

1 AN ACT concerning safety.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Environmental Protection Act is amended by
5 changing Section 22.01 as follows:

6 (415 ILCS 5/22.01) (from Ch. 111 1/2, par. 1022.01)

7 Sec. 22.01. Manifests for nonhazardous special waste. When
8 manifests are required by the Board for the shipment of
9 nonhazardous special waste, the manifests shall consist of
10 forms prescribed by the Agency. The forms must comply with the
11 requirements of this Section and may be purchased from a third
12 party. ~~such manifests shall be identical to manifests required~~
13 ~~for the shipment of hazardous waste. Such manifests may be~~
14 ~~provided by the Agency, and shall be identical to the manifests~~
15 ~~required by the Board for hazardous waste.~~ Generators of
16 nonhazardous special waste and facilities accepting
17 nonhazardous special waste are not required to submit copies of
18 nonhazardous special waste manifests to the Agency; provided,
19 however, that generators of nonhazardous special waste
20 containing polychlorinated biphenyls and facilities accepting
21 nonhazardous special waste containing polychlorinated
22 biphenyls shall submit copies of nonhazardous special waste
23 manifests to the Agency for shipments of waste containing

1 polychlorinated biphenyls. Copies of each manifest shall be
2 retained for 3 years by generators and facilities, and shall be
3 available for inspection and copying by the Agency. The Agency
4 may adopt such procedures for the distribution of copies of
5 manifests as it deems necessary. Nothing in this Section shall
6 preclude the Agency from collecting fees under Section 22.8 (g)
7 of this Act. Generators of nonhazardous special waste shall not
8 be required to file reports with the Agency regarding the
9 shipment of nonhazardous special waste within the State of
10 Illinois; provided, however, that the Board may require
11 generators of nonhazardous special waste to file annual reports
12 with the Agency regarding the shipment of nonhazardous special
13 waste out-of-state. Commencing February 1, 1992, and annually
14 thereafter, facilities accepting nonhazardous special waste
15 shall file a report with the Agency, specifying the quantities
16 and disposition of nonhazardous special waste accepted for
17 treatment, storage or disposal during the previous calendar
18 year.

19 Nothing in this Section shall be interpreted or construed
20 to prohibit any company treating, storing or disposing of
21 nonhazardous special wastes from requiring manifests to be
22 submitted to it for such wastes. This Section does not apply to
23 potentially infectious medical waste.
