5 Accountants, or (c) other applicable State and federal
6 standards, is found by the district's auditor or the State
7 Board working in cooperation with the district's auditor to
8 have material deficiencies in the design or operation of
9 financial control structures that could adversely affect the
10 district's financial integrity and stability, or is found to
11 have misused State or federal funds and jeopardized its
12 participation in State or federal programs, the State Board
13 may, notwithstanding any laws to the contrary, implement one or
14 more of the following emergency powers:

15 (1) To direct the district to develop and implement a
16 plan that addresses the budgetary, programmatic, and other
17 relevant factors contributing to the need to implement
18 emergency measures. The State Board shall assist in the
19 development and shall have final approval of the plan.

20 (2) To direct the district to contract for educational
21 services in accordance with Section 3-40. The State Board

23 approval of any such contractual agreements.

24 (3) To approve and require revisions of the district's
25 budget.

26 (4) To appoint a Financial Administrator to exercise

1 oversight and control over the district's budget. The
2 Financial Administrator shall serve at the pleasure of the
3 State Board and may be an individual, partnership,
4 corporation, including an accounting firm, or other entity
5 determined by the State Board to be qualified to serve, and
6 shall be entitled to compensation. Such compensation shall
7 be provided through specific appropriations made to the
8 State Board for that express purpose.

9 (5) To develop and implement a plan providing for the
10 dissolution or reorganization of the district if in the
11 judgment of the State Board the circumstances so require.

13 (110 ILCS 805/2-16.02) (from Ch. 122, par. 102-16.02)

14 Sec. 2-16.02. Grants. Any community college district that
15 maintains a community college recognized by the State Board
16 shall receive, when eligible, grants enumerated in this
17 Section. Funded semester credit hours or other measures or both
18 as specified by the State Board shall be used to distribute
19 grants to community colleges. Funded semester credit hours
20 shall be defined, for purposes of this Section, as the greater
21 of (1) the number of semester credit hours, or equivalent, in
22 all funded instructional categories of students who have been
23 certified as being in attendance at midterm during the
24 respective terms of the base fiscal year or (2) the average of
25 semester credit hours, or equivalent, in all funded

1 instructional categories of students who have been certified as
2 being in attendance at midterm during the respective terms of
3 the base fiscal year and the 2 prior fiscal years. For purposes
4 of this Section, "base fiscal year" means the fiscal year 2
5 years prior to the fiscal year for which the grants are
6 appropriated. Such students shall have been residents of
7 Illinois and shall have been enrolled in courses that are part
8 of instructional program categories approved by the State Board
9 and that are applicable toward an associate degree or
10 certificate. Courses that are eligible for reimbursement are
11 those courses for which the district pays 50% or more of the
12 program costs from unrestricted revenue sources, with the
13 exception of dual credit courses and courses offered by
14 contract with the Department of Corrections in correctional
15 institutions. For the purposes of this Section, "unrestricted
16 revenue sources" means those revenues in which the provider of
17 the revenue imposes no financial limitations upon the district
18 as it relates to the expenditure of the funds. Except for
19 Fiscal Year 2012, base operating grants shall be paid based on
20 rates per funded semester credit hour or equivalent calculated
21 by the State Board for funded instructional categories using
22 cost of instruction, enrollment, inflation, and other relevant
23 factors. For Fiscal Year 2012, the allocations for base
24 operating grants to community college districts shall be the
25 same as they were in Fiscal Year 2011, reduced or increased
26 proportionately according to the appropriation for base

1 operating grants for Fiscal Year 2012.

2 Equalization grants shall be calculated by the State Board
3 by determining a local revenue factor for each district by: (A)
4 adding (1) each district's Corporate Personal Property
5 Replacement Fund allocations from the base fiscal year or the
6 average of the base fiscal year and prior year, whichever is
7 less, divided by the applicable statewide average tax rate to
8 (2) the district's most recently audited year's equalized
9 assessed valuation or the average of the most recently audited
10 year and prior year, whichever is less, (B) then dividing by
11 the district's audited full-time equivalent resident students
12 for the base fiscal year or the average for the base fiscal
13 year and the 2 prior fiscal years, whichever is greater, and
14 (C) then multiplying by the applicable statewide average tax
15 rate. The State Board shall calculate a statewide weighted
16 average threshold by applying the same methodology to the
17 totals of all districts' Corporate Personal Property Tax
18 Replacement Fund allocations, equalized assessed valuations,
19 and audited full-time equivalent district resident students
20 and multiplying by the applicable statewide average tax rate.
21 The difference between the statewide weighted average
22 threshold and the local revenue factor, multiplied by the
23 number of full-time equivalent resident students, shall
24 determine the amount of equalization funding that each district
25 is eligible to receive. A percentage factor, as determined by
26 the State Board, may be applied to the statewide threshold as a

1 method for allocating equalization funding. A minimum
2 equalization grant of an amount per district as determined by
3 the State Board shall be established for any community college
4 district which qualifies for an equalization grant based upon
5 the preceding criteria, but becomes ineligible for
6 equalization funding, or would have received a grant of less
7 than the minimum equalization grant, due to threshold
8 prorations applied to reduce equalization funding. As of July
9 1, 2013, a community college district eligible to receive an
10 equalization grant based upon the preceding criteria must
11 maintain a minimum required combined in-district tuition and
12 universal fee rate per semester credit hour equal to 70% of the
13 State-average combined rate, as determined by the State Board,
14 or the total revenue received by the community college district
15 from combined in-district tuition and universal fees must be at
16 least 30% of the total revenue received by the community
17 college district, as determined by the State Board, for
18 equalization funding. As of July 1, 2004, a community college
19 district must maintain a minimum required operating tax rate
20 equal to at least 95% of its maximum authorized tax rate to
21 qualify for equalization funding. This 95% minimum tax rate
22 requirement shall be based upon the maximum operating tax rate
23 as limited by the Property Tax Extension Limitation Law.

