5 Sec. 2-15. Recognition. The State Board shall grant  
6 recognition to community colleges which maintain equipment,  
7 courses of study, standards of scholarship and other  
8 requirements set by the State Board. Application for  
9 recognition shall be made to the State Board. The State Board  
10 shall set the criteria by which the community colleges shall be  
11 judged and through the executive officer of the State Board  
12 shall arrange for an official evaluation of the community  
13 colleges and shall grant recognition of such community colleges  
14 as may meet the required standards.

15 Recognition shall include a review of compliance with  
16 Section 3-65 of this Act ~~Public Act 99-482~~ and other applicable  
17 State and federal laws regarding employment contracts and  
18 compensation. Annually, the State Board shall convene an  
19 advisory committee to review the findings and make  
20 recommendations for changes or additions to the laws or the  
21 review procedures.

22 If a community college district fails to meet the  
23 recognition standards set by the State Board, and if the  
24 district, in accordance with: (a) generally accepted  
25 Government Auditing Standards issued by the Comptroller

1 General of the United States, (b) auditing standards  
2 established by the American Institute of Certified Public  
3 Accountants, or (c) other applicable State and federal  
4 standards, is found by the district's auditor or the State  
5 Board working in cooperation with the district's auditor to  
6 have material deficiencies in the design or operation of  
7 financial control structures that could adversely affect the  
8 district's financial integrity and stability, or is found to  
9 have misused State or federal funds and jeopardized its  
10 participation in State or federal programs, the State Board  
11 may, notwithstanding any laws to the contrary, implement one or  
12 more of the following emergency powers:

13 (1) To direct the district to develop and implement a  
14 plan that addresses the budgetary, programmatic, and other  
15 relevant factors contributing to the need to implement  
16 emergency measures. The State Board shall assist in the  
17 development and shall have final approval of the plan.

18 (2) To direct the district to contract for educational  
19 services in accordance with Section 3-40. The State Board  
20 shall assist in the development and shall have final  
21 approval of any such contractual agreements.

22 (3) To approve and require revisions of the district's  
23 budget.

24 (4) To appoint a Financial Administrator to exercise  
25 oversight and control over the district's budget. The  
26 Financial Administrator shall serve at the pleasure of the

1 State Board and may be an individual, partnership,  
2 corporation, including an accounting firm, or other entity  
3 determined by the State Board to be qualified to serve, and  
4 shall be entitled to compensation. Such compensation shall  
5 be provided through specific appropriations made to the  
6 State Board for that express purpose.

7 (5) To develop and implement a plan providing for the  
8 dissolution or reorganization of the district if in the  
9 judgment of the State Board the circumstances so require.

11 (110 ILCS 805/2-16.02) (from Ch. 122, par. 102-16.02)

12 Sec. 2-16.02. Grants. Any community college district that  
13 maintains a community college recognized by the State Board  
14 shall receive, when eligible, grants enumerated in this  
15 Section. Funded semester credit hours or other measures or both  
16 as specified by the State Board shall be used to distribute  
17 grants to community colleges. Funded semester credit hours  
18 shall be defined, for purposes of this Section, as the greater  
19 of (1) the number of semester credit hours, or equivalent, in  
20 all funded instructional categories of students who have been  
21 certified as being in attendance at midterm during the  
22 respective terms of the base fiscal year or (2) the average of  
23 semester credit hours, or equivalent, in all funded  
24 instructional categories of students who have been certified as  
25 being in attendance at midterm during the respective terms of

1 the base fiscal year and the 2 prior fiscal years. For purposes  
2 of this Section, "base fiscal year" means the fiscal year 2  
3 years prior to the fiscal year for which the grants are  
4 appropriated. Such students shall have been residents of  
5 Illinois and shall have been enrolled in courses that are part  
6 of instructional program categories approved by the State Board  
7 and that are applicable toward an associate degree or  
8 certificate. Courses that are eligible for reimbursement are  
9 those courses for which the district pays 50% or more of the  
10 program costs from unrestricted revenue sources, with the  
11 exception of dual credit courses and courses offered by  
12 contract with the Department of Corrections in correctional  
13 institutions. For the purposes of this Section, "unrestricted  
14 revenue sources" means those revenues in which the provider of  
15 the revenue imposes no financial limitations upon the district  
16 as it relates to the expenditure of the funds. Except for  
17 Fiscal Year 2012, base operating grants shall be paid based on  
18 rates per funded semester credit hour or equivalent calculated  
19 by the State Board for funded instructional categories using  
20 cost of instruction, enrollment, inflation, and other relevant  
21 factors. For Fiscal Year 2012, the allocations for base  
22 operating grants to community college districts shall be the  
23 same as they were in Fiscal Year 2011, reduced or increased  
24 proportionately according to the appropriation for base  
25 operating grants for Fiscal Year 2012.

26 Equalization grants shall be calculated by the State Board

1 by determining a local revenue factor for each district by: (A)  
2 adding (1) each district's Corporate Personal Property  
3 Replacement Fund allocations from the base fiscal year or the  
4 average of the base fiscal year and prior year, whichever is  
5 less, divided by the applicable statewide average tax rate to  
6 (2) the district's most recently audited year's equalized  
7 assessed valuation or the average of the most recently audited  
8 year and prior year, whichever is less, (B) then dividing by  
9 the district's audited full-time equivalent resident students  
10 for the base fiscal year or the average for the base fiscal  
11 year and the 2 prior fiscal years, whichever is greater, and  
12 (C) then multiplying by the applicable statewide average tax  
13 rate. The State Board shall calculate a statewide weighted  
14 average threshold by applying the same methodology to the  
15 totals of all districts' Corporate Personal Property Tax  
16 Replacement Fund allocations, equalized assessed valuations,  
17 and audited full-time equivalent district resident students  
18 and multiplying by the applicable statewide average tax rate.  
19 The difference between the statewide weighted average  
20 threshold and the local revenue factor, multiplied by the  
21 number of full-time equivalent resident students, shall  
22 determine the amount of equalization funding that each district  
23 is eligible to receive. A percentage factor, as determined by  
24 the State Board, may be applied to the statewide threshold as a  
25 method for allocating equalization funding. A minimum  
26 equalization grant of an amount per district as determined by

