2 Illinois Pension Code; and (m) made for contributions to the
3 Downstate Firefighters Pension Fund under Article 4 of the

5 "Debt service extension base" means an amount equal to that
6 portion of the extension for a taxing district for the 1994
7 levy year, or for those taxing districts subject to this Law in
8 accordance with Section 18-213, except for those subject to
9 paragraph (2) of subsection (e) of Section 18-213, for the levy
10 year in which the referendum making this Law applicable to the
11 taxing district is held, or for those taxing districts subject
12 to this Law in accordance with paragraph (2) of subsection (e)
13 of Section 18-213 for the 1996 levy year, constituting an
14 extension for payment of principal and interest on bonds issued
15 by the taxing district without referendum, but not including
16 excluded non-referendum bonds. For park districts (i) that were
17 first subject to this Law in 1991 or 1995 and (ii) whose
18 extension for the 1994 levy year for the payment of principal
19 and interest on bonds issued by the park district without
20 referendum (but not including excluded non-referendum bonds)
21 was less than 51% of the amount for the 1991 levy year
22 constituting an extension for payment of principal and interest
23 on bonds issued by the park district without referendum (but
24 not including excluded non-referendum bonds), "debt service
25 extension base" means an amount equal to that portion of the
26 extension for the 1991 levy year constituting an extension for

1 payment of principal and interest on bonds issued by the park
2 district without referendum (but not including excluded
3 non-referendum bonds). A debt service extension base
4 established or increased at any time pursuant to any provision
5 of this Law, except Section 18-212, shall be increased each
6 year commencing with the later of (i) the 2009 levy year or
7 (ii) the first levy year in which this Law becomes applicable
8 to the taxing district, by the lesser of 5% or the percentage
9 increase in the Consumer Price Index during the 12-month
10 calendar year preceding the levy year. The debt service
11 extension base may be established or increased as provided
12 under Section 18-212. "Excluded non-referendum bonds" means
13 (i) bonds authorized by Public Act 88-503 and issued under
14 Section 20a of the Chicago Park District Act for aquarium and
15 museum projects; (ii) bonds issued under Section 15 of the
16 Local Government Debt Reform Act; or (iii) refunding
17 obligations issued to refund or to continue to refund
18 obligations initially issued pursuant to referendum.

19 "Special purpose extensions" include, but are not limited
20 to, extensions for levies made on an annual basis for
21 unemployment and workers' compensation, self-insurance,
22 contributions to pension plans, and extensions made pursuant to
23 Section 6-601 of the Illinois Highway Code for a road
24 district's permanent road fund whether levied annually or not.
25 The extension for a special service area is not included in the
26 aggregate extension.

1 "Aggregate extension base" means the taxing district's
2 last preceding aggregate extension as adjusted under Sections
3 18-135, 18-215, 18-230, and 18-206. An adjustment under Section
4 18-135 shall be made for the 2007 levy year and all subsequent
5 levy years whenever one or more counties within which a taxing
6 district is located (i) used estimated valuations or rates when
7 extending taxes in the taxing district for the last preceding
8 levy year that resulted in the over or under extension of
9 taxes, or (ii) increased or decreased the tax extension for the
10 last preceding levy year as required by Section 18-135(c).
11 Whenever an adjustment is required under Section 18-135, the
12 aggregate extension base of the taxing district shall be equal
13 to the amount that the aggregate extension of the taxing
14 district would have been for the last preceding levy year if
15 either or both (i) actual, rather than estimated, valuations or
16 rates had been used to calculate the extension of taxes for the
17 last levy year, or (ii) the tax extension for the last
18 preceding levy year had not been adjusted as required by
19 subsection (c) of Section 18-135.

20 Notwithstanding any other provision of law, for levy year
21 2012, the aggregate extension base for West Northfield School
22 District No. 31 in Cook County shall be \$12,654,592.

23 "Levy year" has the same meaning as "year" under Section
24 1-155.

25 "New property" means (i) the assessed value, after final
26 board of review or board of appeals action, of new improvements

1 or additions to existing improvements on any parcel of real
2 property that increase the assessed value of that real property
3 during the levy year multiplied by the equalization factor
4 issued by the Department under Section 17-30, (ii) the assessed
5 value, after final board of review or board of appeals action,
6 of real property not exempt from real estate taxation, which
7 real property was exempt from real estate taxation for any
8 portion of the immediately preceding levy year, multiplied by
9 the equalization factor issued by the Department under Section
10 17-30, including the assessed value, upon final stabilization
11 of occupancy after new construction is complete, of any real
12 property located within the boundaries of an otherwise or
13 previously exempt military reservation that is intended for
14 residential use and owned by or leased to a private corporation
15 or other entity, (iii) in counties that classify in accordance
16 with Section 4 of Article IX of the Illinois Constitution, an
17 incentive property's additional assessed value resulting from
18 a scheduled increase in the level of assessment as applied to
19 the first year final board of review market value, and (iv) any
20 increase in assessed value due to oil or gas production from an
21 oil or gas well required to be permitted under the Hydraulic
22 Fracturing Regulatory Act that was not produced in or accounted
23 for during the previous levy year. In addition, the county
24 clerk in a county containing a population of 3,000,000 or more
25 shall include in the 1997 recovered tax increment value for any
26 school district, any recovered tax increment value that was

1 applicable to the 1995 tax year calculations.

