committee shall advise the Department on
2 issues related to the Department's program of services to
3 prevent unnecessary institutionalization. The Committee shall
4 meet on a bi-monthly basis and shall serve to identify and
5 advise the Department on present and potential issues affecting
6 the service delivery network, the program's clients, and the
7 Department and to recommend solution strategies. Persons
8 appointed to the Committee shall be appointed on, but not
9 limited to, their own and their agency's experience with the
10 program, geographic representation, and willingness to serve.
11 The Director shall appoint members to the Committee to
12 represent provider, advocacy, policy research, and other
13 constituencies committed to the delivery of high quality home
14 and community-based services to older adults. Representatives
15 shall be appointed to ensure representation from community care
16 providers including, but not limited to, adult day service
17 providers, homemaker providers, case coordination and case
18 management units, emergency home response providers, statewide
19 trade or labor unions that represent home care aides and direct
20 care staff, area agencies on aging, adults over age 60,
21 membership organizations representing older adults, and other
22 organizational entities, providers of care, or individuals
23 with demonstrated interest and expertise in the field of home
24 and community care as determined by the Director.

25 Nominations may be presented from any agency or State
26 association with interest in the program. The Director, or his

1 or her designee, shall serve as the permanent co-chair of the
2 advisory committee. One other co-chair shall be nominated and
3 approved by the members of the committee on an annual basis.
4 Committee members' terms of appointment shall be for 4 years
5 with one-quarter of the appointees' terms expiring each year. A
6 member shall continue to serve until his or her replacement is
7 named. The Department shall fill vacancies that have a
8 remaining term of over one year, and this replacement shall
9 occur through the annual replacement of expiring terms. The
10 Director shall designate Department staff to provide technical
11 assistance and staff support to the committee. Department
12 representation shall not constitute membership of the
13 committee. All Committee papers, issues, recommendations,
14 reports, and meeting memoranda are advisory only. The Director,
15 or his or her designee, shall make a written report, as
16 requested by the Committee, regarding issues before the
17 Committee.

18 The Department on Aging and the Department of Human
19 Services shall cooperate in the development and submission of
20 an annual report on programs and services provided under this
21 Section. Such joint report shall be filed with the Governor and
22 the General Assembly on or before September 30 each year.

23 The requirement for reporting to the General Assembly shall
24 be satisfied by filing copies of the report ~~with the Speaker,~~

6 Act.

7 Those persons previously found eligible for receiving
8 non-institutional services whose services were discontinued
9 under the Emergency Budget Act of Fiscal Year 1992, and who do
10 not meet the eligibility standards in effect on or after July
11 1, 1992, shall remain ineligible on and after July 1, 1992.
12 Those persons previously not required to cost-share and who
13 were required to cost-share effective March 1, 1992, shall
14 continue to meet cost-share requirements on and after July 1,
15 1992. Beginning July 1, 1992, all clients will be required to
16 meet eligibility, cost-share, and other requirements and will
17 have services discontinued or altered when they fail to meet
18 these requirements.

19 For the purposes of this Section, "flexible senior
20 services" refers to services that require one-time or periodic

2 The Department shall require, as a condition of
3 eligibility, enrollment in the medical assistance program
4 under Article V of the Illinois Public Aid Code (i) beginning
5 August 1, 2013, if the Auditor General has reported that the
6 Department has failed to comply with the reporting requirements
7 of Section 2-27 of the Illinois State Auditing Act; or (ii)
8 beginning June 1, 2014, if the Auditor General has reported

22 The Department shall implement co-payments for the

13 guidelines. The quarterly review shall be reported to the
14 Speaker of the House of Representatives, the Minority Leader of
15 the House of Representatives, the President of the Senate, and
16 the Minority Leader of the Senate. The Department shall collect
17 and report longitudinal data on the performance of each care
18 coordination unit. Nothing in this paragraph shall be construed
19 to require the Department to identify specific care
20 coordination units.

21 In regard to community care providers, failure to comply
22 with Department on Aging policies shall be cause for
23 disciplinary action, including, but not limited to,
24 disqualification from serving Community Care Program clients.
25 Each provider, upon submission of any bill or invoice to the
26 Department for payment for services rendered, shall include a

12 the wages paid by those vendors to their employees who provide
13 homemaker services. The Department shall pay an enhanced rate
14 under the Community Care Program to those in-home service
15 provider agencies that offer health insurance coverage as a
16 benefit to their direct service worker employees consistent
17 with the mandates of Public Act 95-713. For State fiscal years
18 2018 and 2019, the enhanced rate shall be \$1.77 per hour. The
19 rate shall be adjusted using actuarial analysis based on the
20 cost of care, but shall not be set below \$1.77 per hour. The

12 The Community Care Program Medicaid Enrollment Oversight
13 Subcommittee is created as a subcommittee of the Older Adult

6 The Subcommittee shall provide oversight to the Community
7 Care Program Medicaid Initiative and shall meet quarterly. At
8 each Subcommittee meeting the Department on Aging shall provide
9 the following data sets to the Subcommittee: (A) the number of

2 The Community Care Program Medicaid Initiative shall cease
3 operation 5 years after the effective date of this amendatory
4 Act of the 100th General Assembly, after which the Subcommittee

12 Section 25. The Department of Central Management Services
13 Law of the Civil Administrative Code of Illinois is amended by
14 changing Section 405-300 as follows:

15 (20 ILCS 405/405-300) (was 20 ILCS 405/67.02)

16 (Text of Section before amendment by P.A. 100-1109)

17 Sec. 405-300. Lease or purchase of facilities; training
18 programs.

19 (a) To lease or purchase office and storage space,
20 buildings, land, and other facilities for all State agencies,
21 authorities, boards, commissions, departments, institutions,
22 and bodies politic and all other administrative units or
23 outgrowths of the executive branch of State government except
24 the Constitutional officers, the State Board of Education and

1 the State colleges and universities and their governing bodies.
2 However, before leasing or purchasing any office or storage
3 space, buildings, land or other facilities in any municipality
4 the Department shall survey the existing State-owned and
5 State-leased property to make a determination of need.

6 The leases shall be for a term not to exceed 5 years,
7 except that the leases may contain a renewal clause subject to
8 acceptance by the State after that date or an option to
9 purchase. The purchases shall be made through contracts that
10 (i) may provide for the title to the property to transfer
11 immediately to the State or a trustee or nominee for the
12 benefit of the State, (ii) shall provide for the consideration
13 to be paid in installments to be made at stated intervals
14 during a certain term not to exceed 30 years from the date of
15 the contract, and (iii) may provide for the payment of interest
16 on the unpaid balance at a rate that does not exceed a rate
17 determined by adding 3 percentage points to the annual yield on
18 United States Treasury obligations of comparable maturity as
19 most recently published in the Wall Street Journal at the time
20 such contract is signed. The leases and purchase contracts
21 shall be and shall recite that they are subject to termination
22 and cancellation in any year for which the General Assembly
23 fails to make an appropriation to pay the rent or purchase
24 installments payable under the terms of the lease or purchase
25 contract. Additionally, the purchase contract shall specify
26 that title to the office and storage space, buildings, land,

1 and other facilities being acquired under the contract shall
2 revert to the Seller in the event of the failure of the General
3 Assembly to appropriate suitable funds. However, this
4 limitation on the term of the leases does not apply to leases
5 to and with the Illinois Building Authority, as provided for in
6 the Building Authority Act. Leases to and with that Authority
7 may be entered into for a term not to exceed 30 years and shall
8 be and shall recite that they are subject to termination and
9 cancellation in any year for which the General Assembly fails
10 to make an appropriation to pay the rent payable under the
11 terms of the lease. These limitations do not apply if the lease
12 or purchase contract contains a provision limiting the
13 liability for the payment of the rentals or installments
14 thereof solely to funds received from the Federal government.

15 (b) To lease from an airport authority office, aircraft
16 hangar, and service buildings constructed upon a public airport
17 under the Airport Authorities Act for the use and occupancy of
18 the State Department of Transportation. The lease may be
19 entered into for a term not to exceed 30 years.

20 (c) To establish training programs for teaching State
21 leasing procedures and practices to new employees of the
22 Department and to keep all employees of the Department informed
23 about current leasing practices and developments in the real
24 estate industry.

25 (d) To enter into an agreement with a municipality or
26 county to construct, remodel, or convert a structure for the

1 purposes of its serving as a correctional institution or
2 facility pursuant to paragraph (c) of Section 3-2-2 of the
3 Unified Code of Corrections.

4 (e) To enter into an agreement with a private individual,
5 trust, partnership, or corporation or a municipality or other
6 unit of local government, when authorized to do so by the
7 Department of Corrections, whereby that individual, trust,
8 partnership, or corporation or municipality or other unit of
9 local government will construct, remodel, or convert a
10 structure for the purposes of its serving as a correctional
11 institution or facility and then lease the structure to the
12 Department for the use of the Department of Corrections. A
13 lease entered into pursuant to the authority granted in this
14 subsection shall be for a term not to exceed 30 years but may
15 grant to the State the option to purchase the structure
16 outright.

17 The leases shall be and shall recite that they are subject
18 to termination and cancellation in any year for which the
19 General Assembly fails to make an appropriation to pay the rent
20 payable under the terms of the lease.

21 (f) On and after September 17, 1983, the powers granted to
22 the Department under this Section shall be exercised
23 exclusively by the Department, and no other State agency may
24 concurrently exercise any such power unless specifically
25 authorized otherwise by a later enacted law. This subsection is
26 not intended to impair any contract existing as of September

1 17, 1983.