1 the State Board shall be established for any community college  
2 district which qualifies for an equalization grant based upon  
3 the preceding criteria, but becomes ineligible for  
4 equalization funding, or would have received a grant of less  
5 than the minimum equalization grant, due to threshold  
6 prorations applied to reduce equalization funding. As of July  
7 1, 2013, a community college district eligible to receive an  
8 equalization grant based upon the preceding criteria must  
9 maintain a minimum required combined in-district tuition and  
10 universal fee rate per semester credit hour equal to 70% of the  
11 State-average combined rate, as determined by the State Board,  
12 or the total revenue received by the community college district  
13 from combined in-district tuition and universal fees must be at  
14 least 30% of the total revenue received by the community  
15 college district, as determined by the State Board, for  
16 equalization funding. As of July 1, 2004, a community college  
17 district must maintain a minimum required operating tax rate  
18 equal to at least 95% of its maximum authorized tax rate to  
19 qualify for equalization funding. This 95% minimum tax rate  
20 requirement shall be based upon the maximum operating tax rate  
21 as limited by the Property Tax Extension Limitation Law.

22 The State Board shall distribute such other grants as may  
23 be authorized or appropriated by the General Assembly.

24 Each community college district entitled to State grants  
25 under this Section must submit a report of its enrollment to  
26 the State Board not later than 30 days following the end of

1 each semester, ~~quarter,~~ or term in a format prescribed by the  
2 State Board. These semester credit hours, or equivalent, shall  
3 be certified by each district on forms provided by the State  
4 Board. Each district's certified semester credit hours, or  
5 equivalent, are subject to audit pursuant to Section 3-22.1.

6 The State Board shall certify, prepare, and submit monthly  
7 vouchers to the State Comptroller setting forth an amount equal  
8 to one-twelfth of the grants approved by the State Board for  
9 base operating grants and equalization grants. The State Board  
10 shall prepare and submit to the State Comptroller vouchers for  
11 payments of other grants as appropriated by the General  
12 Assembly. If the amount appropriated for grants is different  
13 from the amount provided for such grants under this Act, the  
14 grants shall be proportionately reduced or increased  
15 accordingly.

16 For the purposes of this Section, "resident student" means  
17 a student in a community college district who maintains  
18 residency in that district or meets other residency definitions  
19 established by the State Board, and who was enrolled either in  
20 one of the approved instructional program categories in that  
21 district, or in another community college district to which the  
22 resident's district is paying tuition under Section 6-2 or with  
23 which the resident's district has entered into a cooperative  
24 agreement in lieu of such tuition. Students shall be classified  
25 as residents of the community college district without meeting  
26 the 30-day residency requirement of the district if they are

1 currently residing in the district and are youth (i) who are  
2 currently under the legal guardianship of the Illinois  
3 Department of Children and Family Services or have recently  
4 been emancipated from the Department and (ii) who had  
5 previously met the 30-day residency requirement of the district  
6 but who had a placement change into a new community college  
7 district. The student, a caseworker or other personnel of the  
8 Department, or the student's attorney or guardian ad litem  
9 appointed under the Juvenile Court Act of 1987 shall provide  
10 the district with proof of current in-district residency.

11 For the purposes of this Section, a "full-time equivalent"  
12 student is equal to 30 semester credit hours.

13 The Illinois Community College Board Contracts and Grants  
14 Fund is hereby created in the State Treasury. Items of income  
15 to this fund shall include any grants, awards, endowments, or  
16 like proceeds, and where appropriate, other funds made  
17 available through contracts with governmental, public, and  
18 private agencies or persons. The General Assembly shall from  
19 time to time make appropriations payable from such fund for the  
20 support, improvement, and expenses of the State Board and  
21 Illinois community college districts.

25 Sec. 2-24. We Want to Learn English Initiative.

1           (a) Subject to appropriation and Section 7 of the Board of  
2 Higher Education Act, the State Board may establish and  
3 administer a We Want to Learn English Initiative to provide  
4 resources for immigrants and refugees in this State to learn  
5 English in order to move towards becoming full members of  
6 American society.

7           (b) If funds are ~~Each fiscal year, the State Board may~~  
8 ~~include, as a separate line item, in its budget proposal~~  
9 ~~\$15,000,000 or less in funding for the We Want to Learn English~~  
10 ~~Initiative, to be disbursed by the State Board. If the State~~  
11 ~~Board decides to disburse the funds~~ appropriated for this  
12 Initiative, then the State Board ~~it~~ must disburse no less than  
13 half of the funds appropriated each fiscal year to  
14 community-based, not-for-profit organizations, immigrant  
15 social service organizations, faith-based organizations, and  
16 on-site job training programs so that immigrants and refugees  
17 can learn English where they live, work, pray, and socialize  
18 and where their children go to school.

19           (c) Funds for the We Want to Learn English Initiative may  
20 be used only to provide programs that teach English to United  
21 States citizens, lawful permanent residents, and other persons  
22 residing in this State who are in lawful immigration status.

25 Sec. 3-7. (a) The election of the members of the board of

1 trustees shall be nonpartisan and shall be held at the time and  
2 in the manner provided in the general election law.

3 (b) Unless otherwise provided in this Act, members shall be  
4 elected to serve 6 year terms. The term of members elected in  
5 1985 and thereafter shall be from the date the member is  
6 officially determined to be elected to the board by a canvass  
7 conducted pursuant to the Election Code, to the date that the  
8 winner of the seat is officially determined by the canvass  
9 conducted pursuant to the Election Code the next time the seat  
10 on the board is to be filled by election.