2 "Qualified airport authority" means an airport authority
3 organized under the Airport Authorities Act and located in a
4 county bordering on the State of Wisconsin and having a
5 population in excess of 200,000 and not greater than 500,000.

6 "Recovered tax increment value" means, except as otherwise
7 provided in this paragraph, the amount of the current year's
8 equalized assessed value, in the first year after a
9 municipality terminates the designation of an area as a
10 redevelopment project area previously established under the
11 Tax Increment Allocation Development Act in the Illinois
12 Municipal Code, previously established under the Industrial
13 Jobs Recovery Law in the Illinois Municipal Code, previously
14 established under the Economic Development Project Area Tax
15 Increment Act of 1995, or previously established under the
16 Economic Development Area Tax Increment Allocation Act, of each
17 taxable lot, block, tract, or parcel of real property in the
18 redevelopment project area over and above the initial equalized
19 assessed value of each property in the redevelopment project
20 area. For the taxes which are extended for the 1997 levy year,
21 the recovered tax increment value for a non-home rule taxing
22 district that first became subject to this Law for the 1995
23 levy year because a majority of its 1994 equalized assessed
24 value was in an affected county or counties shall be increased
25 if a municipality terminated the designation of an area in 1993
26 as a redevelopment project area previously established under

1 the Tax Increment Allocation Development Act in the Illinois
2 Municipal Code, previously established under the Industrial
3 Jobs Recovery Law in the Illinois Municipal Code, or previously
4 established under the Economic Development Area Tax Increment
5 Allocation Act, by an amount equal to the 1994 equalized
6 assessed value of each taxable lot, block, tract, or parcel of
7 real property in the redevelopment project area over and above
8 the initial equalized assessed value of each property in the
9 redevelopment project area. In the first year after a
10 municipality removes a taxable lot, block, tract, or parcel of
11 real property from a redevelopment project area established
12 under the Tax Increment Allocation Development Act in the
13 Illinois Municipal Code, the Industrial Jobs Recovery Law in
14 the Illinois Municipal Code, or the Economic Development Area
15 Tax Increment Allocation Act, "recovered tax increment value"
16 means the amount of the current year's equalized assessed value
17 of each taxable lot, block, tract, or parcel of real property
18 removed from the redevelopment project area over and above the
19 initial equalized assessed value of that real property before
20 removal from the redevelopment project area.

21 Except as otherwise provided in this Section, "limiting
22 rate" means a fraction the numerator of which is the last
23 preceding aggregate extension base times an amount equal to one
24 plus the extension limitation defined in this Section and the
25 denominator of which is the current year's equalized assessed
26 value of all real property in the territory under the

1 jurisdiction of the taxing district during the prior levy year.
2 For those taxing districts that reduced their aggregate
3 extension for the last preceding levy year, except for school
4 districts that reduced their extension for educational
5 purposes pursuant to Section 18-206, the highest aggregate
6 extension in any of the last 3 preceding levy years shall be
7 used for the purpose of computing the limiting rate. The
8 denominator shall not include new property or the recovered tax
9 increment value. If a new rate, a rate decrease, or a limiting
10 rate increase has been approved at an election held after March
11 21, 2006, then (i) the otherwise applicable limiting rate shall
12 be increased by the amount of the new rate or shall be reduced
13 by the amount of the rate decrease, as the case may be, or (ii)
14 in the case of a limiting rate increase, the limiting rate
15 shall be equal to the rate set forth in the proposition
16 approved by the voters for each of the years specified in the
17 proposition, after which the limiting rate of the taxing
18 district shall be calculated as otherwise provided. In the case
19 of a taxing district that obtained referendum approval for an
20 increased limiting rate on March 20, 2012, the limiting rate
21 for tax year 2012 shall be the rate that generates the
22 approximate total amount of taxes extendable for that tax year,
23 as set forth in the proposition approved by the voters; this
24 rate shall be the final rate applied by the county clerk for
25 the aggregate of all capped funds of the district for tax year
26 2012.

9 guided by the methods and experience of the Illinois
10 Municipal Retirement Fund.