2 However, no lease for more than 10,000 square feet of space
3 shall be executed unless the Director, in consultation with the
4 Executive Director of the Capital Development Board, has
5 certified that leasing is in the best interest of the State,
6 considering programmatic requirements, availability of vacant
7 State-owned space, the cost-benefits of purchasing or
8 constructing new space, and other criteria as he or she shall
9 determine. The Director shall not permit multiple leases for
10 less than 10,000 square feet to be executed in order to evade
11 this provision.

12 (g) To develop and implement, in cooperation with the
13 Interagency Energy Conservation Committee, a system for
14 evaluating energy consumption in facilities leased by the
15 Department, and to develop energy consumption standards for use
16 in evaluating prospective lease sites.

17 (h) (1) After June 1, 1998 (the effective date of Public
18 Act 90-520), the Department shall not enter into an
19 agreement for the installment purchase or lease purchase of
20 buildings, land, or facilities unless:

21 (A) the using agency certifies to the Department
22 that the agency reasonably expects that the building,
23 land, or facilities being considered for purchase will
24 meet a permanent space need;

25 (B) the building or facilities will be
26 substantially occupied by State agencies after

1 purchase (or after acceptance in the case of a build to
2 suit);

3 (C) the building or facilities shall be in new or
4 like new condition and have a remaining economic life
5 exceeding the term of the contract;

6 (D) no structural or other major building
7 component or system has a remaining economic life of
8 less than 10 years;

9 (E) the building, land, or facilities:

10 (i) is free of any identifiable environmental
11 hazard or

12 (ii) is subject to a management plan, provided
13 by the seller and acceptable to the State, to
14 address the known environmental hazard;

15 (F) the building, land, or facilities satisfy
16 applicable accessibility and applicable building
17 codes; and

18 (G) the State's cost to lease purchase or
19 installment purchase the building, land, or facilities
20 is less than the cost to lease space of comparable
21 quality, size, and location over the lease purchase or
22 installment purchase term.

23 (2) The Department shall establish the methodology for
24 comparing lease costs to the costs of installment or lease
25 purchases. The cost comparison shall take into account all
26 relevant cost factors, including, but not limited to, debt

1 service, operating and maintenance costs, insurance and
2 risk costs, real estate taxes, reserves for replacement and
3 repairs, security costs, and utilities. The methodology
4 shall also provide:

5 (A) that the comparison will be made using level
6 payment plans; and

7 (B) that a purchase price must not exceed the fair
8 market value of the buildings, land, or facilities and
9 that the purchase price must be substantiated by an
10 appraisal or by a competitive selection process.

11 (3) If the Department intends to enter into an
12 installment purchase or lease purchase agreement for
13 buildings, land, or facilities under circumstances that do
14 not satisfy the conditions specified by this Section, it
15 must issue a notice to the Secretary of the Senate and the
16 Clerk of the House. The notice shall contain (i) specific
17 details of the State's proposed purchase, including the
18 amounts, purposes, and financing terms; (ii) a specific
19 description of how the proposed purchase varies from the
20 procedures set forth in this Section; and (iii) a specific
21 justification, signed by the Director, stating why it is in
22 the State's best interests to proceed with the purchase.
23 The Department may not proceed with such an installment
24 purchase or lease purchase agreement if, within 60 calendar
25 days after delivery of the notice, the General Assembly, by
26 joint resolution, disapproves the transaction. Delivery

1 may take place on a day and at an hour when the Senate and
2 House are not in session so long as the offices of
3 Secretary and Clerk are open to receive the notice. In
4 determining the 60-day period within which the General
5 Assembly must act, the day on which delivery is made to the
6 Senate and House shall not be counted. If delivery of the
7 notice to the 2 houses occurs on different days, the 60-day
8 period shall begin on the day following the later delivery.

9 (4) On or before February 15 of each year, the
10 Department shall submit an annual report to the Director of
11 the Governor's Office of Management and Budget and the
12 General Assembly regarding installment purchases or lease
13 purchases of buildings, land, or facilities that were
14 entered into during the preceding calendar year. The report
15 shall include a summary statement of the aggregate amount
16 of the State's obligations under those purchases; specific
17 details pertaining to each purchase, including the
18 amounts, purposes, and financing terms and payment
19 schedule for each purchase; and any other matter that the
20 Department deems advisable.

21 The requirement for reporting to the General Assembly
22 shall be satisfied by filing copies of the report with the
23 Auditor General, ~~the Speaker, the Minority Leader, and the~~
24 ~~Clerk of the House of Representatives and the President,~~
25 ~~the Minority Leader, and the Secretary of the Senate,~~ the
26 Chairs of the Appropriations Committees, and ~~the~~

1 ~~Legislative Research Unit~~, as required by Section 3.1 of
2 the General Assembly Organization Act, and filing
3 additional copies with the State Government Report
4 Distribution Center for the General Assembly as is required
5 under paragraph (t) of Section 7 of the State Library Act.

8 Sec. 405-300. Lease or purchase of facilities; training
9 programs.

10 (a) To lease or purchase office and storage space,
11 buildings, land, and other facilities for all State agencies,
12 authorities, boards, commissions, departments, institutions,
13 and bodies politic and all other administrative units or
14 outgrowths of the executive branch of State government except
15 the Constitutional officers, the State Board of Education and
16 the State colleges and universities and their governing bodies.
17 However, before leasing or purchasing any office or storage
18 space, buildings, land or other facilities in any municipality
19 the Department shall survey the existing State-owned and
20 State-leased property to make a determination of need.

21 The leases shall be for a term not to exceed 5 years,
22 except that the leases may contain a renewal clause subject to
23 acceptance by the State after that date or an option to
24 purchase. The purchases shall be made through contracts that
25 (i) may provide for the title to the property to transfer

1 immediately to the State or a trustee or nominee for the
2 benefit of the State, (ii) shall provide for the consideration
3 to be paid in installments to be made at stated intervals
4 during a certain term not to exceed 30 years from the date of
5 the contract, and (iii) may provide for the payment of interest
6 on the unpaid balance at a rate that does not exceed a rate
7 determined by adding 3 percentage points to the annual yield on
8 United States Treasury obligations of comparable maturity as
9 most recently published in the Wall Street Journal at the time
10 such contract is signed. The leases and purchase contracts
11 shall be and shall recite that they are subject to termination
12 and cancellation in any year for which the General Assembly
13 fails to make an appropriation to pay the rent or purchase
14 installments payable under the terms of the lease or purchase
15 contract. Additionally, the purchase contract shall specify
16 that title to the office and storage space, buildings, land,
17 and other facilities being acquired under the contract shall
18 revert to the Seller in the event of the failure of the General
19 Assembly to appropriate suitable funds. However, this
20 limitation on the term of the leases does not apply to leases
21 to and with the Illinois Building Authority, as provided for in
22 the Building Authority Act. Leases to and with that Authority
23 may be entered into for a term not to exceed 30 years and shall
24 be and shall recite that they are subject to termination and
25 cancellation in any year for which the General Assembly fails
26 to make an appropriation to pay the rent payable under the

1 terms of the lease. These limitations do not apply if the lease
2 or purchase contract contains a provision limiting the
3 liability for the payment of the rentals or installments
4 thereof solely to funds received from the Federal government.

5 (b) To lease from an airport authority office, aircraft
6 hangar, and service buildings constructed upon a public airport
7 under the Airport Authorities Act for the use and occupancy of
8 the State Department of Transportation. The lease may be
9 entered into for a term not to exceed 30 years.

10 (c) To establish training programs for teaching State
11 leasing procedures and practices to new employees of the

13 about current leasing practices and developments in the real
14 estate industry.

15 (d) To enter into an agreement with a municipality or
16 county to construct, remodel, or convert a structure for the
17 purposes of its serving as a correctional institution or
18 facility pursuant to paragraph (c) of Section 3-2-2 of the
19 Unified Code of Corrections.

20 (e) To enter into an agreement with a private individual,
21 trust, partnership, or corporation or a municipality or other
22 unit of local government, when authorized to do so by the
23 Department of Corrections, whereby that individual, trust,
24 partnership, or corporation or municipality or other unit of
25 local government will construct, remodel, or convert a
26 structure for the purposes of its serving as a correctional

1 institution or facility and then lease the structure to the
2 Department for the use of the Department of Corrections. A
3 lease entered into pursuant to the authority granted in this
4 subsection shall be for a term not to exceed 30 years but may
5 grant to the State the option to purchase the structure
6 outright.

7 The leases shall be and shall recite that they are subject
8 to termination and cancellation in any year for which the
9 General Assembly fails to make an appropriation to pay the rent
10 payable under the terms of the lease.

11 (f) On and after September 17, 1983, the powers granted to
12 the Department under this Section shall be exercised
13 exclusively by the Department, and no other State agency may
14 concurrently exercise any such power unless specifically
15 authorized otherwise by a later enacted law. This subsection is
16 not intended to impair any contract existing as of September
17 17, 1983.

18 However, no lease for more than 10,000 square feet of space

24 constructing new space, and other criteria as he or she shall
25 determine. The Director shall not permit multiple leases for

1 this provision.

2 (g) To develop and implement, in cooperation with the
3 Interagency Energy Conservation Committee, a system for
4 evaluating energy consumption in facilities leased by the
5 Department, and to develop energy consumption standards for use
6 in evaluating prospective lease sites.

7 (h) (1) After June 1, 1998 (the effective date of Public
8 Act 90-520), the Department shall not enter into an

2 day-care plan shall be made available to the General Assembly
3 following the Governor's approval of the plan.

4 The plan shall include methods and procedures for the

24 agencies.

