1

AN ACT concerning transportation.

2 Be it enacted by the People of the State of Illinois, 3 represented in the General Assembly:

Section 5. The Illinois Vehicle Code is amended by changing
Section 3-809 as follows:

6 (625 ILCS 5/3-809) (from Ch. 95 1/2, par. 3-809)

Sec. 3-809. Farm machinery, exempt vehicles and fertilizer
spreaders; registration fee.

9 (a) Vehicles of the second division having a corn sheller, a well driller, hay press, clover huller, feed mixer and 10 unloader, or other farm machinery permanently mounted thereon 11 and used solely for transporting the same, farm wagon type 12 13 trailers having a fertilizer spreader attachment permanently 14 mounted thereon, having a gross weight of not to exceed 36,000 pounds and used only for the transportation of bulk fertilizer, 15 16 and farm wagon type tank trailers of not to exceed 3,000 17 gallons capacity, used during the liquid fertilizer season as field-storage "nurse tanks" supplying the fertilizer to a field 18 19 applicator and moved on highways only for bringing the fertilizer from a local source of supply to farm or field or 20 21 from one farm or field to another, or used during the lime season and moved on the highways only for bringing from a local 22 source of supply to farm or field or from one farm or field to 23

another, shall be registered upon the filing of a proper 1 2 application and the payment of a registration fee of \$13 per 2-year registration period. This registration fee of \$13 shall 3 be paid in full and shall not be reduced even though such 4 5 registration is made after the beginning of the registration 6 period.

7 (b) Vehicles exempt from registration under the provisions of subsection A of Section 3-402 of this Code, as amended, 8 9 except those vehicles required to be registered under subsection (c) of this Section, may, at the option of the 10 11 owner, be identified as exempt vehicles by displaying 12 registration plates issued by the Secretary of State. The owner 13 may apply for such permanent, non-transferable thereof 14 registration plates upon the filing of a proper application and 15 the payment of a registration fee of \$13. The application for 16 and display of such registration plates for identification 17 purposes by vehicles exempt from registration shall not be deemed as a waiver or rescission of its exempt status, nor make 18 such vehicle subject to registration. Nothing in this Section 19 20 prohibits the towing of another vehicle by the exempt vehicle if the towed vehicle: 21

22

(i) does not exceed the registered weight of 8,000 23 pounds;

(ii) is used exclusively for transportation to and from 24 25 the work site;

26

(iii) is not used for carrying counter weights or other

1 2 material related to the operation of the exempt vehicle
while under tow; and

3

(iv) displays proper and current registration plates.

(c) Any single unit self-propelled agricultural fertilizer 4 5 implement, designed for both on and off road use, equipped with 6 flotation tires and otherwise specially adapted for the 7 application of plant food materials or agricultural chemicals, 8 desiring to be operated upon the highways ladened with load 9 shall be registered upon the filing of a proper application and 10 payment of a registration fee of \$250. The registration fee 11 shall be paid in full and shall not be reduced even though such 12 registration is made during the second half of the registration vear. These vehicles shall, whether loaded or unloaded, be 13 limited to a maximum gross weight of 36,000 pounds, restricted 14 to a highway speed of not more than 30 miles per hour and a 15 16 legal width of not more than 12 feet. Such vehicles shall be 17 limited to the furthering of agricultural or horticultural pursuits and in furtherance of these pursuits, such vehicles 18 may be operated upon the highway, within a 50-mile radius of 19 20 their point of loading as indicated on the written or printed statement required by the Illinois Fertilizer Act of 1961, for 21 22 the purpose of moving plant food materials or agricultural 23 chemicals to the field, or from field to field, for the sole purpose of application. 24

25 No single unit self-propelled agricultural fertilizer
26 implement, designed for both on and off road use, equipped with

1 flotation tires and otherwise specially adapted for the 2 application of plant food materials or agricultural chemicals, 3 having a width of more than 12 feet or a gross weight in excess 4 of 36,000 pounds, shall be permitted to operate upon the 5 highways ladened with load.

6 Whenever any vehicle is operated in violation of subsection 7 (c) of this Section, the owner or the driver of such vehicle 8 shall be deemed guilty of a petty offense and either may be 9 prosecuted for such violation.