24 The State Board shall distribute such other grants as may
25 be authorized or appropriated by the General Assembly.

26 Each community college district entitled to State grants

1 under this Section must submit a report of its enrollment to
2 the State Board not later than 30 days following the end of
3 each semester, ~~quarter,~~ or term in a format prescribed by the
4 State Board. These semester credit hours, or equivalent, shall
5 be certified by each district on forms provided by the State
6 Board. Each district's certified semester credit hours, or
7 equivalent, are subject to audit pursuant to Section 3-22.1.

8 The State Board shall certify, prepare, and submit monthly
9 vouchers to the State Comptroller setting forth an amount equal
10 to one-twelfth of the grants approved by the State Board for
11 base operating grants and equalization grants. The State Board
12 shall prepare and submit to the State Comptroller vouchers for
13 payments of other grants as appropriated by the General
14 Assembly. If the amount appropriated for grants is different
15 from the amount provided for such grants under this Act, the
16 grants shall be proportionately reduced or increased
17 accordingly.

18 For the purposes of this Section, "resident student" means
19 a student in a community college district who maintains
20 residency in that district or meets other residency definitions
21 established by the State Board, and who was enrolled either in
22 one of the approved instructional program categories in that
23 district, or in another community college district to which the
24 resident's district is paying tuition under Section 6-2 or with
25 which the resident's district has entered into a cooperative
26 agreement in lieu of such tuition. Students shall be classified

1 as residents of the community college district without meeting
2 the 30-day residency requirement of the district if they are
3 currently residing in the district and are youth (i) who are
4 currently under the legal guardianship of the Illinois
5 Department of Children and Family Services or have recently
6 been emancipated from the Department and (ii) who had
7 previously met the 30-day residency requirement of the district
8 but who had a placement change into a new community college
9 district. The student, a caseworker or other personnel of the
10 Department, or the student's attorney or guardian ad litem
11 appointed under the Juvenile Court Act of 1987 shall provide
12 the district with proof of current in-district residency.

13 For the purposes of this Section, a "full-time equivalent"
14 student is equal to 30 semester credit hours.

15 The Illinois Community College Board Contracts and Grants
16 Fund is hereby created in the State Treasury. Items of income
17 to this fund shall include any grants, awards, endowments, or
18 like proceeds, and where appropriate, other funds made
19 available through contracts with governmental, public, and
20 private agencies or persons. The General Assembly shall from
21 time to time make appropriations payable from such fund for the
22 support, improvement, and expenses of the State Board and
23 Illinois community college districts.

2 Sec. 2-24. We Want to Learn English Initiative.

3 (a) Subject to appropriation and Section 7 of the Board of
4 Higher Education Act, the State Board may establish and
5 administer a We Want to Learn English Initiative to provide
6 resources for immigrants and refugees in this State to learn
7 English in order to move towards becoming full members of
8 American society.

9 (b) ~~If funds are~~ Each fiscal year, the State Board may
10 ~~include, as a separate line item, in its budget proposal~~
11 ~~\$15,000,000 or less in funding for the We Want to Learn English~~
12 ~~Initiative, to be disbursed by the State Board. If the State~~
13 ~~Board decides to disburse the funds~~ appropriated for this
14 Initiative, then the State Board ~~it~~ must disburse no less than
15 half of the funds appropriated each fiscal year to
16 community-based, not-for-profit organizations, immigrant
17 social service organizations, faith-based organizations, and
18 on-site job training programs so that immigrants and refugees
19 can learn English where they live, work, pray, and socialize
20 and where their children go to school.

21 (c) Funds for the We Want to Learn English Initiative may
22 be used only to provide programs that teach English to United
23 States citizens, lawful permanent residents, and other persons
24 residing in this State who are in lawful immigration status.

2 Sec. 3-7. (a) The election of the members of the board of
3 trustees shall be nonpartisan and shall be held at the time and
4 in the manner provided in the general election law.

5 (b) Unless otherwise provided in this Act, members shall be
6 elected to serve 6 year terms. The term of members elected in
7 1985 and thereafter shall be from the date the member is
8 officially determined to be elected to the board by a canvass
9 conducted pursuant to the Election Code, to the date that the
10 winner of the seat is officially determined by the canvass
11 conducted pursuant to the Election Code the next time the seat
12 on the board is to be filled by election.

13 (c) Each member must on the date of his election be a
14 citizen of the United States, of the age of 18 years or over,
15 and a resident of the State and the territory which on the date
16 of the election is included in the community college district
17 for at least one year immediately preceding his election. In
18 Community College District No. 526, each member elected at the
19 consolidated election in 2005 or thereafter must also be a
20 resident of the trustee district he or she represents for at
21 least one year immediately preceding his or her election,
22 except that in the first consolidated election for each trustee
23 district following reapportionment, a candidate for the board
24 may be elected from any trustee district that contains a part
25 of the trustee district in which he or she resided at the time
26 of the reapportionment and may be reelected if a resident of

1 the new trustee district he or she represents for one year
2 prior to reelection. In the event a person who is a member of a
3 common school board is elected or appointed to a board of
4 trustees of a community college district, that person shall be
5 permitted to serve the remainder of his or her term of office
6 as a member of the common school board. Upon the expiration of
7 the common school board term, that person shall not be eligible
8 for election or appointment to a common school board during the
9 term of office with the community college district board of
10 trustees.