1 Section 55. The Rehabilitation of Persons with

3 (20 ILCS 2405/3) (from Ch. 23, par. 3434)

4 Sec. 3. Powers and duties. The Department shall have the
5 powers and duties enumerated herein:

6 (a) To co-operate with the federal government in the
7 administration of the provisions of the federal
8 Rehabilitation Act of 1973, as amended, of the Workforce
9 Innovation and Opportunity Act, and of the federal Social
10 Security Act to the extent and in the manner provided in
11 these Acts.

12 (b) To prescribe and supervise such courses of
13 vocational training and provide such other services as may
14 be necessary for the habilitation and rehabilitation of
15 persons with one or more disabilities, including the
16 administrative activities under subsection (e) of this
17 Section, and to co-operate with State and local school
18 authorities and other recognized agencies engaged in
19 habilitation, rehabilitation and comprehensive
20 rehabilitation services; and to cooperate with the
21 Department of Children and Family Services regarding the
22 care and education of children with one or more
23 disabilities.

24 (c) (Blank).

25 (d) To report in writing, to the Governor, annually on

1 or before the first day of December, and at such other
2 times and in such manner and upon such subjects as the
3 Governor may require. The annual report shall contain (1) a
4 statement of the existing condition of comprehensive
5 rehabilitation services, habilitation and rehabilitation
6 in the State; (2) a statement of suggestions and
7 recommendations with reference to the development of
8 comprehensive rehabilitation services, habilitation and
9 rehabilitation in the State; and (3) an itemized statement
10 of the amounts of money received from federal, State and
11 other sources, and of the objects and purposes to which the
12 respective items of these several amounts have been
13 devoted.

14 (e) (Blank).

15 (f) To establish a program of services to prevent the
16 unnecessary institutionalization of persons in need of
17 long term care and who meet the criteria for blindness or
18 disability as defined by the Social Security Act, thereby
19 enabling them to remain in their own homes. Such preventive
20 services include any or all of the following:

21 (1) personal assistant services;

22 (2) homemaker services;

23 (3) home-delivered meals;

24 (4) adult day care services;

25 (5) respite care;

26 (6) home modification or assistive equipment;

- 1 (7) home health services;
- 2 (8) electronic home response;
- 3 (9) brain injury behavioral/cognitive services;
- 4 (10) brain injury habilitation;
- 5 (11) brain injury pre-vocational services; or
- 6 (12) brain injury supported employment.

7 The Department shall establish eligibility standards
8 for such services taking into consideration the unique
9 economic and social needs of the population for whom they
10 are to be provided. Such eligibility standards may be based
11 on the recipient's ability to pay for services; provided,
12 however, that any portion of a person's income that is
13 equal to or less than the "protected income" level shall
14 not be considered by the Department in determining
15 eligibility. The "protected income" level shall be
16 determined by the Department, shall never be less than the
17 federal poverty standard, and shall be adjusted each year
18 to reflect changes in the Consumer Price Index For All
19 Urban Consumers as determined by the United States
20 Department of Labor. The standards must provide that a
21 person may not have more than \$10,000 in assets to be
22 eligible for the services, and the Department may increase
23 or decrease the asset limitation by rule. The Department
24 may not decrease the asset level below \$10,000.

25 The services shall be provided, as established by the
26 Department by rule, to eligible persons to prevent

1 unnecessary or premature institutionalization, to the
2 extent that the cost of the services, together with the
3 other personal maintenance expenses of the persons, are
4 reasonably related to the standards established for care in
5 a group facility appropriate to their condition. These
6 non-institutional services, pilot projects or experimental
7 facilities may be provided as part of or in addition to
8 those authorized by federal law or those funded and
9 administered by the Illinois Department on Aging. The
10 Department shall set rates and fees for services in a fair
11 and equitable manner. Services identical to those offered
12 by the Department on Aging shall be paid at the same rate.

13 Except as otherwise provided in this paragraph,
14 personal assistants shall be paid at a rate negotiated
15 between the State and an exclusive representative of
16 personal assistants under a collective bargaining
17 agreement. In no case shall the Department pay personal
18 assistants an hourly wage that is less than the federal
19 minimum wage. Within 30 days after July 6, 2017 (the
20 effective date of Public Act 100-23), the hourly wage paid
21 to personal assistants and individual maintenance home
22 health workers shall be increased by \$0.48 per hour.

23 Solely for the purposes of coverage under the Illinois
24 Public Labor Relations Act, personal assistants providing
25 services under the Department's Home Services Program
26 shall be considered to be public employees and the State of

1 Illinois shall be considered to be their employer as of
2 July 16, 2003 (the effective date of Public Act 93-204),
3 but not before. Solely for the purposes of coverage under
4 the Illinois Public Labor Relations Act, home care and home
5 health workers who function as personal assistants and
6 individual maintenance home health workers and who also
7 provide services under the Department's Home Services
8 Program shall be considered to be public employees, no
9 matter whether the State provides such services through
10 direct fee-for-service arrangements, with the assistance
11 of a managed care organization or other intermediary, or
12 otherwise, and the State of Illinois shall be considered to
13 be the employer of those persons as of January 29, 2013
14 (the effective date of Public Act 97-1158), but not before
15 except as otherwise provided under this subsection (f). The
16 State shall engage in collective bargaining with an
17 exclusive representative of home care and home health
18 workers who function as personal assistants and individual
19 maintenance home health workers working under the Home
20 Services Program concerning their terms and conditions of
21 employment that are within the State's control. Nothing in
22 this paragraph shall be understood to limit the right of
23 the persons receiving services defined in this Section to
24 hire and fire home care and home health workers who
25 function as personal assistants and individual maintenance
26 home health workers working under the Home Services Program

1 or to supervise them within the limitations set by the Home
2 Services Program. The State shall not be considered to be
3 the employer of home care and home health workers who
4 function as personal assistants and individual maintenance
5 home health workers working under the Home Services Program
6 for any purposes not specifically provided in Public Act
7 93-204 or Public Act 97-1158, including but not limited to,
8 purposes of vicarious liability in tort and purposes of
9 statutory retirement or health insurance benefits. Home
10 care and home health workers who function as personal
11 assistants and individual maintenance home health workers
12 and who also provide services under the Department's Home
13 Services Program shall not be covered by the State
14 Employees Group Insurance Act of 1971.

15 The Department shall execute, relative to nursing home
16 prescreening, as authorized by Section 4.03 of the Illinois
17 Act on the Aging, written inter-agency agreements with the
18 Department on Aging and the Department of Healthcare and
19 Family Services, to effect the intake procedures and
20 eligibility criteria for those persons who may need long
21 term care. On and after July 1, 1996, all nursing home
22 prescreenings for individuals 18 through 59 years of age
23 shall be conducted by the Department, or a designee of the
24 Department.

25 The Department is authorized to establish a system of
26 recipient cost-sharing for services provided under this

1 Section. The cost-sharing shall be based upon the
2 recipient's ability to pay for services, but in no case
3 shall the recipient's share exceed the actual cost of the
4 services provided. Protected income shall not be
5 considered by the Department in its determination of the
6 recipient's ability to pay a share of the cost of services.
7 The level of cost-sharing shall be adjusted each year to
8 reflect changes in the "protected income" level. The
9 Department shall deduct from the recipient's share of the
10 cost of services any money expended by the recipient for
11 disability-related expenses.

12 To the extent permitted under the federal Social
13 Security Act, the Department, or the Department's
14 authorized representative, may recover the amount of
15 moneys expended for services provided to or in behalf of a
16 person under this Section by a claim against the person's
17 estate or against the estate of the person's surviving
18 spouse, but no recovery may be had until after the death of
19 the surviving spouse, if any, and then only at such time
20 when there is no surviving child who is under age 21 or
21 blind or who has a permanent and total disability. This
22 paragraph, however, shall not bar recovery, at the death of
23 the person, of moneys for services provided to the person
24 or in behalf of the person under this Section to which the
25 person was not entitled; provided that such recovery shall
26 not be enforced against any real estate while it is

1 occupied as a homestead by the surviving spouse or other
2 dependent, if no claims by other creditors have been filed
3 against the estate, or, if such claims have been filed,
4 they remain dormant for failure of prosecution or failure
5 of the claimant to compel administration of the estate for
6 the purpose of payment. This paragraph shall not bar
7 recovery from the estate of a spouse, under Sections 1915
8 and 1924 of the Social Security Act and Section 5-4 of the
9 Illinois Public Aid Code, who precedes a person receiving
10 services under this Section in death. All moneys for
11 services paid to or in behalf of the person under this
12 Section shall be claimed for recovery from the deceased
13 spouse's estate. "Homestead", as used in this paragraph,
14 means the dwelling house and contiguous real estate
15 occupied by a surviving spouse or relative, as defined by
16 the rules and regulations of the Department of Healthcare
17 and Family Services, regardless of the value of the
18 property.

19 The Department shall submit an annual report on
20 programs and services provided under this Section. The
21 report shall be filed with the Governor and the General
22 Assembly on or before March 30 each year.

23 The requirement for reporting to the General Assembly
24 shall be satisfied by filing copies of the report ~~with the~~
25 ~~Speaker, the Minority Leader and the Clerk of the House of~~
26 ~~Representatives and the President, the Minority Leader and~~

1 ~~the Secretary of the Senate and the Legislative Research~~
2 ~~Unit,~~ as required by Section 3.1 of the General Assembly
3 Organization Act, and filing additional copies with the
4 State Government Report Distribution Center for the
5 General Assembly as required under paragraph (t) of Section
6 7 of the State Library Act.

