1 AMENDMENT TO SENATE BILL 1531

2 AMENDMENT NO. \_\_\_\_\_. Amend Senate Bill 1531 by replacing  
3 everything after the enacting clause with the following:

4 "Section 1. Short title. This Act may be cited as the  
5 Fantasy Sports Contest Act.

6 Section 5. Legislative intent.

7 (a) The General Assembly hereby finds and declares that:

8 (1) Interactive fantasy sports contests are contests  
9 of skill in which fantasy or simulation teams are selected  
10 based upon the skill and knowledge of the participants and  
11 not based solely on the membership of an actual team.

12 (2) Interactive fantasy sports contests are not wagers  
13 on future contingent events not under the contestants'  
14 control or influence because contestants have control over  
15 which players they choose and the outcome of each contest  
16 is not dependent upon the performance of any one player or

1 any one actual team. The outcome of any interactive fantasy  
2 sports contest does not correspond to the outcome of any  
3 one real-life competitive event. Instead, the outcome  
4 depends on how the performances of participants' fantasy  
5 roster choices compared to the performance of others'  
6 roster choices.

7 (b) Based on the findings in this Section, the General  
8 Assembly declares that interactive fantasy sports contests do  
9 not constitute gambling as defined in Section 28-1 of the  
10 Criminal Code of 2012.

11 (c) The General Assembly further finds that as the Internet  
12 has become an integral part of society, and interactive fantasy  
13 sports contests a major form of entertainment for many  
14 consumers, any interactive fantasy sports enforcement and  
15 regulatory structure must begin from the bedrock premise that  
16 participation in a lawful and licensed interactive fantasy  
17 sports industry is a privilege and not a right, and that  
18 regulatory oversight is intended to safeguard the integrity of  
19 the games and participants and to ensure accountability and the  
20 public trust.

21 Section 10. Definitions. As used in this Act:

4 of any fees paid by those participants;

5 (2) all winning outcomes are determined predominantly  
6 by accumulated statistical results of the performance of  
7 individual athletes in real-world professional athletic  
8 competitions; a professional athletic competition does not  
9 include any amateur or collegiate level sport; and

10 (3) no winning outcome is based on the score, point  
11 spread, or any performance or performances of any single  
12 actual team or combination of such teams or solely on any

14 any single actual event.

8 "Minor" means a person under the age of 21 years.

9 "Permitted sports event" means a professional sport or

13 athletic event, a collegiate sport or athletic event, or a high  
14 school sport or athletic event.

15 Section 15. Applicability. This Act and all rules adopted  
16 under the authority of this Act shall apply only to interactive  
17 fantasy sports contests for which an authorized player pays an  
18 entry fee.

12 Board in the course of its review or investigation of an  
13 application for a license or a renewal under this Act shall be  
14 privileged and strictly confidential and shall be used only for  
15 the purpose of evaluating an applicant for a license or a  
16 renewal. The information, records, interviews, reports,  
17 statements, memoranda, or other data shall not be admissible as  
18 evidence nor discoverable in any action of any kind in any  
19 court or before any tribunal, board, agency, or person, except  
20 for any action deemed necessary by the Board.

21 (f) No person may be licensed as an interactive fantasy  
22 sports operator if that person has been found by the Board to:

25 prior activities, that poses a threat to the public  
26 interests of the State or to the security and integrity of

1 interactive fantasy sports contests;

2 (2) create or enhance the dangers of unsuitable,  
3 unfair, or illegal practices, methods, and activities in  
4 the conduct of interactive fantasy sports contests; or

5 (3) present questionable business practices and  
6 financial arrangements incidental to the conduct of  
7 interactive fantasy sports contests.

8 (g) Any applicant for a license under this Act has the  
9 burden of proving his or her qualifications to the satisfaction  
10 of the Board. The Board may adopt rules to establish additional  
11 qualifications and requirements to preserve the integrity and  
12 security of interactive fantasy sports contests in this State.

13 (h) An interactive fantasy sports operator that has been  
14 operating in Illinois for at least 6 months on December 23,  
15 2015 may operate in Illinois until a final decision is rendered  
16 on the application for an interactive fantasy sports operator  
17 license.

18 (i) The Board, by rule, shall establish a process for  
19 license renewal.

20 (j) The Board shall publish a list of all interactive  
21 fantasy sports operators licensed in this State under this  
22 Section on the Board's website for public use.

