HB5599 Engrossed

1 AN ACT concerning public aid.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

4 Section 5. The Illinois Public Aid Code is amended by 5 changing Section 9A-11 as follows:

6 (305 ILCS 5/9A-11) (from Ch. 23, par. 9A-11)

7 Sec. 9A-11. Child care.

(a) The General Assembly recognizes that families with 8 9 children need child care in order to work. Child care is 10 expensive and families with low incomes, including those who are transitioning from welfare to work, often struggle to pay 11 the costs of day care. The General Assembly understands the 12 13 importance of helping low income working families become and 14 remain self-sufficient. The General Assembly also believes that it is the responsibility of families to share in the costs 15 16 of child care. It is also the preference of the General 17 Assembly that all working poor families should be treated equally, regardless of their welfare status. 18

(b) To the extent resources permit, the Illinois Department shall provide child care services to parents or other relatives as defined by rule who are working or participating in employment or Department approved education or training programs. At a minimum, the Illinois Department shall cover the HB5599 Engrossed - 2 - LRB100 20859 KTG 36356 b

2 (1) recipients of TANF under Article IV participating 3 work and training activities as specified in the in personal plan for employment and self-sufficiency; 4 5 (2) families transitioning from TANF to work; (3) families at risk of becoming recipients of TANF; 6 7 (4) families with special needs as defined by rule; 8 (5) working families with very low incomes as defined 9 by rule; and 10 (6) families that are not recipients of TANF and that

10 (0) families that are not recipients of fAMF and that 11 need child care assistance to participate in education and 12 training activities.

13 The Department shall specify by rule the conditions of 14 eligibility, the application process, and the types, amounts, 15 and duration of services. Eligibility for child care benefits 16 and the amount of child care provided may vary based on family 17 size, income, and other factors as specified by rule.

In determining income eligibility for child care benefits, 18 19 the Department annually, at the beginning of each fiscal year, 20 shall establish, by rule, one income threshold for each family size, in relation to percentage of State median income for a 21 22 family of that size, that makes families with incomes below the 23 specified threshold eliqible for assistance and families with 24 incomes above the specified threshold ineligible for 25 assistance. Through and including fiscal year 2007, the 26 specified threshold must be no less than 50% of the

then-current State median income for each family size. 1 2 Beginning in fiscal year 2008, the specified threshold must be 3 no less than 185% of the then-current federal poverty level for each family size. Notwithstanding any other provision of law or 4 5 administrative rule to the contrary, beginning in fiscal year 2019, the specified threshold for working families with very 6 7 low incomes as defined by rule must be no less than 185% of the 8 then-current federal poverty level for each family size.

9 In determining eligibility for assistance, the Department 10 shall not give preference to any category of recipients or give 11 preference to individuals based on their receipt of benefits 12 under this Code.

Nothing in this Section shall be construed as conferring entitlement status to eligible families.

15 The Illinois Department is authorized to lower income 16 eligibility ceilings, raise parent co-payments, create waiting 17 lists, or take such other actions during a fiscal year as are necessary to ensure that child care benefits paid under this 18 19 Article do not exceed the amounts appropriated for those child 20 care benefits. These changes may be accomplished by emergency rule under Section 5-45 of the Illinois Administrative 21 22 Procedure Act, except that the limitation on the number of 23 emergency rules that may be adopted in a 24-month period shall 24 not apply.

The Illinois Department may contract with other State agencies or child care organizations for the administration of HB5599 Engrossed - 4 - LRB100 20859 KTG 36356 b
