1 AMENDMENT TO SENATE BILL 187

2 AMENDMENT NO. \_\_\_\_\_. Amend Senate Bill 187, AS AMENDED, by  
3 replacing everything after the enacting clause with the  
4 following:

5 "Section 5. The Alzheimer's Disease Assistance Act is  
6 amended by adding Section 8 as follows:

7 (410 ILCS 405/8 new)

8 Sec. 8. Public outreach and training. Subject to  
9 appropriation, the Department shall develop and implement a  
10 coordinated public outreach and training strategy in the State  
11 by December 31, 2019. At a minimum, the strategy shall include:

12 (1) The development of informational materials. After  
13 consultation with the ADA Advisory Committee, the  
14 Department on Aging, the Department of Healthcare and  
15 Family Services, and the Department of Human Services, the  
16 Department shall develop the written informational

1 materials relating to the available services for  
2 individuals, regardless of age, with Alzheimer's disease  
3 and related dementia disorders. At a minimum, the  
4 informational materials shall include:

5 (A) how to identify Alzheimer's disease and  
6 related dementia disorders;

7 (B) how and where to access services for  
8 individuals under programs administered by State  
9 agencies;

10 (C) how and where to obtain support for caregivers  
11 of individuals living with Alzheimer's disease or  
12 related dementia disorders;

13 (D) how and where to obtain training resources for  
14 caregivers;

15 (E) how to communicate with and support  
16 individuals living with Alzheimer's disease and  
17 related dementia disorders;

18 (F) how and where to obtain informational  
19 materials and training resources for health care  
20 providers and service agencies; and

21 (G) a website link to the stand-alone webpage  
22 developed under paragraph (2) of this Section. The  
23 written materials shall be shared with relevant health  
24 care providers and service agencies, including, but  
25 not limited to, hospitals, doctors, Federally  
26 Qualified Health Centers, area agencies on aging, case

1 coordination units, and offices of the Department of  
2 Human Services.

3 (2) The creation of a stand-alone web page focused on  
4 Alzheimer's disease and related dementia disorders. This  
5 web page may be hosted on the Departments website, and  
6 shall include, at minimum:

7 (A) how and where to access services for  
8 individuals under programs administered by State  
9 agencies, including links and contact information for  
10 the appropriate State agencies;

11 (B) the informational materials developed under  
12 paragraph (1) of this Section; and

13 (C) an identifiable and simple URL that can be  
14 referenced on written materials.

15 The Department, the Department on Aging, the Department of  
16 Healthcare and Family Services, and the Department of Human  
17 Services shall post informational materials relating to the  
18 available services for individuals, regardless of age, with  
19 Alzheimer's disease and related dementia disorders, or links to  
20 this information, on the websites of each respective agency."