23 Section 25. Operators; required safeguards; minimum  
24 standards.

25 (a) As a condition of licensure in this State, each

1 interactive fantasy sports operator shall implement and  
2 maintain commercially reasonable measures to:

3 (1) limit each authorized player to one username and  
4 one account and verify a fantasy sports player's true  
5 identity;

6 (2) prohibit minors from participating in an  
7 interactive fantasy sports contest, including:

8 (A) if the interactive fantasy sports operator  
9 becomes or is made aware that a minor has participated  
10 in one of its interactive fantasy sports contests,  
11 promptly refund any deposit received from the minor,  
12 whether or not the minor has engaged in or attempted to  
13 engage in an interactive fantasy sports contest;  
14 however, any refund may be offset by any prizes already  
15 awarded;

16 (B) publishing and facilitating parental control  
17 procedures to allow parents or guardians to exclude  
18 minors from access to any interactive fantasy sports  
19 contest or interactive fantasy sports platform; and

25 inaccurate or misleading concerning the likelihood of  
26 winning and the number of winners;

1           (4) enable authorized players to restrict themselves  
2 from interactive fantasy sports contests and take  
3 reasonable steps to prevent these players from entering an  
4 interactive fantasy sports contest from which they have  
5 excluded themselves; these restrictions shall include, but  
6 not be limited to: (A) interactive fantasy sports contest  
7 entry limits, (B) limiting play to interactive fantasy  
8 sports contest with entry fees below an established limit,  
9 and (C) self-imposed deposit limits less than allowed under  
10 this Act; interactive fantasy sports operators shall  
11 implement and prominently publish procedures for fantasy  
12 sports players to implement the restrictions; fantasy  
13 sports players shall have the option to adjust these limits  
14 to make them more restrictive of gameplay as often as they  
15 like, but shall not have the option to make limits less  
16 restrictive of gameplay within 90 days after setting the  
17 limits;

18           (5) offer introductory procedures for authorized  
19 players, that shall be prominently displayed on the  
20 interactive fantasy sports operator's interactive fantasy  
21 sports platform, that explain interactive fantasy sports  
22 contest play and how to identify a highly experienced  
23 player;

24           (6) identify all highly experienced players in an  
25 interactive fantasy sports contest by a symbol attached to  
26 the players' user names, or by other easily visible means,

1 on all interactive fantasy sports platforms supported by an  
2 interactive fantasy sports operator;

3 (7) disclose the number of entries a single authorized  
4 player may submit to each interactive fantasy sports  
5 contest;

6 (8) disclose the maximum number of total entries  
7 allowed for each interactive fantasy sports contest;

8 (9) implement measures to comply with all applicable  
9 State and federal requirements for data security,  
10 including, but not limited to, age verification and  
11 location software;

12 (10) offer all authorized players access to his or her  
13 account history and account details;

14 (11) ensure funds in fantasy sports players' accounts  
15 are held in segregated accounts by the interactive fantasy  
16 sports operators for the fantasy sports players that  
17 establish the accounts; interactive fantasy sports  
18 operators shall implement and prominently publish  
19 procedures that:

20 (A) prevent unauthorized withdrawals from fantasy  
21 sports player accounts by interactive fantasy sports  
22 operators or others;

23 (B) prevent commingling of funds in a fantasy  
24 sports player's account with other funds, including,  
25 without limitation, funds of the interactive fantasy  
26 sports operator; fantasy sports player funds shall be

1           segregated from interactive fantasy sports operators'  
2           operational funds and any other funds held by the  
3           interactive fantasy sports operator; and

4           (C) address reporting on complaints by fantasy  
5           sports players that their accounts have been  
6           misallocated, compromised, or otherwise mishandled;

7           (12) provide on the interactive fantasy sports  
8           platform, in a prominent place, information concerning  
9           assistance for compulsive play;

10          (13) prohibit the extension of credit from an  
11          interactive fantasy sports operator to an authorized  
12          player;

13          (14) develop policies to prevent the use of proxy  
14          servers for the purpose of misrepresenting a player's  
15          location in order to engage in interactive fantasy sports  
16          contests; and

17          (15) prevent one fantasy sports player from acting as a  
18          proxy for another.

19          (b) No interactive fantasy sports operator employee,  
20          principal, officer, director, or contractor shall play any  
21          interactive fantasy sports contest offered to the general  
22          public or play in such contest through another person as a  
23          proxy. For the purposes of this subsection (b), a contractor is  
24          limited to a contractor who can access information of an  
25          interactive fantasy sports operator related to the conduct of  
26          an interactive fantasy sports contest that is not available to

1 other fantasy sports players. Interactive fantasy sports  
2 operators shall make these restrictions known to all affected  
3 individuals and corporate entities.

4 (c) No interactive fantasy sports operator employee,  
5 principal, officer, director, or contractor shall disclose  
6 confidential information that may affect interactive fantasy  
7 sports contest gameplay to any person permitted to engage in  
8 interactive fantasy sports contest gameplay. Interactive  
9 fantasy sports operators shall make these restrictions known to  
10 all affected individuals and corporate entities.