11 (d) Whenever a vacancy occurs, the remaining members shall
12 fill the vacancy, and the person so appointed shall serve until
13 a successor is elected to serve the remainder of the unexpired
14 term at the next regular election for board members and is
15 certified in accordance with Sections 22-17 and 22-18 of the
16 Election Code. If the remaining members fail so to act within
17 60 days after the vacancy occurs, the chairman of the State
18 Board shall fill that vacancy, and the person so appointed
19 shall serve until a successor is elected to serve the remainder
20 of the unexpired term at the next regular election for board
21 members and is certified in accordance with Sections 22-17 and
22 22-18 of the Election Code. The person appointed to fill the
23 vacancy shall have the same residential qualifications as his
24 predecessor in office was required to have. In either instance,
25 if the vacancy occurs with less than 4 months remaining before
26 the next scheduled consolidated election, and the term of

1 office of the board member vacating the position is not
2 scheduled to expire at that election, then the term of the
3 person so appointed shall extend through that election and
4 until the succeeding consolidated election. If the term of
5 office of the board member vacating the position is scheduled
6 to expire at the upcoming consolidated election, the appointed
7 member shall serve only until a successor is elected and
8 qualified at that election.

9 (e) Members of the board shall serve without compensation
10 but shall be reimbursed for their reasonable expenses incurred
11 in connection with their service as members. Compensation, for
12 purposes of this Section, means any salary or other benefits
13 not expressly authorized by this Act to be provided or paid to,
14 for or on behalf of members of the board. The board of each
15 community college district may adopt a policy providing for the
16 issuance of bank credit cards, for use by any board member who
17 requests the same in writing and agrees to use the card only
18 for the reasonable expenses which he or she incurs in
19 connection with his or her service as a board member. Expenses
20 charged to such credit cards shall be accounted for separately
21 and shall be submitted to the chief financial officer of the
22 district for review prior to being reported to the board at its
23 next regular meeting.

24 (f) ~~The~~ ~~Except in an election of the initial board for a~~
25 ~~new community college district created pursuant to Section~~
26 ~~6-6.1,~~ the ballot for the election of members of the board for

1 a community college district shall indicate the length of term
2 for each office to be filled. In the election of a board for
3 any community college district, the ballot shall not contain
4 any political party designation.

1 (110 ILCS 805/3-14.2) (from Ch. 122, par. 103-14.2)

2 Sec. 3-14.2. In addition to any other tax levies authorized
3 by law, the board of a community college district (1) whose
4 boundaries are entirely within a county with a population in
5 excess of 2 million persons and (2) which was organized as a
6 public junior college prior to October 1, 1973, and (3) whose
7 existence was validated by an Act filed with the Secretary of
8 State on May 31, 1937, may levy an additional tax upon the
9 taxable property of the district in any year in which the State
10 Board issues a certificate of eligibility to do so. The
11 additional tax may be used to increase the total taxing
12 authority of the district to the rate of 23.54 cents per \$100
13 of equalized assessed value for educational and operations,
14 building and maintenance purposes.

15 In order to be eligible to levy the additional tax as
16 provided herein, the district shall have been eligible to
17 receive equalization grants pursuant to Section 2-16.02 ~~102-16~~
18 for each of the five fiscal years in the period 1984 to 1988.

19 The additional amount certified by the State Board to be
20 levied shall not exceed the combined increases in the
21 educational and operations, building and maintenance purposes
22 funds authorized in Section 3-14. The State Board shall notify
23 the board of trustees of the community college district of its
24 eligibility to levy additional taxes as authorized in this
25 Section and the amount of such levy, by November 1, 1988.

26 A resolution, adopted pursuant to the provisions of the

1 Open Meetings Act, which expresses the district's intent to
2 levy such a tax, or a portion thereof, when accompanied by the
3 State Board certificate of eligibility, shall be the authority
4 for the county clerk or clerks to extend such a tax. The
5 district board shall cause a copy of the resolution to be
6 published in one or more newspapers published in the district
7 within 10 days after such levy is made. If no newspaper is
8 published in the district, the resolution shall be published in
9 a newspaper having general circulation within the district. The
10 publication of the resolution shall include a notice of (1) the
11 specific number of voters required to sign a petition
12 requesting that the question of the adoption of the tax levy be
13 submitted to the voters of the district; (2) the time within
14 which the petition must be filed; and (3) the date of the
15 prospective referendum. The district secretary shall provide a
16 petition form to any individual requesting one.

17 If within 30 days of the adoption of such additional levy,
18 a petition is filed with the secretary of the board of
19 trustees, signed by not less than 10% of the voters of the
20 district, requesting that the proposition to levy such
21 additional taxes as authorized by this Section be submitted to
22 the voters of the district, then the district shall not be
23 authorized to levy such additional taxes as permitted by this
24 Section until the proposition has been submitted to and
25 approved by a majority of the voters voting on the proposition
26 at a regularly scheduled election in the manner provided in the

1 general election law. The secretary shall certify the
2 proposition to the proper election authority for submission to
3 the voters. If no such petition with the requisite number of
4 signatures and which is otherwise valid is filed within such 30
5 day period, then the district shall thereafter be authorized to
6 levy such additional taxes as provided and for the purposes
7 expressed in this Section.

9 (110 ILCS 805/3-14.3) (from Ch. 122, par. 103-14.3)

10 Sec. 3-14.3. In addition to any other tax levies authorized
11 by law, the board of a community college district may levy an
12 additional tax upon the taxable property of the district in any
13 year in which the State Board issues a certificate of
14 eligibility to do so. The additional tax may be used to
15 increase the total taxing authority of the district to the most
16 recently reported statewide average actual levy rate in cents
17 per \$100 of equalized assessed value for educational and
18 operations and maintenance purposes as certified by the State
19 Board.

20 In order to be eligible to levy the additional tax as
21 provided herein, the district shall have been eligible to
22 receive equalization grants pursuant to Section ~~2-16 or~~
23 ~~2-16.02, as the case may be,~~ in the year of eligibility
24 certification or in the previous fiscal year.

