1           For a tasting representative  
 2                   license.....                   200           300

3           Fees collected under this Section shall be paid into the  
 4           Dram Shop Fund. On and after July 1, 2003 and until June 30,  
 5           2016, of the funds received for a retailer's license, in  
 6           addition to the first \$175, an additional \$75 shall be paid  
 7           into the Dram Shop Fund, and \$250 shall be paid into the  
 8           General Revenue Fund. On and after June 30, 2016, one-half of  
 9           the funds received for a retailer's license shall be paid into  
 10          the Dram Shop Fund and one-half of the funds received for a  
 11          retailer's license shall be paid into the General Revenue Fund.  
 12          Beginning June 30, 1990 and on June 30 of each subsequent year  
 13          through June 29, 2003, any balance over \$5,000,000 remaining in  
 14          the Dram Shop Fund shall be credited to State liquor licensees  
 15          and applied against their fees for State liquor licenses for  
 16          the following year. The amount credited to each licensee shall  
 17          be a proportion of the balance in the Dram Fund that is the  
 18          same as the proportion of the license fee paid by the licensee  
 19          under this Section for the period in which the balance was  
 20          accumulated to the aggregate fees paid by all licensees during  
 21          that period.

22          No fee shall be paid for licenses issued by the State  
 23          Commission to the following non-beverage users:

- 24               (a) Hospitals, sanitariums, or clinics when their use
- 25               of alcoholic liquor is exclusively medicinal, mechanical
- 26               or scientific.

1           (b) Universities, colleges of learning or schools when  
2           their use of alcoholic liquor is exclusively medicinal,  
3           mechanical or scientific.

4           (c) Laboratories when their use is exclusively for the  
5           purpose of scientific research.