11 (c) Each member must on the date of his election be a  
12 citizen of the United States, of the age of 18 years or over,  
13 and a resident of the State and the territory which on the date  
14 of the election is included in the community college district  
15 for at least one year immediately preceding his election. In  
16 Community College District No. 526, each member elected at the  
17 consolidated election in 2005 or thereafter must also be a  
18 resident of the trustee district he or she represents for at  
19 least one year immediately preceding his or her election,  
20 except that in the first consolidated election for each trustee  
21 district following reapportionment, a candidate for the board  
22 may be elected from any trustee district that contains a part  
23 of the trustee district in which he or she resided at the time  
24 of the reapportionment and may be reelected if a resident of  
25 the new trustee district he or she represents for one year  
26 prior to reelection. In the event a person who is a member of a

1 common school board is elected or appointed to a board of  
2 trustees of a community college district, that person shall be  
3 permitted to serve the remainder of his or her term of office  
4 as a member of the common school board. Upon the expiration of  
5 the common school board term, that person shall not be eligible  
6 for election or appointment to a common school board during the  
7 term of office with the community college district board of  
8 trustees.

9 (d) Whenever a vacancy occurs, the remaining members shall  
10 fill the vacancy, and the person so appointed shall serve until  
11 a successor is elected to serve the remainder of the unexpired  
12 term at the next regular election for board members and is  
13 certified in accordance with Sections 22-17 and 22-18 of the  
14 Election Code. If the remaining members fail so to act within  
15 60 days after the vacancy occurs, the chairman of the State  
16 Board shall fill that vacancy, and the person so appointed  
17 shall serve until a successor is elected to serve the remainder  
18 of the unexpired term at the next regular election for board  
19 members and is certified in accordance with Sections 22-17 and  
20 22-18 of the Election Code. The person appointed to fill the  
21 vacancy shall have the same residential qualifications as his  
22 predecessor in office was required to have. In either instance,  
23 if the vacancy occurs with less than 4 months remaining before  
24 the next scheduled consolidated election, and the term of  
25 office of the board member vacating the position is not  
26 scheduled to expire at that election, then the term of the

1 person so appointed shall extend through that election and  
2 until the succeeding consolidated election. If the term of  
3 office of the board member vacating the position is scheduled  
4 to expire at the upcoming consolidated election, the appointed  
5 member shall serve only until a successor is elected and  
6 qualified at that election.

7 (e) Members of the board shall serve without compensation  
8 but shall be reimbursed for their reasonable expenses incurred  
9 in connection with their service as members. Compensation, for  
10 purposes of this Section, means any salary or other benefits  
11 not expressly authorized by this Act to be provided or paid to,  
12 for or on behalf of members of the board. The board of each  
13 community college district may adopt a policy providing for the  
14 issuance of bank credit cards, for use by any board member who  
15 requests the same in writing and agrees to use the card only  
16 for the reasonable expenses which he or she incurs in  
17 connection with his or her service as a board member. Expenses  
18 charged to such credit cards shall be accounted for separately  
19 and shall be submitted to the chief financial officer of the  
20 district for review prior to being reported to the board at its  
21 next regular meeting.

22 (f) ~~The Except in an election of the initial board for a~~  
23 ~~new community college district created pursuant to Section~~  
24 ~~6-6.1, the~~ ballot for the election of members of the board for  
25 a community college district shall indicate the length of term  
26 for each office to be filled. In the election of a board for

1 any community college district, the ballot shall not contain  
2 any political party designation.

11 as equally as possible into 2 groups. Beginning in 2003 and  
12 every 10 years thereafter, trustees or their successors from  
13 one group shall be elected for successive terms of 4 years and  
14 6 years; and members or their successors from the second group

25 Sec. 3-14.2. In addition to any other tax levies authorized

1 by law, the board of a community college district (1) whose  
2 boundaries are entirely within a county with a population in  
3 excess of 2 million persons and (2) which was organized as a  
4 public junior college prior to October 1, 1973, and (3) whose  
5 existence was validated by an Act filed with the Secretary of  
6 State on May 31, 1937, may levy an additional tax upon the  
7 taxable property of the district in any year in which the State  
8 Board issues a certificate of eligibility to do so. The  
9 additional tax may be used to increase the total taxing  
10 authority of the district to the rate of 23.54 cents per \$100  
11 of equalized assessed value for educational and operations,  
12 building and maintenance purposes.

13 In order to be eligible to levy the additional tax as  
14 provided herein, the district shall have been eligible to  
15 receive equalization grants pursuant to Section 2-16.02 ~~102-16~~  
16 for each of the five fiscal years in the period 1984 to 1988.

17 The additional amount certified by the State Board to be  
18 levied shall not exceed the combined increases in the  
19 educational and operations, building and maintenance purposes  
20 funds authorized in Section 3-14. The State Board shall notify  
21 the board of trustees of the community college district of its  
22 eligibility to levy additional taxes as authorized in this  
23 Section and the amount of such levy, by November 1, 1988.

24 A resolution, adopted pursuant to the provisions of the  
25 Open Meetings Act, which expresses the district's intent to  
26 levy such a tax, or a portion thereof, when accompanied by the

1 State Board certificate of eligibility, shall be the authority  
2 for the county clerk or clerks to extend such a tax. The  
3 district board shall cause a copy of the resolution to be  
4 published in one or more newspapers published in the district  
5 within 10 days after such levy is made. If no newspaper is  
6 published in the district, the resolution shall be published in  
7 a newspaper having general circulation within the district. The  
8 publication of the resolution shall include a notice of (1) the  
9 specific number of voters required to sign a petition

8 Sec. 3-14.3. In addition to any other tax levies authorized  
9 by law, the board of a community college district may levy an  
10 additional tax upon the taxable property of the district in any  
11 year in which the State Board issues a certificate of  
12 eligibility to do so. The additional tax may be used to  
13 increase the total taxing authority of the district to the most  
14 recently reported statewide average actual levy rate in cents  
15 per \$100 of equalized assessed value for educational and  
16 operations and maintenance purposes as certified by the State  
17 Board.