25 The additional amount certified by the State Board to be

1 levied shall not exceed the combined increases in the
2 educational and operations and maintenance purposes funds
3 authorized in Section 3-14. The State Board shall notify the
4 board of trustees of the community college district of its
5 eligibility to levy additional taxes as authorized in this
6 Section and the amount of such levy, by November 1 of each
7 year.

8 A resolution, adopted annually pursuant to the provisions
9 of the Open Meetings Act, which expresses the district's intent
10 to levy such a tax, or a portion thereof, when accompanied by
11 the State Board certificate of eligibility, shall be the
12 authority for the county clerk or clerks to extend such a tax.
13 Within 10 days after adoption of such resolution, the district
14 shall cause to be published the resolution in at least one or
15 more newspapers published in the district. The publication of
16 the resolution shall include a notice of (1) the specific
17 number of voters required to sign a petition requesting that
18 the proposition of the adoption of the resolution be submitted
19 to the voters of the district; (2) the time in which the
20 petition must be filed; and (3) the date of the prospective
21 referendum. The secretary shall provide a petition form to any
22 individual requesting one.

23 If within 30 days of the annual adoption of such additional
24 levy, a petition is filed with the secretary of the board of
25 trustees, signed by not less than 10% of the registered voters
26 of the district, requesting that the proposition to levy such

1 additional taxes as authorized by this Section be submitted to
2 the voters of the district, then the district shall not be
3 authorized to levy such additional taxes as permitted by this
4 Section until the proposition has been submitted to and
5 approved by a majority of the voters voting on the proposition
6 at a regularly scheduled election in the manner provided in the
7 general election law. The secretary shall certify the
8 proposition to the proper election authority for submission to
9 the voters. If no such petition with the requisite number of
10 signatures and which is otherwise valid is filed within such 30
11 day period, then the district shall be authorized to levy such
12 additional taxes as provided for the purposes expressed in this
13 Section.

15 (110 ILCS 805/3-20.1) (from Ch. 122, par. 103-20.1)

16 Sec. 3-20.1. The board of each community college district
17 shall within or before the first quarter of each fiscal year,
18 adopt an annual budget which it deems necessary to defray all
19 necessary expenses and liabilities of the district, and in such
20 annual budget shall specify the objects and purposes of each
21 item and amount needed for each object or purpose. The board of
22 each community college district shall file a written or
23 electronic copy of the annual budget with the State Board.

24 The budget shall contain a statement of the cash on hand at
25 the beginning of the fiscal year, an estimate of the cash

1 expected to be received during such fiscal year from all
2 sources, an estimate of the expenditures contemplated for such
3 fiscal year, and a statement of the estimated cash expected to
4 be on hand at the end of such year. The estimate of taxes to be
5 received may be based upon the amount of actual cash receipts
6 that may reasonably be expected by the district during such
7 fiscal year, estimated from the experience of the district in
8 prior years and with due regard for other circumstances that
9 may substantially affect such receipts. Nothing in this Section
10 shall be construed as requiring any district to change or
11 preventing any district from changing from a cash basis of
12 financing to a surplus or deficit basis of financing; or as
13 requiring any district to change or preventing any district
14 from changing its system of accounting.

15 The board of each community college district shall fix a
16 fiscal year. If the beginning of the fiscal year of a district
17 is subsequent to the time that the tax levy for such fiscal
18 year shall be made, then such annual budget shall be adopted
19 prior to the time such tax levy shall be made.

20 Such budget shall be prepared in tentative form by some
21 person or persons designated by the board, and in such
22 tentative form shall be made conveniently available to public
23 inspection for at least 30 days prior to final action thereon.
24 At least one public hearing shall be held as to such budget
25 prior to final action thereon. Notice of availability for
26 public inspection and of such public hearing shall be given by

1 publication in a newspaper published in such district, at least
2 30 days prior to the time of such hearing. If there is no
3 newspaper published in such district, notice of such public
4 hearing shall be given by publication in a newspaper having
5 general circulation within the district ~~posting notices~~

6 Sec. 5A-35. Award of guaranteed energy savings contract.
7 Sealed proposals must be opened by a member or employee of the
8 community college board at a public opening at which the
9 contents of the proposals must be announced. Each person or
10 entity submitting a sealed proposal must receive at least 10
11 days notice of the time and place of the opening. The community
12 college district shall select the qualified provider that best
13 meets the needs of the district. The community college district
14 shall provide public notice of the meeting at which it proposes
15 to award a guaranteed energy savings contract of the names of
16 the parties to the proposed contract and of the purpose of the
17 contract. The public notice shall be made at least 10 days
18 prior to the meeting. After evaluating the proposals under
19 Section 5A-30, a community college district may enter into a
20 guaranteed energy savings contract with a qualified provider if
21 it finds that the amount it would spend on the energy
22 conservation measures recommended in the proposal would not
23 exceed the amount to be saved in either energy or operational
24 costs, or both, within a 20-year period from the date of
25 installation, if the recommendations in the proposal are

1 followed. Contracts let or awarded shall be submitted to the
2 administrators of the Capital Development Board Procurement

10 contract or lease purchase agreement with a qualified provider
11 or with a third-party ~~lender~~, as authorized by law, for the
12 funding or financing of the purchase and installation of energy
13 conservation measures by a qualified provider. Every community
14 college district may issue certificates evidencing the
15 indebtedness incurred pursuant to the contracts or agreements.
16 Any such contract or agreement shall be valid whether or not an
17 appropriation with respect thereto is first included in any
18 annual or additional or supplemental budget adopted by the
19 community college district. Each contract or agreement entered
20 into by a community college district pursuant to this Section
21 shall be authorized by official action ~~resolution~~ of the
22 community college board. The authority granted under this
23 Section is in addition to any other authority granted by law.

