2 **Be it enacted by the People of the State of Illinois,**

4 Section 5. The Toll Highway Act is amended by changing
5 Section 19 as follows:

6 (605 ILCS 10/19) (from Ch. 121, par. 100-19)

7 Sec. 19. The Authority shall fix and revise from time to
8 time, tolls or charges or rates for the privilege of using each
9 of the toll highways constructed pursuant to this Act. Such
10 tolls shall be so fixed and adjusted at rates calculated to
11 provide the lowest reasonable toll rates that will provide
12 funds sufficient with other revenues of the Authority to pay,
13 (a) the cost of the construction of a toll highway authorized
14 by joint resolution of the General Assembly pursuant to Section
15 14.1 and the reconstruction, major repairs or improvements of
16 toll highways, (b) the cost of maintaining, repairing,
17 regulating and operating the toll highways including only the
18 necessary expenses of the Authority, and (c) the principal of
19 all bonds, interest thereon and all sinking fund requirements
20 and other requirements provided by resolutions authorizing the
21 issuance of the bonds as they shall become due. In fixing the
22 toll rates pursuant to this Section 19 and Section 10(c) of
23 this Act, the Authority shall take into account the effect of

1 the provisions of this Section 19 permitting the use of the
2 toll highway system without payment of the covenants of the
3 Authority contained in the resolutions and trust indentures
4 authorizing the issuance of bonds of the Authority. No such
5 provision permitting the use of the toll highway system without
6 payment of tolls after the date of this amendatory Act of the
7 95th General Assembly shall be applied in a manner that impairs
8 the rights of bondholders pursuant to any resolution or trust
9 indentures authorizing the issuance of bonds of the Authority.
10 The use and disposition of any sinking or reserve fund shall be
11 subject to such regulation as may be provided in the resolution
12 or trust indenture authorizing the issuance of the bonds.
13 Subject to the provisions of any resolution or trust indenture
14 authorizing the issuance of bonds any moneys in any such
15 sinking fund in excess of an amount equal to one year's
16 interest on the bonds then outstanding secured by such sinking
17 fund may be applied to the purchase or redemption of bonds. All
18 such bonds so redeemed or purchased shall forthwith be
19 cancelled and shall not again be issued. No person shall be
20 permitted to use any toll highway without paying the toll
21 established under this Section except: (i) when on official
22 Toll Highway Authority business which includes police and other
23 emergency vehicles; or (ii) for a vehicle displaying a Purple
24 Heart special registration license plate issued under Section
25 3-623 of the Illinois Vehicle Code, on August 7 of each year,
26 the designated Purple Heart Day. However, any law enforcement

1 agency vehicle, fire department vehicle, public or private
2 ambulance service vehicle engaged in the performance of an
3 emergency service or duty that necessitates the use of the toll
4 highway system, or other emergency vehicle that is plainly
5 marked shall not be required to pay a toll to use a toll
6 highway. A law enforcement, fire protection, or emergency
7 services officer driving a law enforcement, fire protection,
8 emergency services agency vehicle, or public or private
9 ambulance service vehicle engaging in the performance of
10 emergency services or duties that is not plainly marked must
11 present an Official Permit Card which the law enforcement, fire
12 protection, or emergency services officer receives from his or
13 her law enforcement, fire protection, emergency services
14 agency, or public or private ambulance service in order to use
15 a toll highway without paying the toll. A law enforcement, fire
16 protection, emergency services agency, or public or private
17 ambulance service engaging in the performance of emergency
18 services or duties must apply to the Authority to receive a
19 permit, and the Authority shall adopt rules for the issuance of
20 a permit, that allows public or private ambulance service
21 vehicles engaged in the performance of emergency services or
22 duties that necessitate the use of the toll highway system and
23 all law enforcement, fire protection, or emergency services
24 agency vehicles of the law enforcement, fire protection, or
25 emergency services agency to use any toll highway without
26 paying the toll established under this Section. The Authority

1 shall maintain in its office a list of all persons that are
2 authorized to use any toll highway without charge when on
3 official business of the Authority and such list shall be open
4 to the public for inspection. In recognition of the unique role
5 of the Suburban Bus Division of the Regional Transportation
6 Authority in providing effective transportation in the
7 Authority's service region and to give effect to the exemption
8 set forth in subsection (b) of Section 2.06 of the Regional
9 Transportation Authority Act, a vehicle owned or operated by
10 the Suburban Bus Division of the Regional Transportation
11 Authority that is being used to transport passengers for hire
12 may use any toll highway without paying the toll.

13 Among other matters, this amendatory Act of 1990 is
14 intended to clarify and confirm the prior intent of the General
15 Assembly to allow toll revenues from the toll highway system to
16 be used to pay a portion of the cost of the construction of the
17 North-South Toll Highway authorized by Senate Joint Resolution
18 122 of the 83rd General Assembly in 1984.