18 In order to be eligible to levy the additional tax as  
19 provided herein, the district shall have been eligible to  
20 receive equalization grants pursuant to Section ~~2-16~~ ~~or~~  
21 ~~2-16.02, as the case may be,~~ in the year of eligibility  
22 certification or in the previous fiscal year.

23 The additional amount certified by the State Board to be  
24 levied shall not exceed the combined increases in the  
25 educational and operations and maintenance purposes funds

2 board of trustees of the community college district of its  
3 eligibility to levy additional taxes as authorized in this  
4 Section and the amount of such levy, by November 1 of each  
5 year.

16 the proposition of the adoption of the resolution be submitted  
17 to the voters of the district; (2) the time in which the  
18 petition must be filed; and (3) the date of the prospective

21 If within 30 days of the annual adoption of such additional  
22 levy, a petition is filed with the secretary of the board of  
23 trustees, signed by not less than 10% of the registered voters  
24 of the district, requesting that the proposition to levy such  
25 additional taxes as authorized by this Section be submitted to  
26 the voters of the district, then the district shall not be

1 authorized to levy such additional taxes as permitted by this  
2 Section until the proposition has been submitted to and  
3 approved by a majority of the voters voting on the proposition  
4 at a regularly scheduled election in the manner provided in the  
5 general election law. The secretary shall certify the  
6 proposition to the proper election authority for submission to  
7 the voters. If no such petition with the requisite number of

14 Sec. 3-20.1. The board of each community college district  
15 shall within or before the first quarter of each fiscal year,  
16 adopt an annual budget which it deems necessary to defray all  
17 necessary expenses and liabilities of the district, and in such  
18 annual budget shall specify the objects and purposes of each  
19 item and amount needed for each object or purpose. The board of

24 expected to be received during such fiscal year from all  
25 sources, an estimate of the expenditures contemplated for such

1 fiscal year, and a statement of the estimated cash expected to  
2 be on hand at the end of such year. The estimate of taxes to be  
3 received may be based upon the amount of actual cash receipts  
4 that may reasonably be expected by the district during such  
5 fiscal year, estimated from the experience of the district in  
6 prior years and with due regard for other circumstances that  
7 may substantially affect such receipts. Nothing in this Section  
8 shall be construed as requiring any district to change or  
9 preventing any district from changing from a cash basis of  
10 financing to a surplus or deficit basis of financing; or as  
11 requiring any district to change or preventing any district  
12 from changing its system of accounting.

13 The board of each community college district shall fix a  
14 fiscal year. If the beginning of the fiscal year of a district  
15 is subsequent to the time that the tax levy for such fiscal  
16 year shall be made, then such annual budget shall be adopted  
17 prior to the time such tax levy shall be made.

18 Such budget shall be prepared in tentative form by some  
19 person or persons designated by the board, and in such  
20 tentative form shall be made conveniently available to public  
21 inspection for at least 30 days prior to final action thereon.  
22 At least one public hearing shall be held as to such budget  
23 prior to final action thereon. Notice of availability for  
24 public inspection and of such public hearing shall be given by  
25 publication in a newspaper published in such district, at least  
26 30 days prior to the time of such hearing. If there is no

1 newspaper published in such district, notice of such public  
2 hearing shall be given by publication in a newspaper having  
3 general circulation within the district ~~posting notices~~  
4 ~~thereof in 5 of the most public places in such district.~~ It  
5 shall be the duty of the secretary of the board to make the  
6 tentative budget available to public inspection, and to arrange  
7 for such public hearing. The board may from time to time make  
8 transfers between the various items in any fund not exceeding  
9 in the aggregate 10% of the total of such fund as set forth in  
10 the budget. The board may amend the annual budget from time to  
11 time at a regular meeting of the board if public notice of any  
12 amendment is provided pursuant to the Open Meetings Act. ~~The~~  
13 ~~board may from time to time amend such budget by the same~~  
14 ~~procedure as is herein provided for its original adoption.~~

25 verification of student enrollments and any other bases upon

1 which claims are filed with the State Board. The audit report  
2 shall include a statement of the scope and findings of the  
3 audit and a professional opinion signed by the auditor. If a  
4 professional opinion is denied by the auditor he or she shall  
5 set forth the reasons for that denial. The board shall not  
6 limit the scope of the examination to the extent that the  
7 effect of such limitation will result in the qualification of  
8 the auditor's professional opinion. The procedures for payment  
9 for the expenses of the audit shall be in accordance with  
10 Section 9 of the Governmental Account Audit Act. Copies of the  
11 audit report shall be filed with the State Board in accordance

5 indirectly, in his own name or in the name of any other person,  
6 association, trust or corporation, in any contract, work, or  
7 business of the district or in the sale of any article,  
8 whenever the expense, price, or consideration of the contract,  
9 work, business, or sale is paid either from the treasury or by  
10 any assessment levied by any statute or ordinance. A community  
11 college board member shall not be deemed interested if the  
12 board member is an employee of a business that is involved in  
13 the transaction of business with the district and has no  
14 financial interests other than as an employee. Except as  
15 otherwise provided in this Section, no ~~Ne~~ community college

25 ownership; and

1           B. such interested board member publicly discloses the  
2 nature and extent of his interest prior to or during  
3 deliberations concerning the proposed award of the  
4 contract; and

5           C. such interested board member abstains from voting on  
6 the award of the contract, though he shall be considered  
7 present for the purposes of establishing a quorum; and

8           D. such contract is approved by a majority vote of  
9 those board members presently holding office; and

10          E. the contract is awarded after sealed bids to the  
11 lowest responsible bidder if the amount of the contract  
12 exceeds \$1500, or awarded without bidding if the amount of  
13 the contract is less than \$1500; and

14          F. the award of the contract would not cause the  
15 aggregate amount of all such contracts so awarded to the  
16 same person, firm, association, partnership, corporation,  
17 or cooperative association in the same fiscal year to  
18 exceed \$25,000.