1 (110 ILCS 805/6-2) (from Ch. 122, par. 106-2)

2 Sec. 6-2. Any graduate of a recognized high school or
3 student otherwise qualified to attend a public community
4 college and residing outside a community college district but
5 within this State ~~who notifies the board of education of his~~
6 ~~district~~ may, subject to Section 3-17, attend any recognized
7 public community college in the State at the tuition rate of a
8 student residing in the district. Subject to appropriation,
9 ~~which he chooses, and the State Board board of education of~~
10 ~~that district~~ shall pay the difference between the in-district
11 and out-of-district tuition amounts to the community college
12 district his tuition, as defined herein, for any semester,
13 ~~quarter~~ or term of that academic year ~~and the following summer~~
14 ~~term from the educational fund or the proceeds of a levy made~~
15 ~~under Section 6-1. In addition, any graduate of a recognized~~
16 ~~high school or student otherwise qualified to attend a public~~
17 ~~community college and residing in a new community college~~
18 ~~district formed pursuant to Section 6-6.1 who notifies the~~
19 ~~board of education of his district may, subject to the~~
20 ~~provisions of Section 3-17, attend any recognized public~~
21 ~~community college in the State, and the board of education of~~
22 ~~that district shall pay his tuition until January 1, 1991. If a~~
23 ~~resident is not eligible for tuition for a summer term because~~
24 ~~he did not notify his board of education by the previous~~
25 ~~September 15, he may become eligible for that tuition for a~~
26 ~~summer term by giving notice to the board of education by May~~

1 ~~15 preceding his enrollment for the summer term. Such tuition~~
2 ~~may not exceed the per capita cost of the community college~~
3 ~~attended for the previous year, or in the case of the first~~
4 ~~year of operation the estimated per capita cost, less certain~~
5 ~~deductions to be computed in the manner set forth below. The~~
6 ~~community college per capita cost shall be computed, in a~~
7 ~~manner consistent with any accounting system prescribed by the~~
8 ~~State Board, by adding all of the non capital expenditures,~~
9 ~~including interest, to the depreciation on capital outlay~~
10 ~~expenditures paid from sources other than State and Federal~~
11 ~~funds and then dividing by the number of full-time equivalent~~
12 ~~students for the fiscal year as defined in this Section. The~~
13 ~~community college tuition to be charged to the district of the~~
14 ~~student's residence shall be computed, in a manner consistent~~
15 ~~with any accounting system prescribed by the State Board, by~~
16 ~~adding all of the non capital expenditures for the previous~~
17 ~~year, including interest, to the depreciation on capital outlay~~
18 ~~expenditures paid from sources other than State and Federal~~
19 ~~funds less any payments toward non capital expenditures~~
20 ~~received from State and Federal sources for the previous year~~
21 ~~except grants through the State Board, as authorized in Section~~
22 ~~2-16 or 2-16.02, as the case may be, and then dividing by the~~
23 ~~number of full-time equivalent students for that fiscal year as~~
24 ~~defined in this Section; this average per student computation~~
25 ~~shall be converted to a semester hour or quarter hour base and~~
26 ~~further reduced by the combined rate of State grants other than~~

1 ~~equalization grants for the current year as provided for in~~
2 ~~Section 2-16.02 and any rate of tuition and fees assessed all~~
3 ~~students for the current year as authorized in Section 6-4.~~

4 ~~Any person who has notified the board of education of his~~
5 ~~or her district as provided above and who is a resident of that~~
6 ~~district at the time of such notification shall have his or her~~
7 ~~tuition paid by that district for that academic year and the~~
8 ~~following summer term so long as he or she resides in Illinois~~
9 ~~outside a community college district. If he or she becomes a~~
10 resident of a community college district, he or she shall be
11 classified as a resident of that district at the beginning of
12 any semester, ~~quarter~~ or term following that change of
13 residence and the State Board shall no longer pay the
14 difference in tuition rates.

15 If a resident of a community college district wishes to
16 attend the community college maintained by the district of his
17 or her residence but the program in which the student wishes to
18 enroll is not offered by that community college, and the
19 community college maintained by the district of his residence
20 does not have a contractual agreement under Section 3-40 of
21 this Act for such program, the student may attend any
22 recognized public community college in some other district,
23 subject to the provisions of Section 3-17, and have his or her
24 tuition, as defined herein, paid by the community college
25 district of his or her residence while enrolled in a program at
26 that college which is not offered by his or her home community

1 college if he or she makes application to his or her home board
2 at least 30 days prior to the beginning of any semester,
3 quarter or term in accordance with rules, regulations and
4 procedures established and published by his or her home board.
5 The payment of tuition by his or her district of residence may
6 not exceed the per capita cost of the community college
7 attended for the previous year, ~~or in the case of the first~~
8 ~~year of operation the estimated per capita cost,~~ less certain
9 deductions, to be computed by adding all of the non-capital
10 expenditures for the previous year, including interest, to the
11 depreciation on the capital outlay expenditures paid from
12 sources other than State and federal funds, less any payments
13 toward non-capital expenditures received from State and
14 federal sources for the previous year (except for grants
15 through the State Board under Section 2-16.02 of this Act), and
16 dividing that amount by the number of full-time equivalent
17 students for that fiscal year as defined under this Section.
18 This average per student computation shall be converted to a
19 semester hour base and further reduced by the combined rate of
20 State grants, other than equalization grants for the current
21 year as provided under Section 2-16.02 of this Act, and any
22 rate of tuition and fees assessed for all students for the
23 current year as authorized under Section 6-4 of this Act. ~~in~~
24 ~~the manner set forth above for the community college tuition to~~
25 ~~be charged to the district of the student's residence.~~

26 Payment shall be made hereunder to the community college

1 district of attendance immediately upon receipt, by the
2 district liable for the payment, of a statement from that
3 community college district of the amount due it. Before sending
4 such a statement requesting payment, however, the community
5 college district of attendance shall make all calculations and
6 deductions required under this Section so that the amount
7 requested for payment is the exact amount required under this
8 Section to be paid by the district liable for payment.