11 (d) No interactive fantasy sports operator shall allow a  
12 professional athlete whose individual statistics or  
13 performance may be used to determine any part of the outcome of  
14 any interactive fantasy sports contest to enter interactive  
15 fantasy sports contests in the sports in which he or she  
16 participates. An interactive fantasy sports operator shall  
17 take commercially reasonable efforts to prevent a sports agent,  
18 team employee, referee, or league official associated with any  
19 competition that is the subject of interactive fantasy sports  
20 contests to enter interactive fantasy sports contests in the  
21 sport in which he or she participates, nor shall such athlete,  
22 sports agent, team official, team representative, referee, or  
23 league official play through another person as a proxy.

24 (1) Interactive fantasy sports operators shall take  
25 commercially reasonable efforts to obtain lists of persons  
26 described in this subsection (d) for the purpose of

1 implementing this subsection (d).

2 (2) Interactive fantasy sports operators, upon  
3 learning of a violation of this subsection (d), shall bar  
4 the individual committing the violation from playing in any  
5 interactive fantasy sports contest by suspending the  
6 individual's account and banning the individual from  
7 further play, shall terminate any existing promotional  
8 agreements with the individual, and shall refuse to make  
9 any new promotional agreements that compensate the  
10 individual.

11 (3) Interactive fantasy sports operators shall make  
12 these restrictions known to all affected individuals and  
13 corporate entities.

14 (e) Each interactive fantasy sports operator shall:

15 (1) ensure the value of any prizes and awards offered  
16 to authorized players are established and made known to the  
17 players in advance of the interactive fantasy sports  
18 contest;

19 (2) ensure all winning outcomes reflect the relative  
20 knowledge and skill of the authorized players and are  
21 determined predominantly by accumulated statistical  
22 results of the performance of individuals in permitted  
23 sports events;

24 (3) ensure no winning outcome is based on the score,  
25 point spread, or performance of a single sports team, or a  
26 combination of sports teams;

1           (4) ensure no winning outcome is based solely on a  
2           single performance of an individual athlete in a single  
3           sport or athletic event; and

4           (5) ensure no interactive fantasy sports contest is  
5           based on a prohibited sports event.

6           (f) Interactive fantasy sports operators shall implement  
7           and prominently publish procedures that allow any fantasy  
8           sports player to permanently close an account at any time and  
9           for any reason. The procedures shall allow for cancellation by  
10          any means, including, without limitation, by a fantasy sports  
11          player on any interactive fantasy sports contest used by that  
12          fantasy sports player to make deposits into a fantasy sports  
13          player account. A copy of an interactive fantasy sports  
14          operator's procedures shall be submitted to the Board and any  
15          changes shall be submitted within 30 days.

16          (g) When a fantasy sports player account is closed, the  
17          interactive fantasy sports operator shall refund all funds in  
18          the account no later than 5 business days after submission of  
19          the request or 10 business days after submission of any tax  
20          reporting information required by law, whichever is later,  
21          unless the interactive fantasy sports operator makes a good  
22          faith determination that the fantasy sports player engaged in  
23          fraudulent or other conduct that would constitute a violation  
24          of this Act, rules adopted pursuant to this Act, or the  
25          interactive fantasy sports operator's policies, in which case,  
26          upon notice to the fantasy sports player of that determination,

1 the withdrawal may be held pending a reasonable investigative  
2 period to resolve its investigation. For the purposes of this  
3 subsection (g), a request for withdrawal shall be considered  
4 honored if it is processed by the interactive fantasy sports  
5 operator, but delayed by a payment processor, a credit card  
6 issuer, or the custodian of the financial account.

7 (h) If a prize is awarded to a fantasy sports player with a  
8 closed account, that prize, to the extent it consists of funds,  
9 shall be distributed by the interactive fantasy sports operator  
10 within 5 business days, or 10 business days of submission of  
11 any tax reporting information required by law, unless the  
12 interactive fantasy sports operator makes a good faith  
13 determination that the fantasy sports player engaged in  
14 fraudulent or other conduct that would constitute a violation  
15 of this Act or rules adopted pursuant to this Act. If such  
16 determination is made, then the prize may be withheld, provided  
17 that it is then awarded to another fantasy sports player in the  
18 same interactive fantasy sports contest who would have won the  
19 prize had the fantasy sports player with the closed account not  
20 participated.

21 (i) An interactive fantasy sports operator shall  
22 prominently publish all contractual terms and conditions and  
23 rules of general applicability that affect a fantasy sports  
24 player's account. Presentation of such terms, conditions, and  
25 rules at the time of on boarding a new fantasy sports player  
26 shall not suffice.