19          (c) In addition to the exemptions under subsection (b) of

3 or cooperative association in the same fiscal year to  
4 exceed \$500; and

5 D. such interested member publicly discloses the

10 award of the contract, though he shall be considered  
11 present for the purposes of establishing a quorum.

12 (d) A contract for the procurement of public utility  
13 services by a district with a public utility company is not  
14 barred by this Section by one or more members of the board  
15 being an officer or employee of the public utility company or

17 public utility company. ~~A An elected or appointed~~ member of the  
18 board having such an interest shall be deemed not to have a  
19 prohibited interest under this Section.

20 (e) This Section does not prohibit a student member of the  
21 board from maintaining official status as an enrolled student,

13 concerning the proposed award. Such interested member or  
14 members shall not vote on such a proposed award. Any member or  
15 members abstaining from participation in deliberations and  
16 voting under this Section may be considered present for  
17 purposes of establishing a quorum. Award of such a contract  
18 shall require approval by a majority vote of those members  
19 presently holding office. Consideration and award of any such  
20 contract in which a member or members are interested may only  
21 be made at a regularly scheduled public meeting of the  
22 community college board.

23 (g) Any board member who violates this Section is guilty of  
24 a Class 4 felony and in addition thereto any office held by

4           Sec. 5-3. Community college districts desiring to  
5 participate in the program authorized in Section 5-1 of this  
6 Act shall make a written application to the State Board on  
7 forms provided by such Board. The State Board may require the

10 criteria shall give special consideration to the expansion of  
11 enrollment capacity and shall include consideration of the

19 Sec. 5-6. Any community college district may, as a part of  
20 its 25% contribution for building purposes, contribute real  
21 property situated within the geographical boundaries of such  
22 community college district at market value as determined at the

1 ~~State Board~~, except that where a community college district has  
2 acquired such lands without cost or for a consideration  
3 substantially less than the market value thereof at the time of  
4 acquisition, the amount of the community college district's  
5 contribution for the land shall be limited (a) to the  
6 difference, if any, between the appraised market value at the  
7 time of acquisition and the appraised market value at the time  
8 the contribution is made to the Capital Development Board, if  
9 the grantor is the Federal government, (except that no property  
10 acquired prior to December 18, 1975 shall be affected by the  
11 provisions of this section), or any department, agency, board  
12 or commission thereof or (b) to the actual amount, if any, of  
13 the consideration paid for the land if the grantor is the State  
14 of Illinois or any department, agency, board or commission  
15 thereof.

16 In the event the highest appraisal exceeds the average of  
17 the other two appraisals by more than 10%, such appraisal shall  
18 not be considered in determining the market value of the land  
19 and a new appraiser shall be appointed by the State Board, who  
20 shall re-appraise the land. The re-appraisal shall then become  
21 the third appraisal as required by this section. The cost of  
22 the appraisement shall be paid by the community college  
23 district.

7 geographical boundaries of such community college district, or  
8 both, in an amount equal to at least 25% of the total amount  
9 necessary to finance the project, except that no real property  
10 may be so designated, unless prior to its acquisition by the  
11 community college district after December 18, 1975 the Capital  
12 Development Board has had an opportunity to evaluate the land  
13 and issue a report concerning its suitability for construction  
14 purposes. Of the total funds transferred from the community  
15 college board to the Capital Development Board, an amount equal  
16 to 40% of each of the fees under an architect or engineer  
17 contract, including any reimbursable items under the contract  
18 to cover contractual obligations through the design  
19 development phase of the project, shall be transferred prior to  
20 the signing of the contract. Prior to approval to proceed  
21 beyond the design development stage or to advertising the first

18 expiration, are to be made over time and that the savings are  
19 guaranteed to the extent necessary to pay the costs of the  
20 energy conservation measures. Energy savings may include  
21 energy reduction and offsetting sources of renewable energy  
22 funds, including renewable energy credits and carbon credits.

16 prior to the meeting. After evaluating the proposals under  
17 Section 5A-30, a community college district may enter into a  
18 guaranteed energy savings contract with a qualified provider if  
19 it finds that the amount it would spend on the energy  
20 conservation measures recommended in the proposal would not  
21 exceed the amount to be saved in either energy or operational  
22 costs, or both, within a 20-year period from the date of  
23 installation, if the recommendations in the proposal are  
24 followed. Contracts let or awarded shall be submitted to the

23 (110 ILCS 805/6-2) (from Ch. 122, par. 106-2)

24 Sec. 6-2. Any graduate of a recognized high school or

1 student otherwise qualified to attend a public community  
2 college and residing outside a community college district but  
3 within this State ~~who notifies the board of education of his~~  
4 ~~district~~ may, subject to Section 3-17, attend any recognized

13 ~~under Section 6-1. In addition, any graduate of a recognized~~  
14 ~~high school or student otherwise qualified to attend a public~~  
15 ~~community college and residing in a new community college~~  
16 ~~district formed pursuant to Section 6-6.1 who notifies the~~

22 ~~he did not notify his board of education by the previous~~  
23 ~~September 15, he may become eligible for that tuition for a~~  
24 ~~summer term by giving notice to the board of education by May~~