7 (g) To establish such subdivisions of the Department as
8 shall be desirable and assign to the various subdivisions
9 the responsibilities and duties placed upon the Department
10 by law.

11 (h) To cooperate and enter into any necessary
12 agreements with the Department of Employment Security for
13 the provision of job placement and job referral services to
14 clients of the Department, including job service
15 registration of such clients with Illinois Employment
16 Security offices and making job listings maintained by the
17 Department of Employment Security available to such
18 clients.

19 (i) To possess all powers reasonable and necessary for
20 the exercise and administration of the powers, duties and
21 responsibilities of the Department which are provided for
22 by law.

23 (j) (Blank).

24 (k) (Blank).

25 (l) To establish, operate, and maintain a Statewide
26 Housing Clearinghouse of information on available

1 government subsidized housing accessible to persons with
2 disabilities and available privately owned housing
3 accessible to persons with disabilities. The information
4 shall include, but not be limited to, the location, rental
5 requirements, access features and proximity to public
6 transportation of available housing. The Clearinghouse
7 shall consist of at least a computerized database for the
8 storage and retrieval of information and a separate or
9 shared toll free telephone number for use by those seeking
10 information from the Clearinghouse. Department offices and
11 personnel throughout the State shall also assist in the
12 operation of the Statewide Housing Clearinghouse.
13 Cooperation with local, State, and federal housing
14 managers shall be sought and extended in order to
15 frequently and promptly update the Clearinghouse's
16 information.

17 (m) To assure that the names and case records of
18 persons who received or are receiving services from the
19 Department, including persons receiving vocational
20 rehabilitation, home services, or other services, and
21 those attending one of the Department's schools or other
22 supervised facility shall be confidential and not be open
23 to the general public. Those case records and reports or
24 the information contained in those records and reports
25 shall be disclosed by the Director only to proper law
26 enforcement officials, individuals authorized by a court,

1 the General Assembly or any committee or commission of the
2 General Assembly, and other persons and for reasons as the
3 Director designates by rule. Disclosure by the Director may
4 be only in accordance with other applicable law.

14 establish and maintain a longitudinal data system by entering
15 into one or more agreements that link early learning,
16 elementary, and secondary school student unit records with
17 institution of higher learning student unit records. To the
18 extent authorized by this Section and Section 20 of this Act:

19 (1) the State Board is responsible for collecting and
20 maintaining authoritative enrollment, completion, and
21 student characteristic information on early learning,
22 public school (kindergarten through grade 12), and
23 non-public school (kindergarten through grade 12)
24 students;

1 (2) the Community College Board is responsible for
2 collecting and maintaining authoritative enrollment,
3 completion, and student characteristic information on
4 community college students; and

5 (3) the Board of Higher Education is responsible for
6 collecting and maintaining authoritative enrollment,
7 completion, and student characteristic information on
8 students enrolled in institutions of higher learning,
9 other than community colleges.

10 (b) On or before June 30, 2013, subject to the availability
11 of funding through appropriations made specifically for the
12 purposes of this Act, the State Education Authorities shall
13 improve and expand the longitudinal data system to enable the
14 State Education Authorities to perform or cause to be performed
15 all of the following activities and functions:

16 (1) Reduce, to the maximum extent possible, the data
17 collection burden on school districts and institutions of
18 higher learning by using data submitted to the system for
19 multiple reporting and analysis functions.

20 (2) Provide authorized officials of early learning
21 programs, schools, school districts, and institutions of
22 higher learning with access to their own student-level
23 data, summary reports, and data that can be integrated with
24 additional data maintained outside of the system to inform
25 education decision-making.

26 (3) Link data to instructional management tools that

1 support instruction and assist collaboration among
2 teachers and postsecondary instructors.

3 (4) Enhance and expand existing high
4 school-to-postsecondary reporting systems to inform school
5 and school district officials, education policymakers, and
6 members of the public about public school students'
7 performance in postsecondary education.

8 (5) Provide data reporting, analysis, and planning
9 tools that assist with financial oversight, human resource
10 management, and other education support functions.

11 (6) Improve student access to educational
12 opportunities by linking data to student college and career
13 planning portals, facilitating the submission of
14 electronic transcripts and scholarship and financial aid
15 applications, and enabling the transfer of student records
16 to officials of a school or institution of higher learning
17 where a student enrolls or seeks or intends to enroll.

18 (7) Establish a public Internet web interface that
19 provides non-confidential data reports and permits queries
20 so that parents, the media, and other members of the public
21 can more easily access information pertaining to
22 statewide, district, and school performance.

23 (8) Provide research and reports to the General
24 Assembly that assist with evaluating the effectiveness of
25 specific programs and that enable legislators to analyze
26 educational performance within their legislative

1 districts.

2 (9) Allow the State Education Authorities to
3 efficiently meet federal and State reporting requirements
4 by drawing data for required reports from multiple State
5 systems.

6 (10) Establish a system to evaluate teacher and
7 administrator preparation programs using student academic
8 growth as one component of evaluation.

9 (11) In accordance with a data sharing agreement
10 entered into between the State Education Authorities and
11 the Illinois Student Assistance Commission, establish
12 procedures and systems to evaluate the relationship
13 between need-based financial aid and student enrollment
14 and success in institutions of higher learning.

15 (12) In accordance with data sharing agreements
16 entered into between the State Education Authorities and
17 health and human service agencies, establish procedures
18 and systems to evaluate the relationship between education
19 and other student and family support systems.

20 (13) In accordance with data sharing agreements
21 entered into between the State Education Authorities and
22 employment and workforce development agencies, establish
23 procedures and systems to evaluate the relationship
24 between education programs and outcomes and employment
25 fields, employment locations, and employment outcomes.

26 (c) On or before June 30, 2013, subject to the availability

1 of funding through appropriations made specifically for the
2 purposes of this Act, the State Board shall establish a data
3 warehouse that integrates data from multiple student unit
4 record systems and supports all of the uses and functions of
5 the longitudinal data system set forth in this Act. The data
6 warehouse must be developed in cooperation with the Community
7 College Board and the Board of Higher Education and must have
8 the ability to integrate longitudinal data from early learning
9 through the postsecondary level in accordance with one or more
10 data sharing agreements entered into among the State Education
11 Authorities. The data warehouse, as integrated with the
12 longitudinal data system, must include, but is not limited to,
13 all of the following elements:

14 (1) A unique statewide student identifier that
15 connects student data across key databases across years.
16 The unique statewide student identifier must not be derived
17 from a student's social security number and must be
18 provided to institutions of higher learning to assist with
19 linkages between early learning through secondary and
20 postsecondary data.

21 (2) Student-level enrollment, demographic, and program
22 participation information, including information on
23 participation in dual credit programs.

24 (3) The ability to match individual students'
25 elementary and secondary test records from year to year to
26 measure academic growth.

1 (4) Information on untested students in the elementary
2 and secondary levels, and the reasons they were not tested.

3 (5) A teacher and administrator identifier system with
4 the ability to match students to early learning,
5 elementary, and secondary teachers and elementary and
6 secondary administrators. Information able to be obtained
7 only as a result of the linkage of teacher and student data
8 through the longitudinal data system may not be used by a
9 school district for decisions involving teacher pay or
10 teacher benefits unless the district and the exclusive
11 bargaining representative of the district's teachers, if
12 any, have agreed to this use. Information able to be
13 obtained only as a result of the linkage of teacher and
14 student data through the longitudinal data system may not
15 be used by a school district as part of an evaluation under
16 Article 24A of the School Code unless, in good faith
17 cooperation with the school district's teachers or, where
18 applicable, the exclusive bargaining representative of the
19 school district's teachers, the school district has
20 developed an evaluation plan or substantive change to an
21 evaluation plan that specifically describes the school
22 district's rationale for using this information for
23 evaluations, how this information will be used as part of
24 the evaluation process, and how this information will
25 relate to evaluation standards. However, nothing in this
26 subdivision (5) or elsewhere in this Act limits or

1 restricts (i) a district's use of any local or State data
2 that has been obtained independently from the linkage of
3 teacher and student data through the longitudinal data
4 system or (ii) a charter school's use of any local or State
5 data in connection with teacher pay, benefits, or
6 evaluations.

7 (6) Student-level transcript information, including
8 information on courses completed and grades earned, from
9 middle and high schools. The State Board shall establish a
10 statewide course classification system based upon the
11 federal School Codes for Exchange of Data or a similar
12 course classification system. Each school district and
13 charter school shall map its course descriptions to the
14 statewide course classification system for the purpose of
15 State reporting. School districts and charter schools are
16 not required to change or modify the locally adopted course
17 descriptions used for all other purposes. The State Board
18 shall establish or contract for the establishment of a
19 technical support and training system to assist schools and
20 districts with the implementation of this item (6) and
21 shall, to the extent possible, collect transcript data
22 using a system that permits automated reporting from
23 district student information systems.

24 (7) Student-level college readiness test scores.

25 (8) Student-level graduation and dropout data.

26 (9) The ability to match early learning through

1 secondary student unit records with institution of higher
2 learning student unit record systems.

3 (10) A State data audit system assessing data quality,
4 validity, and reliability.