9 If the moneys in the educational fund ~~or the proceeds from~~
10 ~~a levy made under Section 6-1 of a district liable for payments~~
11 ~~under this Section~~ are insufficient to meet such payments, the
12 district liable for such payments may issue tax anticipation
13 warrants as provided in Section 3-20.10.

14 A full-time equivalent student for a semester, ~~quarter~~ or
15 term is defined as a student doing 15 semester hours of work
16 per semester ~~or 15 quarter hours of work per quarter~~ or the
17 equivalent thereof, and the number of full-time equivalent
18 students enrolled per term shall be determined by dividing by
19 15 the total number of semester hours ~~or quarter hours of work~~
20 for which State Board grants are received, or the equivalent
21 thereof, carried by all students of the college through the
22 mid-term of each semester, ~~quarter~~ or term. The number of
23 full-time equivalent students for a fiscal year shall be
24 computed by adding the total number of semester hours ~~or~~
25 ~~quarter hours~~ of work or the equivalent thereof carried by all
26 students of the college through the mid-term of each semester,

1 ~~quarter~~ or term during that fiscal year and dividing that sum
2 by 30 semester hours ~~or 45 quarter hours or the equivalent~~
3 ~~thereof depending upon the credit hour system utilized by the~~
4 ~~college.~~ Tuition of students carrying more or less than 15
5 semester hours of work per semester ~~or 15 quarter hours of work~~
6 ~~per quarter~~ or the equivalent thereof shall be computed in the
7 proportion which the number of hours so carried bears to 15
8 semester hours ~~or 15 quarter hours~~ or the equivalent thereof.

9 If the United States Government, the State of Illinois, or
10 any agency pays tuition for any community college student,
11 neither the district of residence of the student nor the
12 student may be required to pay that tuition or such part
13 thereof as is otherwise paid. No part of the State's financial
14 responsibility provided for in Section 2-16 may be transferred
15 to a student's district of residence under this Section.

17 (110 ILCS 805/6-4.1) (from Ch. 122, par. 106-4.1)

18 Sec. 6-4.1. If a resident of Illinois qualifies for
19 admission to a public community college under Section 3-17 but
20 does not qualify for financial support under Section 6-2, he
21 may be enrolled in the college upon payment of the difference
22 between the per capita cost as defined in Section 6-2 less any
23 payments toward noncapital expenditures received from State
24 and federal sources for the previous year except grants through
25 the State Board as authorized in Section 2-16 or 2-16.02, as

1 the case may be, converted to a semester hour ~~or quarter hour~~
2 base, and the combined rate of State grants other than
3 equalization grants for the current year as authorized in
4 Section 2-16.02, notwithstanding tuition limits of Section
5 6-4. Subject to Section 3-17, a public community college may
6 accept out-of-state students upon payment of the per capita
7 cost as defined in Section 6-2. Notwithstanding the provisions
8 of this Section, the out-of-district or out-of-state tuition,
9 whichever is applicable, may be waived for a student who is
10 employed for at least 35 hours per week by an entity located in
11 the district or is enrolled in a course that is being provided
12 under terms of a contract for services between the employing
13 entity and the college.

16 Sec. 6-4.2. In-district tuition charge. Notwithstanding
17 any other provision of law or administrative rule to the

19 as a resident of a community college district after
20 establishing the 30-day residency requirement of the district.

4 ~~on June 30, 1973. All reports of the chief administrative~~
5 ~~officer, the budget and all appropriations shall be prepared~~
6 ~~for such period.~~

7 ~~The board and its officers shall have all necessary powers~~
8 ~~to effectuate such change in the fiscal year, but the~~
9 ~~proceedings had pursuant to this Section shall not alter the~~
10 ~~procedures for the levy of taxes as provided in Section 7-18.~~

11 (Source: P.A. 77-676.)

12 (110 ILCS 805/7-9) (from Ch. 122, par. 107-9)

13 Sec. 7-9. The budget shall set forth estimates, by classes,
14 of all current assets and liabilities of each fund of the board
15 as of the beginning of the fiscal year, and the amounts of
16 those assets estimated to be available for appropriation in
17 that year, either for expenditures or charges to be made or
18 incurred during that year or for liabilities unpaid at the
19 beginning thereof. Estimates of taxes to be received from the
20 levies of prior years shall be net, after deducting amounts
21 estimated to be sufficient to cover the loss and cost of
22 collecting those taxes and also deferred collections thereof
23 and abatements in the amount of those taxes extended or to be
24 extended upon the collectors' books.

25 Estimates of the liabilities of the respective funds shall

1 include:

2 1. All final judgments, including accrued interest
3 thereon, entered against the board and unpaid at the
4 beginning of that fiscal year;

5 2. The principal of all tax anticipation warrants and
6 all temporary loans and all accrued interest thereon unpaid
7 at the beginning of that fiscal year;

8 3. Any amount for which the board is required under
9 this Act to reimburse the working cash fund from the
10 educational fund and operations and maintenance fund; and

11 4. The amount of all accounts payable including
12 estimates of audited vouchers, participation certificates,
13 interfund loans and purchase orders payable.

14 The budget shall also set forth detailed estimates of all
15 taxes to be levied for that year and of all current revenues to
16 be derived from sources other than taxes, including State and
17 Federal contributions, rents, fees, perquisites, and all other
18 types of revenue, which will be applicable to expenditures or
19 charges to be made or incurred during that year.