26 ~~may not exceed the per capita cost of the community college~~

1 ~~attended for the previous year, or in the case of the first~~  
2 ~~year of operation the estimated per capita cost, less certain~~  
3 ~~deductions to be computed in the manner set forth below. The~~  
4 ~~community college per capita cost shall be computed, in a~~  
5 ~~manner consistent with any accounting system prescribed by the~~  
6 ~~State Board, by adding all of the non capital expenditures,~~  
7 ~~including interest, to the depreciation on capital outlay~~  
8 ~~expenditures paid from sources other than State and Federal~~  
9 ~~funds and then dividing by the number of full time equivalent~~  
10 ~~students for the fiscal year as defined in this Section. The~~  
11 ~~community college tuition to be charged to the district of the~~  
12 ~~student's residence shall be computed, in a manner consistent~~  
13 ~~with any accounting system prescribed by the State Board, by~~  
14 ~~adding all of the non capital expenditures for the previous~~  
15 ~~year, including interest, to the depreciation on capital outlay~~  
16 ~~expenditures paid from sources other than State and Federal~~  
17 ~~funds less any payments toward non capital expenditures~~  
18 ~~received from State and Federal sources for the previous year~~  
19 ~~except grants through the State Board, as authorized in Section~~  
20 ~~2-16 or 2-16.02, as the case may be, and then dividing by the~~  
21 ~~number of full-time equivalent students for that fiscal year as~~  
22 ~~defined in this Section; this average per student computation~~  
23 ~~shall be converted to a semester hour or quarter hour base and~~  
24 ~~further reduced by the combined rate of State grants other than~~  
25 ~~equalization grants for the current year as provided for in~~  
26 ~~Section 2-16.02 and any rate of tuition and fees assessed all~~

1 ~~students for the current year as authorized in Section 6-4.~~

2 ~~Any person who has notified the board of education of his~~  
3 ~~or her district as provided above and who is a resident of that~~  
4 ~~district at the time of such notification shall have his or her~~  
5 ~~tuition paid by that district for that academic year and the~~  
6 ~~following summer term so long as he or she resides in Illinois~~  
7 ~~outside a community college district.~~ If he or she becomes a  
8 resident of a community college district, he or she shall be  
9 classified as a resident of that district at the beginning of  
10 any semester, ~~quarter~~ or term following that change of  
11 residence and the State Board shall no longer pay the  
12 difference in tuition rates.

13 If a resident of a community college district wishes to  
14 attend the community college maintained by the district of his  
15 or her residence but the program in which the student wishes to  
16 enroll is not offered by that community college, and the  
17 community college maintained by the district of his residence  
18 does not have a contractual agreement under Section 3-40 of  
19 this Act for such program, the student may attend any  
20 recognized public community college in some other district,  
21 subject to the provisions of Section 3-17, and have his or her  
22 tuition, as defined herein, paid by the community college  
23 district of his or her residence while enrolled in a program at  
24 that college which is not offered by his or her home community  
25 college if he or she makes application to his or her home board  
26 at least 30 days prior to the beginning of any semester,

1 quarter or term in accordance with rules, regulations and  
2 procedures established and published by his or her home board.  
3 The payment of tuition by his or her district of residence may  
4 not exceed the per capita cost of the community college  
5 attended for the previous year, ~~or in the case of the first~~  
6 ~~year of operation the estimated per capita cost,~~ less certain  
7 deductions, to be computed by adding all of the non-capital  
8 expenditures for the previous year, including interest, to the  
9 depreciation on the capital outlay expenditures paid from  
10 sources other than State and federal funds, less any payments  
11 toward non-capital expenditures received from State and  
12 federal sources for the previous year (except for grants  
13 through the State Board under Section 2-16.02 of this Act), and  
14 dividing that amount by the number of full-time equivalent  
15 students for that fiscal year as defined under this Section.  
16 This average per student computation shall be converted to a  
17 semester hour base and further reduced by the combined rate of  
18 State grants, other than equalization grants for the current  
19 year as provided under Section 2-16.02 of this Act, and any  
20 rate of tuition and fees assessed for all students for the  
21 current year as authorized under Section 6-4 of this Act. ~~in~~  
22 ~~the manner set forth above for the community college tuition to~~  
23 ~~be charged to the district of the student's residence.~~

24 Payment shall be made hereunder to the community college  
25 district of attendance immediately upon receipt, by the  
26 district liable for the payment, of a statement from that

1 community college district of the amount due it. Before sending  
2 such a statement requesting payment, however, the community  
3 college district of attendance shall make all calculations and  
4 deductions required under this Section so that the amount  
5 requested for payment is the exact amount required under this  
6 Section to be paid by the district liable for payment.

7 If the moneys in the educational fund ~~or the proceeds from~~  
8 ~~a levy made under Section 6-1 of a district liable for payments~~  
9 ~~under this Section~~ are insufficient to meet such payments, the  
10 district liable for such payments may issue tax anticipation  
11 warrants as provided in Section 3-20.10.

12 A full-time equivalent student for a semester, ~~quarter~~ or  
13 term is defined as a student doing 15 semester hours of work  
14 per semester ~~or 15 quarter hours of work per quarter~~ or the  
15 equivalent thereof, and the number of full-time equivalent  
16 students enrolled per term shall be determined by dividing by  
17 15 the total number of semester hours ~~or quarter hours of work~~  
18 for which State Board grants are received, or the equivalent  
19 thereof, carried by all students of the college through the  
20 mid-term of each semester, ~~quarter~~ or term. The number of  
21 full-time equivalent students for a fiscal year shall be  
22 computed by adding the total number of semester hours ~~or~~  
23 ~~quarter hours~~ of work or the equivalent thereof carried by all  
24 students of the college through the mid-term of each semester, ~~7~~  
25 ~~quarter~~ or term during that fiscal year and dividing that sum  
26 by 30 semester hours ~~or 45 quarter hours or the equivalent~~

1 ~~thereof depending upon the credit hour system utilized by the~~  
2 ~~college.~~ Tuition of students carrying more or less than 15  
3 semester hours of work per semester ~~or 15 quarter hours of work~~  
4 ~~per quarter~~ or the equivalent thereof shall be computed in the  
5 proportion which the number of hours so carried bears to 15  
6 semester hours ~~or 15 quarter hours~~ or the equivalent thereof.