5 (d) Using data provided to and maintained by the
6 longitudinal data system, the State Education Authorities may,
7 in addition to functions and activities specified elsewhere in
8 this Section, perform and undertake the following:

9 (1) research for or on behalf of early learning
10 programs, schools, school districts, or institutions of
11 higher learning, which may be performed by one or more
12 State Education Authorities or through agreements with
13 research organizations meeting all of the requirements of
14 this Act and privacy protection laws; and

15 (2) audits or evaluations of federal or
16 State-supported education programs and activities to
17 enforce federal or State legal requirements with respect to
18 those programs. Each State Education Authority may assist
19 another State Education Authority with audit, evaluation,
20 or enforcement activities and may disclose education
21 records with each other for those activities relating to
22 any early learning through postsecondary program. The
23 State Education Authorities may disclose student
24 information to authorized officials of a student's former
25 early learning program, school, or school district to
26 assist with the evaluation of federal or State-supported

1 education programs.

2 (e) In establishing, operating, and expanding the
3 longitudinal data system, the State Education Authorities
4 shall convene stakeholders and create opportunities for input
5 and advice in the areas of data ownership, data use, research
6 priorities, data management, confidentiality, data access, and
7 reporting from the system. Such stakeholders include, but are
8 not limited to, public and non-public institutions of higher
9 learning, school districts, charter schools, non-public
10 elementary and secondary schools, early learning programs,
11 teachers, professors, parents, principals and administrators,
12 school research consortiums, education policy and advocacy
13 organizations, news media, the Illinois Student Assistance
14 Commission, the Illinois Education Research Council, the
15 Department of Commerce and Economic Opportunity, the Illinois
16 Early Learning Council, and the Commission on Government
17 Forecasting and Accountability ~~Legislative Research Unit~~.

18 (f) Representatives of the State Education Authorities
19 shall report to and advise the Illinois P-20 Council on the
20 implementation, operation, and expansion of the longitudinal
21 data system.

22 (g) Appropriations made to the State Education Authorities
23 for the purposes of this Act shall be used exclusively for
24 expenses for the development and operation of the longitudinal
25 data system. Authorized expenses of the State Education
26 Authorities may relate to contracts with outside vendors for

1 the development and operation of the system, agreements with
2 other governmental entities or research organizations for
3 authorized uses and functions of the system, technical support
4 and training for entities submitting data to the system, or
5 regular or contractual employees necessary for the system's
6 development or operation.

1 changing Sections 5-5, 5-5.8, and 12-5 as follows:

2 (305 ILCS 5/5-5) (from Ch. 23, par. 5-5)

3 Sec. 5-5. Medical services. The Illinois Department, by
4 rule, shall determine the quantity and quality of and the rate
5 of reimbursement for the medical assistance for which payment
6 will be authorized, and the medical services to be provided,
7 which may include all or part of the following: (1) inpatient
8 hospital services; (2) outpatient hospital services; (3) other
9 laboratory and X-ray services; (4) skilled nursing home
10 services; (5) physicians' services whether furnished in the
11 office, the patient's home, a hospital, a skilled nursing home,
12 or elsewhere; (6) medical care, or any other type of remedial
13 care furnished by licensed practitioners; (7) home health care
14 services; (8) private duty nursing service; (9) clinic
15 services; (10) dental services, including prevention and
16 treatment of periodontal disease and dental caries disease for
17 pregnant women, provided by an individual licensed to practice
18 dentistry or dental surgery; for purposes of this item (10),
19 "dental services" means diagnostic, preventive, or corrective
20 procedures provided by or under the supervision of a dentist in
21 the practice of his or her profession; (11) physical therapy
22 and related services; (12) prescribed drugs, dentures, and
23 prosthetic devices; and eyeglasses prescribed by a physician
24 skilled in the diseases of the eye, or by an optometrist,
25 whichever the person may select; (13) other diagnostic,

1 screening, preventive, and rehabilitative services, including
2 to ensure that the individual's need for intervention or
3 treatment of mental disorders or substance use disorders or
4 co-occurring mental health and substance use disorders is
5 determined using a uniform screening, assessment, and
6 evaluation process inclusive of criteria, for children and
7 adults; for purposes of this item (13), a uniform screening,
8 assessment, and evaluation process refers to a process that
9 includes an appropriate evaluation and, as warranted, a
10 referral; "uniform" does not mean the use of a singular
11 instrument, tool, or process that all must utilize; (14)
12 transportation and such other expenses as may be necessary;
13 (15) medical treatment of sexual assault survivors, as defined
14 in Section 1a of the Sexual Assault Survivors Emergency

18 arising from the sexual assault; (16) the diagnosis and
19 treatment of sickle cell anemia; and (17) any other medical
20 care, and any other type of remedial care recognized under the
21 laws of this State. The term "any other type of remedial care"
22 shall include nursing care and nursing home service for persons
23 who rely on treatment by spiritual means alone through prayer
24 for healing.

25 Notwithstanding any other provision of this Section, a
26 comprehensive tobacco use cessation program that includes

1 purchasing prescription drugs or prescription medical devices
2 approved by the Food and Drug Administration shall be covered
3 under the medical assistance program under this Article for
4 persons who are otherwise eligible for assistance under this
5 Article.

6 Notwithstanding any other provision of this Code,
7 reproductive health care that is otherwise legal in Illinois
8 shall be covered under the medical assistance program for
9 persons who are otherwise eligible for medical assistance under
10 this Article.

11 Notwithstanding any other provision of this Code, the
12 Illinois Department may not require, as a condition of payment
13 for any laboratory test authorized under this Article, that a
14 physician's handwritten signature appear on the laboratory
15 test order form. The Illinois Department may, however, impose
16 other appropriate requirements regarding laboratory test order
17 documentation.

18 Upon receipt of federal approval of an amendment to the
19 Illinois Title XIX State Plan for this purpose, the Department
20 shall authorize the Chicago Public Schools (CPS) to procure a
21 vendor or vendors to manufacture eyeglasses for individuals
22 enrolled in a school within the CPS system. CPS shall ensure
23 that its vendor or vendors are enrolled as providers in the
24 medical assistance program and in any capitated Medicaid
25 managed care entity (MCE) serving individuals enrolled in a
26 school within the CPS system. Under any contract procured under

1 this provision, the vendor or vendors must serve only
2 individuals enrolled in a school within the CPS system. Claims
3 for services provided by CPS's vendor or vendors to recipients
4 of benefits in the medical assistance program under this Code,
5 the Children's Health Insurance Program, or the Covering ALL
6 KIDS Health Insurance Program shall be submitted to the
7 Department or the MCE in which the individual is enrolled for
8 payment and shall be reimbursed at the Department's or the
9 MCE's established rates or rate methodologies for eyeglasses.

10 On and after July 1, 2012, the Department of Healthcare and
11 Family Services may provide the following services to persons
12 eligible for assistance under this Article who are
13 participating in education, training or employment programs
14 operated by the Department of Human Services as successor to
15 the Department of Public Aid:

16 (1) dental services provided by or under the
17 supervision of a dentist; and

18 (2) eyeglasses prescribed by a physician skilled in the
19 diseases of the eye, or by an optometrist, whichever the
20 person may select.

21 On and after July 1, 2018, the Department of Healthcare and
22 Family Services shall provide dental services to any adult who
23 is otherwise eligible for assistance under the medical
24 assistance program. As used in this paragraph, "dental
25 services" means diagnostic, preventative, restorative, or
26 corrective procedures, including procedures and services for

1 the prevention and treatment of periodontal disease and dental
2 caries disease, provided by an individual who is licensed to
3 practice dentistry or dental surgery or who is under the
4 supervision of a dentist in the practice of his or her
5 profession.

6 On and after July 1, 2018, targeted dental services, as set
7 forth in Exhibit D of the Consent Decree entered by the United
8 States District Court for the Northern District of Illinois,
9 Eastern Division, in the matter of Memisovski v. Maram, Case
10 No. 92 C 1982, that are provided to adults under the medical
11 assistance program shall be established at no less than the
12 rates set forth in the "New Rate" column in Exhibit D of the
13 Consent Decree for targeted dental services that are provided
14 to persons under the age of 18 under the medical assistance
15 program.

16 Notwithstanding any other provision of this Code and
17 subject to federal approval, the Department may adopt rules to
18 allow a dentist who is volunteering his or her service at no
19 cost to render dental services through an enrolled
20 not-for-profit health clinic without the dentist personally
21 enrolling as a participating provider in the medical assistance
22 program. A not-for-profit health clinic shall include a public
23 health clinic or Federally Qualified Health Center or other
24 enrolled provider, as determined by the Department, through
25 which dental services covered under this Section are performed.
26 The Department shall establish a process for payment of claims

1 for reimbursement for covered dental services rendered under
2 this provision.

3 The Illinois Department, by rule, may distinguish and
4 classify the medical services to be provided only in accordance
5 with the classes of persons designated in Section 5-2.

6 The Department of Healthcare and Family Services must
7 provide coverage and reimbursement for amino acid-based
8 elemental formulas, regardless of delivery method, for the
9 diagnosis and treatment of (i) eosinophilic disorders and (ii)
10 short bowel syndrome when the prescribing physician has issued
11 a written order stating that the amino acid-based elemental
12 formula is medically necessary.

13 The Illinois Department shall authorize the provision of,
14 and shall authorize payment for, screening by low-dose
15 mammography for the presence of occult breast cancer for women
16 35 years of age or older who are eligible for medical
17 assistance under this Article, as follows:

18 (A) A baseline mammogram for women 35 to 39 years of
19 age.

20 (B) An annual mammogram for women 40 years of age or
21 older.

22 (C) A mammogram at the age and intervals considered
23 medically necessary by the woman's health care provider for
24 women under 40 years of age and having a family history of
25 breast cancer, prior personal history of breast cancer,
26 positive genetic testing, or other risk factors.

1 (D) A comprehensive ultrasound screening and MRI of an
2 entire breast or breasts if a mammogram demonstrates
3 heterogeneous or dense breast tissue, when medically
4 necessary as determined by a physician licensed to practice
5 medicine in all of its branches.