20 No estimate of taxes to be levied during the fiscal year
21 for educational purposes and operations and maintenance of
22 facilities purposes may exceed a sum equivalent to the product
23 of the value of the taxable property in the district, as
24 ascertained by the last assessment for State and county taxes
25 previous to the passage of the budget, multiplied by the
26 maximum per cent or rate of tax which the corporate authorities

1 of the city are authorized by law to levy for the current
2 fiscal year for those purposes: ~~Provided that any estimate of~~
3 ~~taxes to be levied for the year 1975 collectible in 1976 and~~
4 ~~for the first half of the year 1976 collectible in 1977 for~~
5 ~~educational purposes and operations and maintenance of~~
6 ~~facilities purposes may be equal to a sum equivalent to the~~
7 ~~product of the value of the taxable property in the district,~~
8 ~~as ascertained by the 1972 assessment for State and county~~
9 ~~taxes, multiplied by the maximum per cent or rate of tax which~~
10 ~~the corporate authorities of the city are authorized by law to~~
11 ~~levy for the current fiscal year for those purposes.~~

12 All these estimates shall be so segregated and classified
13 as to funds and in such other manner as to give effect to the
14 requirements of law relating to the respective purposes to
15 which the assets and taxes and other current revenues are
16 applicable, so that no expenditure will be authorized or made
17 for any purpose in excess of the money lawfully available
18 therefor.

19 The several estimates of assets, liabilities and
20 expenditure requirements required or authorized to be made by
21 this Section and by Section 7-10 shall be made on the basis of
22 information known to the board at the time of the passage of
23 the annual budget and are not invalidated or otherwise subject
24 to attack merely because after that time additional information
25 is known to or could be discovered by the board that would
26 require a different estimate or because the board might have

1 amended these estimates under Section 7-12.

10 college structures, erecting additions to, repairing,
11 rehabilitating and replacing existing community college
12 buildings and temporary community college structures,
13 furnishing and equipping community college buildings and
14 temporary community college structures, and purchasing or
15 otherwise acquiring and improving sites for such purposes.

16 The bonds may not be issued until the proposition of
17 authorizing such bonds has been certified to the proper
18 election officials, who shall have submitted it to the electors
19 of the city at a regular scheduled election in accordance with
20 the general election law, and approved by a majority of the
21 electors voting upon that question.

22 The board shall adopt a resolution providing for certifying
23 that proposition for such an election. In addition to the
24 requirements of the general election law the notice of the
25 referendum must contain the amount of the bond issue, maximum

1 rate of interest and purpose for which issued. This notice
2 shall be published in accordance with the general election law.

3 The proposition shall be in substantially the following
4 form:

5 -----

13 rate of not to exceed the maximum

14 rate authorized by the Bond NO

15 Authorization Act, as amended at the

16 time of the making of the contract?

17 -----

18 Whenever the board desires to issue bonds as herein
19 authorized, it shall adopt a resolution designating the purpose
20 for which the proceeds of the bonds are to be expended and
21 fixing the amount of the bonds proposed to be issued, the
22 maturity thereof, and optional provisions, if any, the rate of
23 interest thereon, and the amount of taxes to be levied annually
24 for the purpose of paying the interest upon and the principal
25 of such bonds.

26 The bonds shall bear interest at the rate of not more than

1 the maximum rate authorized by the Bond Authorization Act, as
2 amended at the time of the making of the contract, and shall
3 mature within not to exceed 20 years from their date, and may
4 be made callable on any interest payment date at par and
5 accrued interest, after notice has been given, at the time and
6 in the manner provided in the bond resolution.

7 The bonds shall be issued in the corporate name of the
8 community college district, and they shall be signed by the
9 chairman and secretary of the community college board. The
10 bonds shall also be registered, numbered and countersigned by
11 the treasurer who receives the taxes of the district. The
12 registration shall be in a book in which shall be entered the
13 record of the election authorizing the board to borrow money
14 and a description of the bonds issued, including the number,
15 date, to whom issued, amount, rate of interest and when due.

16 The bonds shall be sold by the board upon such terms as are
17 approved by the board after advertisement for bids, and the
18 proceeds thereof shall be received by the community college
19 treasurer, and expended by the board for the purposes provided
20 in the bond resolution.

21 The community college treasurer shall, before receiving
22 any of such money, execute a surety bond conditioned upon the
23 faithful discharge of his duties with a surety company
24 authorized to do business in this State, which surety bond
25 shall be approved by the community college board and filed as
26 otherwise required under this Act for the treasurer's bond. The

1 penalty of the surety bond shall be in the amount of such bond
2 issue. The surety bond shall be in substantially the same form
3 as the bond otherwise required under this Act for the treasurer
4 and when so given shall fully describe the bond issue which it
5 specifically covers and shall remain in force until the funds
6 of the bond issue are fully disbursed in accordance with the
7 law.

8 Before or at the time of issuing any bonds herein
9 authorized, the board shall by resolution provide for the levy
10 and collection of a direct annual tax upon all the taxable
11 property of such community college district sufficient to pay
12 and discharge the principal thereof at maturity and to pay the
13 interest thereon as it falls due. Such tax shall be levied and
14 collected in like manner with the other taxes of the community
15 college district and shall be in addition to and exclusive of
16 the maximum of all other taxes which the board is authorized by
17 law to levy for community college purposes. Upon the filing in
18 the office of the county clerk of the county wherein such
19 community college district is located of a certified copy of
20 any such ordinance, the county clerk shall extend the tax
21 therein provided for, including an amount to cover loss and
22 cost of collecting such taxes and also deferred collections
23 thereof and abatements in the amounts of such taxes as extended
24 upon the collector's books. The ordinance shall be in force
25 upon its passage.

