1 AN ACT concerning civil law.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 1. Short title. This Act may be cited as the  
5 Agritourism Liability Act.

6 Section 5. Findings. The General Assembly finds that  
7 agriculture plays a substantial role in the economy, culture,  
8 and history of this State. As an increasing number of State  
9 citizens are removed from day-to-day agricultural experiences,  
10 agritourism provides a valuable educational opportunity for  
11 the public to interact with, experience, and understand  
12 agriculture. In addition, agritourism opportunities provide  
13 valuable options for agricultural producers and rural  
14 residents to maintain their operations and continue a tradition  
15 of economic development in rural areas. On farms and ranches,  
16 inherent risks exist that are essentially impossible for  
17 agritourism operators to eliminate. Uncertainty surrounding  
18 potential liabilities associated with inherent risks  
19 negatively impacts the establishment, growth, and success of  
20 agritourism operations. The purpose of this Act is to define  
21 areas of responsibility and liability for agritourism  
22 operators and participants.

1 Section 10. Definitions. As used in this Act:

2 "Agritourism activity" means any activity carried out on a  
3 farm or ranch that allows members of the general public, for  
4 recreational, entertainment, or educational purposes, to view  
5 or enjoy rural activities. "Agritourism activity" includes,  
6 but is not limited to: farming; ranching; historic, cultural,  
7 and on-site educational programs; guided and self-guided  
8 tours; animal exhibitions; farm festivals; corn mazes;  
9 harvest-your-own operations; hayrides; fishing; hiking; and  
10 camping.

11 "Agritourism operator" means any person or business  
12 providing one or more agritourism activities, whether or not  
13 for compensation.

14 "Inherent risks of agritourism activity" means those  
15 dangers or conditions that are an integral part of an  
16 agritourism activity, such as surface and subsurface  
17 conditions, natural conditions of land, vegetation, waters,  
18 the behavior of wild or domestic animals or insects, and  
19 ordinary dangers of structures or equipment when the structures  
20 or equipment are being used or stored by an agritourism  
21 provider in a manner and for a purpose for which a reasonable  
22 person should know that structures or equipment is intended in  
23 the ordinary use on farming and ranching operations. "Inherent  
24 risks of agritourism activity" includes the potential of a  
25 participant to act in a negligent manner that may contribute to  
26 injury to the participant or others, such as failing to follow

1 instructions given by the agritourism operator or failing to  
2 exercise reasonable caution while engaging in the agritourism  
3 activity.

4 "Participant" means any person, other than the agritourism  
5 operator, who engages in an agritourism activity.

6 Section 15. Liability.

7 (a) Except as provided in Section 20, an agritourism  
8 operator is not liable for the injury or death of a participant  
9 resulting from the inherent risks of agritourism activities if  
10 the warning notice contained in Section 30 is posted as  
11 required.

12 (b) Except as provided in Section 20, a participant assumes  
13 the inherent risks of an agritourism activity by engaging in  
14 the agritourism activity.

15 (c) Except as provided in Section 20, no participant or  
16 participant's representative may pursue an action or recover  
17 from an agritourism operator for the injury, loss, damage, or  
18 death of the participant resulting from any of the inherent  
19 risks of agritourism activities.

20 Section 20. Exceptions.

21 Nothing in Section 15 prevents or limits the liability of  
22 an agritourism operator if the agritourism operator:

23 (1) commits an act or omission that constitutes willful  
24 or wanton disregard for the safety of the participant, and

1 that act or omission proximately causes injury, damage, or  
2 death to the participant; or

3 (2) has actual knowledge or reasonably should know of  
4 an unusual dangerous condition on the land, facilities, or  
5 equipment used in the activity or the dangerous propensity  
6 of a particular animal used in such an activity, does not  
7 make the danger known to the participant, and the danger  
8 proximately causes injury, damage, or death to the  
9 participant.

10 Section 25. Immunity cumulative. Any limitation on legal  
11 liability afforded by Section 15 to an agritourism operator is  
12 in addition to any other limitations of legal liability  
13 otherwise provided by law.

14 Section 30. Signage. In a clearly visible location at or  
15 near the entrance to the agritourism activity, an agritourism  
16 operator shall post and maintain signage that contains the  
17 following warning notice:

18 "NOTICE

19 You are assuming the risk of participating in this agritourism  
20 activity. Inherent risks associated with agritourism  
21 activities include, among others, risks of injury inherent to  
22 land, trees, plants, insects, equipment, weather, and animals,

1 as well as the potential that if you act in a negligent manner,  
2 injury to yourself or others may occur. Under State law, the  
3 agritourism operator is not liable for injury or death of a  
4 participant in an agritourism activity resulting from the  
5 inherent risks of agritourism activities."