6 (E) A screening MRI when medically necessary, as
7 determined by a physician licensed to practice medicine in
8 all of its branches.

9 All screenings shall include a physical breast exam,
10 instruction on self-examination and information regarding the
11 frequency of self-examination and its value as a preventative
12 tool. For purposes of this Section, "low-dose mammography"
13 means the x-ray examination of the breast using equipment
14 dedicated specifically for mammography, including the x-ray
15 tube, filter, compression device, and image receptor, with an
16 average radiation exposure delivery of less than one rad per
17 breast for 2 views of an average size breast. The term also
18 includes digital mammography and includes breast
19 tomosynthesis. As used in this Section, the term "breast
20 tomosynthesis" means a radiologic procedure that involves the
21 acquisition of projection images over the stationary breast to
22 produce cross-sectional digital three-dimensional images of
23 the breast. If, at any time, the Secretary of the United States
24 Department of Health and Human Services, or its successor
25 agency, promulgates rules or regulations to be published in the
26 Federal Register or publishes a comment in the Federal Register

1 or issues an opinion, guidance, or other action that would
2 require the State, pursuant to any provision of the Patient
3 Protection and Affordable Care Act (Public Law 111-148),
4 including, but not limited to, 42 U.S.C. 18031(d)(3)(B) or any
5 successor provision, to defray the cost of any coverage for
6 breast tomosynthesis outlined in this paragraph, then the
7 requirement that an insurer cover breast tomosynthesis is
8 inoperative other than any such coverage authorized under
9 Section 1902 of the Social Security Act, 42 U.S.C. 1396a, and
10 the State shall not assume any obligation for the cost of
11 coverage for breast tomosynthesis set forth in this paragraph.

12 On and after January 1, 2016, the Department shall ensure
13 that all networks of care for adult clients of the Department
14 include access to at least one breast imaging Center of Imaging
15 Excellence as certified by the American College of Radiology.

16 On and after January 1, 2012, providers participating in a
17 quality improvement program approved by the Department shall be
18 reimbursed for screening and diagnostic mammography at the same
19 rate as the Medicare program's rates, including the increased
20 reimbursement for digital mammography.

21 The Department shall convene an expert panel including
22 representatives of hospitals, free-standing mammography
23 facilities, and doctors, including radiologists, to establish
24 quality standards for mammography.

25 On and after January 1, 2017, providers participating in a
26 breast cancer treatment quality improvement program approved

1 by the Department shall be reimbursed for breast cancer
2 treatment at a rate that is no lower than 95% of the Medicare
3 program's rates for the data elements included in the breast
4 cancer treatment quality program.

5 The Department shall convene an expert panel, including
6 representatives of hospitals, free-standing ~~free-standing~~
7 breast cancer treatment centers, breast cancer quality
8 organizations, and doctors, including breast surgeons,
9 reconstructive breast surgeons, oncologists, and primary care
10 providers to establish quality standards for breast cancer
11 treatment.

12 Subject to federal approval, the Department shall
13 establish a rate methodology for mammography at federally
14 qualified health centers and other encounter-rate clinics.
15 These clinics or centers may also collaborate with other
16 hospital-based mammography facilities. By January 1, 2016, the
17 Department shall report to the General Assembly on the status
18 of the provision set forth in this paragraph.

19 The Department shall establish a methodology to remind
20 women who are age-appropriate for screening mammography, but
21 who have not received a mammogram within the previous 18
22 months, of the importance and benefit of screening mammography.
23 The Department shall work with experts in breast cancer
24 outreach and patient navigation to optimize these reminders and
25 shall establish a methodology for evaluating their
26 effectiveness and modifying the methodology based on the

1 evaluation.

2 The Department shall establish a performance goal for
3 primary care providers with respect to their female patients
4 over age 40 receiving an annual mammogram. This performance
5 goal shall be used to provide additional reimbursement in the
6 form of a quality performance bonus to primary care providers
7 who meet that goal.

8 The Department shall devise a means of case-managing or
9 patient navigation for beneficiaries diagnosed with breast
10 cancer. This program shall initially operate as a pilot program
11 in areas of the State with the highest incidence of mortality
12 related to breast cancer. At least one pilot program site shall
13 be in the metropolitan Chicago area and at least one site shall
14 be outside the metropolitan Chicago area. On or after July 1,
15 2016, the pilot program shall be expanded to include one site
16 in western Illinois, one site in southern Illinois, one site in
17 central Illinois, and 4 sites within metropolitan Chicago. An
18 evaluation of the pilot program shall be carried out measuring
19 health outcomes and cost of care for those served by the pilot
20 program compared to similarly situated patients who are not
21 served by the pilot program.

22 The Department shall require all networks of care to
23 develop a means either internally or by contract with experts
24 in navigation and community outreach to navigate cancer
25 patients to comprehensive care in a timely fashion. The
26 Department shall require all networks of care to include access

1 for patients diagnosed with cancer to at least one academic
2 commission on cancer-accredited cancer program as an
3 in-network covered benefit.

4 Any medical or health care provider shall immediately
5 recommend, to any pregnant woman who is being provided prenatal
6 services and is suspected of having a substance use disorder as
7 defined in the Substance Use Disorder Act, referral to a local
8 substance use disorder treatment program licensed by the
9 Department of Human Services or to a licensed hospital which
10 provides substance abuse treatment services. The Department of
11 Healthcare and Family Services shall assure coverage for the
12 cost of treatment of the drug abuse or addiction for pregnant
13 recipients in accordance with the Illinois Medicaid Program in
14 conjunction with the Department of Human Services.

15 All medical providers providing medical assistance to
16 pregnant women under this Code shall receive information from
17 the Department on the availability of services under any
18 program providing case management services for addicted women,
19 including information on appropriate referrals for other
20 social services that may be needed by addicted women in
21 addition to treatment for addiction.

22 The Illinois Department, in cooperation with the
23 Departments of Human Services (as successor to the Department
24 of Alcoholism and Substance Abuse) and Public Health, through a
25 public awareness campaign, may provide information concerning
26 treatment for alcoholism and drug abuse and addiction, prenatal

1 health care, and other pertinent programs directed at reducing
2 the number of drug-affected infants born to recipients of
3 medical assistance.

4 Neither the Department of Healthcare and Family Services
5 nor the Department of Human Services shall sanction the
6 recipient solely on the basis of her substance abuse.

7 The Illinois Department shall establish such regulations
8 governing the dispensing of health services under this Article
9 as it shall deem appropriate. The Department should seek the
10 advice of formal professional advisory committees appointed by
11 the Director of the Illinois Department for the purpose of
12 providing regular advice on policy and administrative matters,
13 information dissemination and educational activities for
14 medical and health care providers, and consistency in
15 procedures to the Illinois Department.

16 The Illinois Department may develop and contract with
17 Partnerships of medical providers to arrange medical services
18 for persons eligible under Section 5-2 of this Code.
19 Implementation of this Section may be by demonstration projects
20 in certain geographic areas. The Partnership shall be
21 represented by a sponsor organization. The Department, by rule,
22 shall develop qualifications for sponsors of Partnerships.
23 Nothing in this Section shall be construed to require that the
24 sponsor organization be a medical organization.

25 The sponsor must negotiate formal written contracts with
26 medical providers for physician services, inpatient and

1 outpatient hospital care, home health services, treatment for
2 alcoholism and substance abuse, and other services determined
3 necessary by the Illinois Department by rule for delivery by
4 Partnerships. Physician services must include prenatal and
5 obstetrical care. The Illinois Department shall reimburse
6 medical services delivered by Partnership providers to clients
7 in target areas according to provisions of this Article and the
8 Illinois Health Finance Reform Act, except that:

9 (1) Physicians participating in a Partnership and
10 providing certain services, which shall be determined by
11 the Illinois Department, to persons in areas covered by the
12 Partnership may receive an additional surcharge for such
13 services.

14 (2) The Department may elect to consider and negotiate
15 financial incentives to encourage the development of
16 Partnerships and the efficient delivery of medical care.

17 (3) Persons receiving medical services through
18 Partnerships may receive medical and case management
19 services above the level usually offered through the
20 medical assistance program.

21 Medical providers shall be required to meet certain
22 qualifications to participate in Partnerships to ensure the
23 delivery of high quality medical services. These
24 qualifications shall be determined by rule of the Illinois
25 Department and may be higher than qualifications for
26 participation in the medical assistance program. Partnership

1 sponsors may prescribe reasonable additional qualifications
2 for participation by medical providers, only with the prior
3 written approval of the Illinois Department.

4 Nothing in this Section shall limit the free choice of
5 practitioners, hospitals, and other providers of medical
6 services by clients. In order to ensure patient freedom of
7 choice, the Illinois Department shall immediately promulgate
8 all rules and take all other necessary actions so that provided
9 services may be accessed from therapeutically certified
10 optometrists to the full extent of the Illinois Optometric
11 Practice Act of 1987 without discriminating between service
12 providers.

13 The Department shall apply for a waiver from the United
14 States Health Care Financing Administration to allow for the
15 implementation of Partnerships under this Section.