7 If the United States Government, the State of Illinois, or  
8 any agency pays tuition for any community college student,  
9 neither the district of residence of the student nor the  
10 student may be required to pay that tuition or such part  
11 thereof as is otherwise paid. No part of the State's financial  
12 responsibility provided for in Section 2-16 may be transferred  
13 to a student's district of residence under this Section.

19 may be enrolled in the college upon payment of the difference  
20 between the per capita cost as defined in Section 6-2 less any

22 and federal sources for the previous year except grants through  
23 the State Board as authorized in Section 2-16 or 2-16.02, as

4           all temporary loans and all accrued interest thereon unpaid  
5           at the beginning of that fiscal year;

6           3. Any amount for which the board is required under  
7           this Act to reimburse the working cash fund from the  
8           educational fund and operations and maintenance fund; and

9           4. The amount of all accounts payable including  
10          estimates of audited vouchers, participation certificates,  
11          interfund loans and purchase orders payable.

12          The budget shall also set forth detailed estimates of all  
13          taxes to be levied for that year and of all current revenues to  
14          be derived from sources other than taxes, including State and  
15          Federal contributions, rents, fees, perquisites, and all other  
16          types of revenue, which will be applicable to expenditures or  
17          charges to be made or incurred during that year.

18          No estimate of taxes to be levied during the fiscal year  
19          for educational purposes and operations and maintenance of  
20          facilities purposes may exceed a sum equivalent to the product  
21          of the value of the taxable property in the district, as  
22          ascertained by the last assessment for State and county taxes  
23          previous to the passage of the budget, multiplied by the  
24          maximum per cent or rate of tax which the corporate authorities  
25          of the city are authorized by law to levy for the current  
26          fiscal year for those purposes: ~~Provided that any estimate of~~

8 ~~the corporate authorities of the city are authorized by law to~~  
9 ~~levy for the current fiscal year for those purposes.~~

10 All these estimates shall be so segregated and classified  
11 as to funds and in such other manner as to give effect to the  
12 requirements of law relating to the respective purposes to  
13 which the assets and taxes and other current revenues are  
14 applicable, so that no expenditure will be authorized or made  
15 for any purpose in excess of the money lawfully available  
16 therefor.

17 The several estimates of assets, liabilities and  
18 expenditure requirements required or authorized to be made by  
19 this Section and by Section 7-10 shall be made on the basis of  
20 information known to the board at the time of the passage of  
21 the annual budget and are not invalidated or otherwise subject  
22 to attack merely because after that time additional information  
23 is known to or could be discovered by the board that would  
24 require a different estimate or because the board might have  
25 amended these estimates under Section 7-12.

18 the general election law, and approved by a majority of the  
19 electors voting upon that question.

14 time of the making of the contract?

15 -----

16 Whenever the board desires to issue bonds as herein  
17 authorized, it shall adopt a resolution designating the purpose  
18 for which the proceeds of the bonds are to be expended and  
19 fixing the amount of the bonds proposed to be issued, the  
20 maturity thereof, and optional provisions, if any, the rate of  
21 interest thereon, and the amount of taxes to be levied annually  
22 for the purpose of paying the interest upon and the principal  
23 of such bonds.

24 The bonds shall bear interest at the rate of not more than  
25 the maximum rate authorized by the Bond Authorization Act, as  
26 amended at the time of the making of the contract, and shall

1 mature within not to exceed 20 years from their date, and may  
2 be made callable on any interest payment date at par and  
3 accrued interest, after notice has been given, at the time and  
4 in the manner provided in the bond resolution.

5 The bonds shall be issued in the corporate name of the  
6 community college district, and they shall be signed by the

14 The bonds shall be sold by the board upon such terms as are  
15 approved by the board after advertisement for bids, and the  
16 proceeds thereof shall be received by the community college  
17 treasurer, and expended by the board for the purposes provided  
18 in the bond resolution.

19 The community college treasurer shall, before receiving  
20 any of such money, execute a surety bond conditioned upon the  
21 faithful discharge of his duties with a surety company  
22 authorized to do business in this State, which surety bond  
23 shall be approved by the community college board and filed as  
24 otherwise required under this Act for the treasurer's bond. The  
25 penalty of the surety bond shall be in the amount of such bond  
26 issue. The surety bond shall be in substantially the same form

1 as the bond otherwise required under this Act for the treasurer  
2 and when so given shall fully describe the bond issue which it  
3 specifically covers and shall remain in force until the funds  
4 of the bond issue are fully disbursed in accordance with the  
5 law.

6 Before or at the time of issuing any bonds herein  
7 authorized, the board shall by resolution provide for the levy  
8 and collection of a direct annual tax upon all the taxable  
9 property of such community college district sufficient to pay  
10 and discharge the principal thereof at maturity and to pay the

12 collected in like manner with the other taxes of the community  
13 college district and shall be in addition to and exclusive of  
14 the maximum of all other taxes which the board is authorized by  
15 law to levy for community college purposes. Upon the filing in  
16 the office of the county clerk of the county wherein such  
17 community college district is located of a certified copy of

19 therein provided for, including an amount to cover loss and  
20 cost of collecting such taxes and also deferred collections  
21 thereof and abatements in the amounts of such taxes as extended  
22 upon the collector's books. The ordinance shall be in force  
23 upon its passage.

