1 AMENDMENT TO HOUSE BILL 2259

2 AMENDMENT NO. _____. Amend House Bill 2259 on page 3,
3 immediately below line 19, by inserting the following:

4 "A licensed physician recommended by the Rare Disease
5 Commission who is a rare disease specialist and possesses
6 scientific knowledge and medical training with respect to rare
7 diseases, and is familiar with drug and biological products and
8 treatment, shall be notified in advance to attend an Illinois
9 Drug and Therapeutics Advisory Board meeting when a drug or
10 biological product is scheduled to be reviewed in order to
11 advise and make recommendations on drugs or biological
12 products."