16 The Illinois Department shall require health care
17 providers to maintain records that document the medical care
18 and services provided to recipients of Medical Assistance under
19 this Article. Such records must be retained for a period of not
20 less than 6 years from the date of service or as provided by
21 applicable State law, whichever period is longer, except that
22 if an audit is initiated within the required retention period
23 then the records must be retained until the audit is completed
24 and every exception is resolved. The Illinois Department shall
25 require health care providers to make available, when
26 authorized by the patient, in writing, the medical records in a

1 timely fashion to other health care providers who are treating
2 or serving persons eligible for Medical Assistance under this
3 Article. All dispensers of medical services shall be required
4 to maintain and retain business and professional records
5 sufficient to fully and accurately document the nature, scope,
6 details and receipt of the health care provided to persons
7 eligible for medical assistance under this Code, in accordance
8 with regulations promulgated by the Illinois Department. The
9 rules and regulations shall require that proof of the receipt
10 of prescription drugs, dentures, prosthetic devices and
11 eyeglasses by eligible persons under this Section accompany
12 each claim for reimbursement submitted by the dispenser of such
13 medical services. No such claims for reimbursement shall be
14 approved for payment by the Illinois Department without such
15 proof of receipt, unless the Illinois Department shall have put
16 into effect and shall be operating a system of post-payment
17 audit and review which shall, on a sampling basis, be deemed
18 adequate by the Illinois Department to assure that such drugs,
19 dentures, prosthetic devices and eyeglasses for which payment
20 is being made are actually being received by eligible
21 recipients. Within 90 days after September 16, 1984 (the
22 effective date of Public Act 83-1439), the Illinois Department
23 shall establish a current list of acquisition costs for all
24 prosthetic devices and any other items recognized as medical
25 equipment and supplies reimbursable under this Article and
26 shall update such list on a quarterly basis, except that the

1 acquisition costs of all prescription drugs shall be updated no
2 less frequently than every 30 days as required by Section
3 5-5.12.

4 Notwithstanding any other law to the contrary, the Illinois
5 Department shall, within 365 days after July 22, 2013 (the
6 effective date of Public Act 98-104), establish procedures to
7 permit skilled care facilities licensed under the Nursing Home
8 Care Act to submit monthly billing claims for reimbursement
9 purposes. Following development of these procedures, the
10 Department shall, by July 1, 2016, test the viability of the
11 new system and implement any necessary operational or
12 structural changes to its information technology platforms in
13 order to allow for the direct acceptance and payment of nursing
14 home claims.

15 Notwithstanding any other law to the contrary, the Illinois
16 Department shall, within 365 days after August 15, 2014 (the
17 effective date of Public Act 98-963), establish procedures to
18 permit ID/DD facilities licensed under the ID/DD Community Care
19 Act and MC/DD facilities licensed under the MC/DD Act to submit
20 monthly billing claims for reimbursement purposes. Following
21 development of these procedures, the Department shall have an
22 additional 365 days to test the viability of the new system and
23 to ensure that any necessary operational or structural changes
24 to its information technology platforms are implemented.

25 The Illinois Department shall require all dispensers of
26 medical services, other than an individual practitioner or

1 group of practitioners, desiring to participate in the Medical
2 Assistance program established under this Article to disclose
3 all financial, beneficial, ownership, equity, surety or other
4 interests in any and all firms, corporations, partnerships,
5 associations, business enterprises, joint ventures, agencies,
6 institutions or other legal entities providing any form of
7 health care services in this State under this Article.

8 The Illinois Department may require that all dispensers of
9 medical services desiring to participate in the medical
10 assistance program established under this Article disclose,
11 under such terms and conditions as the Illinois Department may
12 by rule establish, all inquiries from clients and attorneys
13 regarding medical bills paid by the Illinois Department, which
14 inquiries could indicate potential existence of claims or liens
15 for the Illinois Department.

16 Enrollment of a vendor shall be subject to a provisional
17 period and shall be conditional for one year. During the period
18 of conditional enrollment, the Department may terminate the
19 vendor's eligibility to participate in, or may disenroll the
20 vendor from, the medical assistance program without cause.
21 Unless otherwise specified, such termination of eligibility or
22 disenrollment is not subject to the Department's hearing
23 process. However, a disenrolled vendor may reapply without
24 penalty.

25 The Department has the discretion to limit the conditional
26 enrollment period for vendors based upon category of risk of

1 the vendor.

2 Prior to enrollment and during the conditional enrollment
3 period in the medical assistance program, all vendors shall be
4 subject to enhanced oversight, screening, and review based on
5 the risk of fraud, waste, and abuse that is posed by the
6 category of risk of the vendor. The Illinois Department shall
7 establish the procedures for oversight, screening, and review,
8 which may include, but need not be limited to: criminal and
9 financial background checks; fingerprinting; license,
10 certification, and authorization verifications; unscheduled or
11 unannounced site visits; database checks; prepayment audit
12 reviews; audits; payment caps; payment suspensions; and other
13 screening as required by federal or State law.

14 The Department shall define or specify the following: (i)
15 by provider notice, the "category of risk of the vendor" for
16 each type of vendor, which shall take into account the level of
17 screening applicable to a particular category of vendor under
18 federal law and regulations; (ii) by rule or provider notice,
19 the maximum length of the conditional enrollment period for
20 each category of risk of the vendor; and (iii) by rule, the
21 hearing rights, if any, afforded to a vendor in each category
22 of risk of the vendor that is terminated or disenrolled during
23 the conditional enrollment period.

24 To be eligible for payment consideration, a vendor's
25 payment claim or bill, either as an initial claim or as a
26 resubmitted claim following prior rejection, must be received

1 by the Illinois Department, or its fiscal intermediary, no
2 later than 180 days after the latest date on the claim on which
3 medical goods or services were provided, with the following
4 exceptions:

5 (1) In the case of a provider whose enrollment is in
6 process by the Illinois Department, the 180-day period
7 shall not begin until the date on the written notice from
8 the Illinois Department that the provider enrollment is
9 complete.

10 (2) In the case of errors attributable to the Illinois
11 Department or any of its claims processing intermediaries
12 which result in an inability to receive, process, or
13 adjudicate a claim, the 180-day period shall not begin
14 until the provider has been notified of the error.

15 (3) In the case of a provider for whom the Illinois
16 Department initiates the monthly billing process.

17 (4) In the case of a provider operated by a unit of
18 local government with a population exceeding 3,000,000
19 when local government funds finance federal participation
20 for claims payments.

21 For claims for services rendered during a period for which
22 a recipient received retroactive eligibility, claims must be
23 filed within 180 days after the Department determines the
24 applicant is eligible. For claims for which the Illinois
25 Department is not the primary payer, claims must be submitted
26 to the Illinois Department within 180 days after the final

1 adjudication by the primary payer.

2 In the case of long term care facilities, within 45
3 calendar days of receipt by the facility of required
4 prescreening information, new admissions with associated
5 admission documents shall be submitted through the Medical
6 Electronic Data Interchange (MEDI) or the Recipient
7 Eligibility Verification (REV) System or shall be submitted
8 directly to the Department of Human Services using required
9 admission forms. Effective September 1, 2014, admission
10 documents, including all prescreening information, must be
11 submitted through MEDI or REV. Confirmation numbers assigned to
12 an accepted transaction shall be retained by a facility to
13 verify timely submittal. Once an admission transaction has been
14 completed, all resubmitted claims following prior rejection
15 are subject to receipt no later than 180 days after the
16 admission transaction has been completed.

17 Claims that are not submitted and received in compliance
18 with the foregoing requirements shall not be eligible for
19 payment under the medical assistance program, and the State
20 shall have no liability for payment of those claims.

21 To the extent consistent with applicable information and
22 privacy, security, and disclosure laws, State and federal
23 agencies and departments shall provide the Illinois Department
24 access to confidential and other information and data necessary
25 to perform eligibility and payment verifications and other
26 Illinois Department functions. This includes, but is not

1 limited to: information pertaining to licensure;
2 certification; earnings; immigration status; citizenship; wage
3 reporting; unearned and earned income; pension income;
4 employment; supplemental security income; social security
5 numbers; National Provider Identifier (NPI) numbers; the
6 National Practitioner Data Bank (NPDB); program and agency
7 exclusions; taxpayer identification numbers; tax delinquency;
8 corporate information; and death records.

9 The Illinois Department shall enter into agreements with
10 State agencies and departments, and is authorized to enter into
11 agreements with federal agencies and departments, under which
12 such agencies and departments shall share data necessary for
13 medical assistance program integrity functions and oversight.
14 The Illinois Department shall develop, in cooperation with
15 other State departments and agencies, and in compliance with
16 applicable federal laws and regulations, appropriate and
17 effective methods to share such data. At a minimum, and to the
18 extent necessary to provide data sharing, the Illinois
19 Department shall enter into agreements with State agencies and
20 departments, and is authorized to enter into agreements with
21 federal agencies and departments, including but not limited to:
22 the Secretary of State; the Department of Revenue; the
23 Department of Public Health; the Department of Human Services;
24 and the Department of Financial and Professional Regulation.

25 Beginning in fiscal year 2013, the Illinois Department
26 shall set forth a request for information to identify the

1 benefits of a pre-payment, post-adjudication, and post-edit
2 claims system with the goals of streamlining claims processing
3 and provider reimbursement, reducing the number of pending or
4 rejected claims, and helping to ensure a more transparent
5 adjudication process through the utilization of: (i) provider
6 data verification and provider screening technology; and (ii)
7 clinical code editing; and (iii) pre-pay, pre- or
8 post-adjudicated predictive modeling with an integrated case
9 management system with link analysis. Such a request for
10 information shall not be considered as a request for proposal
11 or as an obligation on the part of the Illinois Department to
12 take any action or acquire any products or services.