24 With respect to instruments for the payment of money issued  
25 under this Section either before, on, or after the effective  
26 date of this amendatory Act of 1989, it is and always has been

1 the intention of the General Assembly (i) that the Omnibus Bond  
2 Acts are and always have been supplementary grants of power to  
3 issue instruments in accordance with the Omnibus Bond Acts,  
4 regardless of any provision of this Act that may appear to be  
5 or to have been more restrictive than those Acts, (ii) that the  
6 provisions of this Section are not a limitation on the  
7 supplementary authority granted by the Omnibus Bond Acts, and  
8 (iii) that instruments issued under this Section within the  
9 supplementary authority granted by the Omnibus Bond Acts are  
10 not invalid because of any provision of this Act that may  
11 appear to be or to have been more restrictive than those Acts.

13 (110 ILCS 805/7-26) (from Ch. 122, par. 107-26)  
14 Sec. 7-26. Issuance of bonds not exceeding \$15,000,000  
15 aggregate. The board may incur an indebtedness and issue bonds  
16 therefor in an amount or amounts not to exceed in the aggregate  
17 \$15,000,000 for the purpose of erecting, purchasing, or  
18 otherwise acquiring buildings suitable for community college  
19 use, transferring funds to the Capital Development Board  
20 ~~Illinois Building Authority~~ for community college building  
21 purposes, erecting temporary community college structures,  
22 erecting additions to, repairing, rehabilitating, and  
23 replacing existing community college buildings and temporary  
24 community college structures, furnishing and equipping  
25 community college buildings and temporary community college

1 structures, and purchasing or otherwise acquiring and  
2 improving sites for such purposes. The bonds may be issued  
3 without submitting the question of issuance thereof to the  
4 voters of the community college district for approval.

5 Whenever the board desires to issue bonds as herein  
6 authorized, it shall adopt a resolution designating the purpose  
7 for which the proceeds of the bonds are to be expended and  
8 fixing the amount of the bonds proposed to be issued, the  
9 schedule of the maturities thereof; and optional provisions, if  
10 any, and the maximum rate of interest thereon and directing the  
11 sale upon such terms as are determined by the board.

12 The secretary of the board shall cause such sale to be  
13 advertised by publication of a notice of sale once, as a legal  
14 notice in a newspaper having general circulation in the  
15 district, and once in a financial journal published in the City  
16 of New York, New York, or Chicago, Illinois. Such notice of  
17 sale shall be published not less than 7 nor more than 21 days  
18 prior to the date set for the sale of the bonds being  
19 advertised. The notice of sale shall state that sealed bids  
20 will be received by the board for its bonds and shall include:  
21 the amount, date, maturity or maturities of such bonds; the  
22 date, time and place of receipt of bids; the maximum  
23 permissible interest rate; the basis upon which the bonds will  
24 be awarded; call provisions, if any; and such other information  
25 as the board may deem pertinent.

26 After the bonds have been awarded to the successful bidder,

1 the board shall adopt a resolution confirming the sale of said  
2 bonds to the successful bidder, setting forth the terms of  
3 sale, designating the place of payment for the principal and  
4 interest, prescribing the form of bond and determining the  
5 amount of taxes to be levied annually for each of the years in  
6 which said bonds are outstanding for the purpose of paying the  
7 interest on and the principal of such bonds.

8 The bonds shall be issued in the corporate name of the  
9 community college district, and they shall be signed by the  
10 chairman and secretary of the community college board. The  
11 bonds shall bear interest at a rate of not more than the  
12 maximum rate authorized by the Bond Authorization Act, as  
13 amended at the time of the making of the contract, and shall  
14 mature within 20 years from the date of issuance, and may be  
15 made callable on any interest payment date at par and accrued  
16 interest, after notice has been given, at the time and in the  
17 manner provided in the bond resolution. The proceeds of sale of  
18 said bonds shall be received by the community college  
19 treasurer, and expended by the board for the purpose provided  
20 in the bond resolution.

21 The community college treasurer shall, before receiving  
22 any of such money, execute a surety bond with a surety company  
23 authorized to do business in this State conditioned upon the  
24 faithful discharge of his duties. That surety bond must pass  
25 approval by the community college board and, upon such  
26 approval, shall be filed as otherwise required under this Act

1 for the treasurer's bond. The penalty of the surety bond shall  
2 be in the amount of such bond issue. The surety bond shall be  
3 in substantially the same form as the bond otherwise required  
4 under this Act for the treasurer and when so given shall fully  
5 describe the bond issue which it specifically covers and shall  
6 remain in force until the funds of the bond issue are fully  
7 disbursed in accordance with the law.

8 Before or at the time of issuing any bonds herein  
9 authorized, the city council, upon the demand and under the  
10 direction of the board shall, by ordinance, provide for the  
11 levy and collection of a direct annual tax upon all the taxable  
12 property within the community college district sufficient to  
13 pay and discharge the principal thereof at maturity and to pay  
14 the interest thereon as it falls due. Such tax shall be levied  
15 and collected in like manner with the other taxes of the  
16 community college district and shall be in addition to and  
17 exclusive of the maximum of all other taxes which the board is  
18 authorized by law to levy for community college purposes. Upon  
19 the filing in the office of the county clerk of each county  
20 wherein such community college district is located of a  
21 certified copy of any such ordinance, the county clerk shall  
22 extend the tax therein provided for, including an amount to  
23 cover loss and cost of collecting such taxes and also deferred  
24 collections thereof and abatements in the amounts of such taxes  
25 as extended upon the collector's books.

26 With respect to instruments for the payment of money issued

1 under this Section either before, on, or after the effective  
2 date of this amendatory Act of 1989, it is and always has been  
3 the intention of the General Assembly (i) that the Omnibus Bond  
4 Acts are and always have been supplementary grants of power to  
5 issue instruments in accordance with the Omnibus Bond Acts,

7 or to have been more restrictive than those Acts, (ii) that the  
8 provisions of this Section are not a limitation on the  
9 supplementary authority granted by the Omnibus Bond Acts, and  
10 (iii) that instruments issued under this Section within the  
11 supplementary authority granted by the Omnibus Bond Acts are
