8 (a) For taxable years ending on or after December 31, 2019,
9 each taxpayer is entitled to a credit against the tax imposed
10 under subsections (a) and (b) of Section 201 in an amount equal
11 to the amount paid by the taxpayer during the taxable year for
12 the purpose of purchasing acoustical materials, other
13 materials, labor, and professional services to soundproof a

23 carried forward and applied to the tax liability for the 5

1 taxable years following the excess credit year. The tax credit
2 shall be applied to the earliest year for which there is a tax
3 liability. If there are credits for more than one year that are
4 available to offset liability, the earlier credit shall be
5 applied first.