13 The Illinois Department shall establish policies,
14 procedures, standards and criteria by rule for the acquisition,
15 repair and replacement of orthotic and prosthetic devices and
16 durable medical equipment. Such rules shall provide, but not be
17 limited to, the following services: (1) immediate repair or
18 replacement of such devices by recipients; and (2) rental,
19 lease, purchase or lease-purchase of durable medical equipment
20 in a cost-effective manner, taking into consideration the
21 recipient's medical prognosis, the extent of the recipient's
22 needs, and the requirements and costs for maintaining such
23 equipment. Subject to prior approval, such rules shall enable a
24 recipient to temporarily acquire and use alternative or
25 substitute devices or equipment pending repairs or
26 replacements of any device or equipment previously authorized

1 for such recipient by the Department. Notwithstanding any
2 provision of Section 5-5f to the contrary, the Department may,
3 by rule, exempt certain replacement wheelchair parts from prior
4 approval and, for wheelchairs, wheelchair parts, wheelchair
5 accessories, and related seating and positioning items,
6 determine the wholesale price by methods other than actual
7 acquisition costs.

8 The Department shall require, by rule, all providers of
9 durable medical equipment to be accredited by an accreditation
10 organization approved by the federal Centers for Medicare and
11 Medicaid Services and recognized by the Department in order to
12 bill the Department for providing durable medical equipment to
13 recipients. No later than 15 months after the effective date of
14 the rule adopted pursuant to this paragraph, all providers must
15 meet the accreditation requirement.

16 In order to promote environmental responsibility, meet the
17 needs of recipients and enrollees, and achieve significant cost
18 savings, the Department, or a managed care organization under
19 contract with the Department, may provide recipients or managed
20 care enrollees who have a prescription or Certificate of
21 Medical Necessity access to refurbished durable medical
22 equipment under this Section (excluding prosthetic and
23 orthotic devices as defined in the Orthotics, Prosthetics, and
24 Pedorthics Practice Act and complex rehabilitation technology
25 products and associated services) through the State's
26 assistive technology program's reutilization program, using

1 staff with the Assistive Technology Professional (ATP)
2 Certification if the refurbished durable medical equipment:
3 (i) is available; (ii) is less expensive, including shipping
4 costs, than new durable medical equipment of the same type;
5 (iii) is able to withstand at least 3 years of use; (iv) is
6 cleaned, disinfected, sterilized, and safe in accordance with
7 federal Food and Drug Administration regulations and guidance
8 governing the reprocessing of medical devices in health care
9 settings; and (v) equally meets the needs of the recipient or
10 enrollee. The reutilization program shall confirm that the
11 recipient or enrollee is not already in receipt of same or
12 similar equipment from another service provider, and that the
13 refurbished durable medical equipment equally meets the needs
14 of the recipient or enrollee. Nothing in this paragraph shall
15 be construed to limit recipient or enrollee choice to obtain
16 new durable medical equipment or place any additional prior
17 authorization conditions on enrollees of managed care
18 organizations.

19 The Department shall execute, relative to the nursing home
20 prescreening project, written inter-agency agreements with the
21 Department of Human Services and the Department on Aging, to
22 effect the following: (i) intake procedures and common
23 eligibility criteria for those persons who are receiving
24 non-institutional services; and (ii) the establishment and
25 development of non-institutional services in areas of the State
26 where they are not currently available or are undeveloped; and

1 (iii) notwithstanding any other provision of law, subject to
2 federal approval, on and after July 1, 2012, an increase in the
3 determination of need (DON) scores from 29 to 37 for applicants
4 for institutional and home and community-based long term care;
5 if and only if federal approval is not granted, the Department
6 may, in conjunction with other affected agencies, implement
7 utilization controls or changes in benefit packages to
8 effectuate a similar savings amount for this population; and
9 (iv) no later than July 1, 2013, minimum level of care
10 eligibility criteria for institutional and home and
11 community-based long term care; and (v) no later than October
12 1, 2013, establish procedures to permit long term care
13 providers access to eligibility scores for individuals with an
14 admission date who are seeking or receiving services from the
15 long term care provider. In order to select the minimum level
16 of care eligibility criteria, the Governor shall establish a
17 workgroup that includes affected agency representatives and
18 stakeholders representing the institutional and home and
19 community-based long term care interests. This Section shall
20 not restrict the Department from implementing lower level of
21 care eligibility criteria for community-based services in
22 circumstances where federal approval has been granted.

23 The Illinois Department shall develop and operate, in
24 cooperation with other State Departments and agencies and in
25 compliance with applicable federal laws and regulations,
26 appropriate and effective systems of health care evaluation and

1 programs for monitoring of utilization of health care services
2 and facilities, as it affects persons eligible for medical
3 assistance under this Code.

4 The Illinois Department shall report annually to the
5 General Assembly, no later than the second Friday in April of
6 1979 and each year thereafter, in regard to:

7 (a) actual statistics and trends in utilization of
8 medical services by public aid recipients;

9 (b) actual statistics and trends in the provision of
10 the various medical services by medical vendors;

11 (c) current rate structures and proposed changes in
12 those rate structures for the various medical vendors; and

13 (d) efforts at utilization review and control by the
14 Illinois Department.

15 The period covered by each report shall be the 3 years
16 ending on the June 30 prior to the report. The report shall
17 include suggested legislation for consideration by the General
18 Assembly. The requirement for reporting to the General Assembly
19 shall be satisfied by filing copies of the report as required
20 by Section 3.1 of the General Assembly Organization Act, and
21 filing ~~The filing of one copy of the report with the Speaker,~~
22 ~~one copy with the Minority Leader and one copy with the Clerk~~
23 ~~of the House of Representatives, one copy with the President,~~
24 ~~one copy with the Minority Leader and one copy with the~~
25 ~~Secretary of the Senate, one copy with the Legislative Research~~
26 ~~Unit, and~~ such additional copies with the State Government

1 Report Distribution Center for the General Assembly as is
2 required under paragraph (t) of Section 7 of the State Library
3 Act ~~shall be deemed sufficient to comply with this Section.~~

4 Rulemaking authority to implement Public Act 95-1045, if
5 any, is conditioned on the rules being adopted in accordance
6 with all provisions of the Illinois Administrative Procedure
7 Act and all rules and procedures of the Joint Committee on
8 Administrative Rules; any purported rule not so adopted, for
9 whatever reason, is unauthorized.

10 On and after July 1, 2012, the Department shall reduce any
11 rate of reimbursement for services or other payments or alter
12 any methodologies authorized by this Code to reduce any rate of
13 reimbursement for services or other payments in accordance with
14 Section 5-5e.

15 Because kidney transplantation can be an appropriate,
16 cost-effective ~~cost-effective~~ alternative to renal dialysis
17 when medically necessary and notwithstanding the provisions of
18 Section 1-11 of this Code, beginning October 1, 2014, the
19 Department shall cover kidney transplantation for noncitizens
20 with end-stage renal disease who are not eligible for
21 comprehensive medical benefits, who meet the residency
22 requirements of Section 5-3 of this Code, and who would
23 otherwise meet the financial requirements of the appropriate
24 class of eligible persons under Section 5-2 of this Code. To
25 qualify for coverage of kidney transplantation, such person
26 must be receiving emergency renal dialysis services covered by

1 the Department. Providers under this Section shall be prior
2 approved and certified by the Department to perform kidney
3 transplantation and the services under this Section shall be
4 limited to services associated with kidney transplantation.

5 Notwithstanding any other provision of this Code to the
6 contrary, on or after July 1, 2015, all FDA approved forms of
7 medication assisted treatment prescribed for the treatment of
8 alcohol dependence or treatment of opioid dependence shall be
9 covered under both fee for service and managed care medical
10 assistance programs for persons who are otherwise eligible for
11 medical assistance under this Article and shall not be subject
12 to any (1) utilization control, other than those established
13 under the American Society of Addiction Medicine patient
14 placement criteria, (2) prior authorization mandate, or (3)
15 lifetime restriction limit mandate.

16 On or after July 1, 2015, opioid antagonists prescribed for
17 the treatment of an opioid overdose, including the medication
18 product, administration devices, and any pharmacy fees related
19 to the dispensing and administration of the opioid antagonist,
20 shall be covered under the medical assistance program for
21 persons who are otherwise eligible for medical assistance under
22 this Article. As used in this Section, "opioid antagonist"
23 means a drug that binds to opioid receptors and blocks or
24 inhibits the effect of opioids acting on those receptors,
25 including, but not limited to, naloxone hydrochloride or any
26 other similarly acting drug approved by the U.S. Food and Drug

1 Administration.

2 Upon federal approval, the Department shall provide
3 coverage and reimbursement for all drugs that are approved for
4 marketing by the federal Food and Drug Administration and that
5 are recommended by the federal Public Health Service or the
6 United States Centers for Disease Control and Prevention for
7 pre-exposure prophylaxis and related pre-exposure prophylaxis
8 services, including, but not limited to, HIV and sexually
9 transmitted infection screening, treatment for sexually
10 transmitted infections, medical monitoring, assorted labs, and
11 counseling to reduce the likelihood of HIV infection among
12 individuals who are not infected with HIV but who are at high
13 risk of HIV infection.

14 A federally qualified health center, as defined in Section
15 1905(1)(2)(B) of the federal Social Security Act, shall be
16 reimbursed by the Department in accordance with the federally
17 qualified health center's encounter rate for services provided
18 to medical assistance recipients that are performed by a dental
19 hygienist, as defined under the Illinois Dental Practice Act,
20 working under the general supervision of a dentist and employed
21 by a federally qualified health center.

22 Notwithstanding any other provision of this Code, the
23 Illinois Department shall authorize licensed dietitian
24 nutritionists and certified diabetes educators to counsel