26 With respect to instruments for the payment of money issued

1 under this Section either before, on, or after the effective
2 date of this amendatory Act of 1989, it is and always has been
3 the intention of the General Assembly (i) that the Omnibus Bond
4 Acts are and always have been supplementary grants of power to
5 issue instruments in accordance with the Omnibus Bond Acts,
6 regardless of any provision of this Act that may appear to be
7 or to have been more restrictive than those Acts, (ii) that the
8 provisions of this Section are not a limitation on the
9 supplementary authority granted by the Omnibus Bond Acts, and
10 (iii) that instruments issued under this Section within the
11 supplementary authority granted by the Omnibus Bond Acts are
12 not invalid because of any provision of this Act that may
13 appear to be or to have been more restrictive than those Acts.

16 Sec. 7-26. Issuance of bonds not exceeding \$15,000,000
17 aggregate. The board may incur an indebtedness and issue bonds
18 therefor in an amount or amounts not to exceed in the aggregate
19 \$15,000,000 for the purpose of erecting, purchasing, or
20 otherwise acquiring buildings suitable for community college
21 use, transferring funds to the Capital Development Board

23 purposes, erecting temporary community college structures,
24 erecting additions to, repairing, rehabilitating, and
25 replacing existing community college buildings and temporary

1 community college structures, furnishing and equipping
2 community college buildings and temporary community college
3 structures, and purchasing or otherwise acquiring and
4 improving sites for such purposes. The bonds may be issued
5 without submitting the question of issuance thereof to the
6 voters of the community college district for approval.

7 Whenever the board desires to issue bonds as herein
8 authorized, it shall adopt a resolution designating the purpose
9 for which the proceeds of the bonds are to be expended and
10 fixing the amount of the bonds proposed to be issued, the
11 schedule of the maturities thereof; and optional provisions, if
12 any, and the maximum rate of interest thereon and directing the
13 sale upon such terms as are determined by the board.

14 The secretary of the board shall cause such sale to be
15 advertised by publication of a notice of sale once, as a legal
16 notice in a newspaper having general circulation in the
17 district, and once in a financial journal published in the City
18 of New York, New York, or Chicago, Illinois. Such notice of
19 sale shall be published not less than 7 nor more than 21 days
20 prior to the date set for the sale of the bonds being
21 advertised. The notice of sale shall state that sealed bids
22 will be received by the board for its bonds and shall include:
23 the amount, date, maturity or maturities of such bonds; the
24 date, time and place of receipt of bids; the maximum
25 permissible interest rate; the basis upon which the bonds will
26 be awarded; call provisions, if any; and such other information

1 as the board may deem pertinent.

2 After the bonds have been awarded to the successful bidder,
3 the board shall adopt a resolution confirming the sale of said
4 bonds to the successful bidder, setting forth the terms of
5 sale, designating the place of payment for the principal and
6 interest, prescribing the form of bond and determining the
7 amount of taxes to be levied annually for each of the years in
8 which said bonds are outstanding for the purpose of paying the
9 interest on and the principal of such bonds.

10 The bonds shall be issued in the corporate name of the
11 community college district, and they shall be signed by the
12 chairman and secretary of the community college board. The
13 bonds shall bear interest at a rate of not more than the
14 maximum rate authorized by the Bond Authorization Act, as
15 amended at the time of the making of the contract, and shall
16 mature within 20 years from the date of issuance, and may be
17 made callable on any interest payment date at par and accrued
18 interest, after notice has been given, at the time and in the
19 manner provided in the bond resolution. The proceeds of sale of
20 said bonds shall be received by the community college
21 treasurer, and expended by the board for the purpose provided
22 in the bond resolution.

23 The community college treasurer shall, before receiving
24 any of such money, execute a surety bond with a surety company
25 authorized to do business in this State conditioned upon the
26 faithful discharge of his duties. That surety bond must pass

1 approval by the community college board and, upon such
2 approval, shall be filed as otherwise required under this Act
3 for the treasurer's bond. The penalty of the surety bond shall
4 be in the amount of such bond issue. The surety bond shall be
5 in substantially the same form as the bond otherwise required
6 under this Act for the treasurer and when so given shall fully
7 describe the bond issue which it specifically covers and shall
8 remain in force until the funds of the bond issue are fully
9 disbursed in accordance with the law.

10 Before or at the time of issuing any bonds herein
11 authorized, the city council, upon the demand and under the
12 direction of the board shall, by ordinance, provide for the
13 levy and collection of a direct annual tax upon all the taxable
14 property within the community college district sufficient to
15 pay and discharge the principal thereof at maturity and to pay
16 the interest thereon as it falls due. Such tax shall be levied
17 and collected in like manner with the other taxes of the
18 community college district and shall be in addition to and
19 exclusive of the maximum of all other taxes which the board is
20 authorized by law to levy for community college purposes. Upon
21 the filing in the office of the county clerk of each county
22 wherein such community college district is located of a
23 certified copy of any such ordinance, the county clerk shall
24 extend the tax therein provided for, including an amount to
25 cover loss and cost of collecting such taxes and also deferred
26 collections thereof and abatements in the amounts of such taxes

1 as extended upon the collector's books.

2 With respect to instruments for the payment of money issued
3 under this Section either before, on, or after the effective
4 date of this amendatory Act of 1989, it is and always has been
5 the intention of the General Assembly (i) that the Omnibus Bond
6 Acts are and always have been supplementary grants of power to
7 issue instruments in accordance with the Omnibus Bond Acts,
8 regardless of any provision of this Act that may appear to be
9 or to have been more restrictive than those Acts, (ii) that the
10 provisions of this Section are not a limitation on the
11 supplementary authority granted by the Omnibus Bond Acts, and
12 (iii) that instruments issued under this Section within the
13 supplementary authority granted by the Omnibus Bond Acts are
14 not invalid because of any provision of this Act that may
15 appear to be or to have been more restrictive than those Acts.