1           (j) Interactive fantasy sports operators shall have  
2 prominently published rules that govern when each interactive  
3 fantasy sports contest shall close or lock. Each interactive  
4 fantasy sports contest operator shall also prominently  
5 disclose contest-specific information about the time that the  
6 interactive fantasy sports contest closes or locks in  
7 connection with each interactive fantasy sports contest  
8 offered. An interactive fantasy sports operator shall strictly  
9 enforce all disclosed closing or lock times.

10           (k) Fantasy sports player's deposits shall be limited to no  
11 more than \$1,000 per month. However, an interactive fantasy  
12 sports operator may establish and prominently publish  
13 procedures for temporarily or permanently increasing a fantasy  
14 sports player's deposit limit, at the request of the fantasy  
15 sports player, above \$1,000 per month. Such procedures shall be  
16 submitted to the Board.

17           If established by an interactive fantasy sports operator,  
18 such procedures shall include evaluation of information,  
19 including income or asset information, sufficient to establish  
20 that the fantasy sports player can afford losses that might  
21 result from gameplay at the deposit limit level requested.

22           When a temporary or permanent deposit level limit increase  
23 is approved, the interactive fantasy sports operator's  
24 procedures shall provide for annual re-certification of a  
25 player's financial ability to afford losses.

26           (1) The following entry limits apply:

1           (1) interactive fantasy sports operators shall not  
2 allow players to submit more than one entry in an  
3 interactive fantasy sports contest involving 12 entries or  
4 fewer;

5           (2) interactive fantasy sports operators shall not  
6 allow players to submit more than 2 entries in an  
7 interactive fantasy sports contest involving more than 13  
8 entries but fewer than 36 entries;

9           (3) interactive fantasy sports operators shall not  
10 allow players to submit more than 3 entries in an  
11 interactive fantasy sports contest involving 36 or more  
12 entries but fewer than 101 entries; and

13           (4) interactive fantasy sports operators shall not  
14 allow fantasy sports players to submit more than 3% of all  
15 entries in an interactive fantasy sports contest involving  
16 101 or more entries.

17           An interactive fantasy sports operator may establish  
18 interactive fantasy sports contests, representing less  
19 than 2% of the total number of interactive fantasy sports  
20 contests that the interactive fantasy sports operator  
21 offers, in which there is no restriction on the number of  
22 entries, provided that (i) the interactive fantasy sports  
23 operator clearly discloses that there are no limits on the  
24 number of entries by each player in the interactive fantasy  
25 sports contest and (ii) that the cost of participating in  
26 the interactive fantasy sports contest is \$50 or more per

1 entry.

2 (m) Interactive fantasy sports operators shall not offer an  
3 interactive fantasy sports contest based on a prohibited sports  
4 event.

5 (n) An interactive fantasy sports operator shall not  
6 participate in an interactive fantasy sports contest offered by  
7 the interactive fantasy sports operator.

8 (o) An interactive fantasy sports operator shall not permit  
9 unauthorized scripts to be used on interactive fantasy sports  
10 platforms and shall use commercially reasonable efforts to  
11 monitor for and to prevent use of such scripts.

12 (p) Interactive fantasy sports operators shall develop and  
13 prominently display procedures on the interactive fantasy  
14 sports operator's interactive fantasy sports platform for the  
15 filing of a complaint by the authorized player against the  
16 interactive fantasy sports operator. The interactive fantasy  
17 sports operator shall give an initial response to the player  
18 within 48 hours after the player files the complaint. The  
19 interactive fantasy sports operator shall give a complete  
20 response to the player filing the complaint within 10 business  
21 days after the initial response is issued. An authorized player  
22 may file a complaint alleging a violation of the provisions of  
23 this Act with the Board.

24 (q) An interactive fantasy sports operator shall close any  
25 fantasy player account that is inactive for 2 years and notify  
26 the account holder that the account has been closed by email to

1 the account holder's last known email address. When a fantasy  
2 sports player account is closed due to inactivity, the  
3 interactive fantasy sports operator shall take commercially  
4 reasonable steps to refund all funds in the fantasy sports  
5 player account within 30 days, subject to the receipt of any  
6 tax information required by law. In the event that funds in a  
7 closed fantasy sports player account exceed \$5 and cannot be  
8 refunded and remain unclaimed, the interactive fantasy sports  
9 operator shall provide notice of the existence of funds to the  
10 fantasy sports player. Such notice shall be provided by email  
11 to the account holder's last known email address. In the event  
12 that funds in a closed fantasy sports player account cannot be  
13 refunded and remain unclaimed by the fantasy sports player  
14 after 3 years, such funds shall be paid by the interactive  
15 fantasy sports operator to the Unclaimed Property Trust Fund in  
16 the Office of the State Treasurer. The interactive fantasy  
17 sports operator shall provide notice to the fantasy sports  
18 player's email address at least 60 days prior to paying the  
19 funds to the Unclaimed Property Trust Fund.