11 (8) Providing an appropriate system of determining,
12 administering, receiving, and enforcing the required
13 municipal contributions to the Fund. In so doing, the
14 Transition Board shall be guided by the methods and

16 municipal contribution rate shall be determined separately
17 for each municipality on an annual basis in accordance with
18 the requirements of this Article, based on the
19 municipality's separate reserves and accounts within the
20 Fund. The Transition Board shall endeavor to determine the
21 required municipal contributions to the Fund and to notify

11 (12) Administering the Downstate Firefighters Pension

22 Insurance shall provide all reasonably necessary and available
23 temporary office space, technical and clerical support, and

1 Transition Board may direct the Public Pension Division to
2 accelerate, expand, or enhance its examination under Section
3 1A-104 of all or specific Article 4 pension funds, or to

8 (d) The Illinois Municipal Retirement Fund is authorized to

26 includes, but is not limited to, the cost of hiring personnel

18 (40 ILCS 5/4-101.2 new)

19 Sec. 4-101.2. Consolidation of pension funds.

20 (a) On January 1, 2021, all of the individual firefighters'
21 pension funds then established under this Article are merged
22 and consolidated into a single pension fund, to be known as the
23 Downstate Firefighters Pension Fund, which shall be
24 established and administered as prescribed in this Article.

25 In preparation for that consolidation, all pension funds

1 established under this Article, and the municipalities that
2 established them, shall cooperate with the Transition Board.

3 (b) The Downstate Firefighters Pension Fund shall be the
4 legal successor to each of the pension funds that are
5 consolidated within it, and it may exercise any of the rights
6 and powers and perform any of the duties of those pension
7 funds.

8 At the time of consolidation, or as otherwise directed by
9 the Transition Board, all assets and liabilities belonging to
10 or arising from the trust of an existing pension fund shall
11 become the assets and liabilities of the Downstate Firefighters
12 Pension Fund.

13 As and when directed by the Transition Board, the trustees
14 of the pension funds established under Article 4 of this Code
15 shall transfer to the Downstate Firefighters Pension Fund, for
16 management and investment as assets of the Downstate
17 Firefighters Pension Fund, all of their securities and other
18 investments not needed for immediate use.

19 (c) At the time of consolidation or as otherwise directed
20 by the Transition Board, assets not belonging to or arising
21 from the trust that are incidentally owned by a pension fund,
22 and any incidental liabilities of a pension fund not relating
23 to or arising from the trust, shall become the assets and
24 liabilities of the municipality.

25 Assets not belonging to or arising from the trust that are
26 owned by a municipality and incidentally used by a pension

1 fund, and any associated liabilities, are not affected by the
2 consolidation and shall continue to be managed as assets and
3 liabilities of that municipality.

4 As necessary or useful to effectuate the consolidation, the
5 board of trustees of a pension fund to be consolidated and the
6 applicable municipality may each, in its discretion, continue
7 or renegotiate any employment or service contract, lease, or
8 other contract to which it is a party that relates to the
9 operation of the consolidated pension fund, and it may take
10 appropriate action to terminate any such contract as necessary
11 to terminate or avoid unnecessary or duplicative personnel,
12 facilities, or services.

13 (d) Beginning on January 1, 2021, all benefits payable
14 under this Article shall be payable from the Downstate
15 Firefighters Pension Fund.

16 (e) The consolidation of pension funds under this Article
17 shall not diminish or impair the benefits of any current or
18 former firefighter who participated in one of those pension
19 funds, or of any such firefighter's surviving spouse, children,
20 or other dependents.

21 The consolidation of pension funds under this Article does
22 not entitle any person to a recalculation or combination of any
23 benefit or benefits previously granted or to a refund of any
24 contribution previously paid.

25 The consolidation of pension funds under this Article is
26 not intended to increase the benefits provided under this

1 Article, except insofar as the consolidation of pension funds
2 into a single Fund will allow firefighters in active service on
3 or after the consolidation date to have their benefit
4 calculations (and those of their qualifying survivors) include
5 consideration of all of the firefighter's service, salary, and
6 credits in the Fund as though arising under that single Fund,
7 rather than as arising under more than one participating
8 municipality or more than one Article 4 pension fund.

9 (40 ILCS 5/7-199.5 new)

10 Sec. 7-199.5. To assist in the creation and administration
11 of the Downstate Firefighters Pension Fund. To assist in the
12 creation and administration of the Downstate Firefighters
13 Pension Fund under Article 4 of this Code, including assisting
14 the Downstate Firefighters Pension Fund Transition Board,
15 created under Section 4-101.1 of this Code; and pursuant to any
16 contract or other agreement it may enter into with the
17 Transition Board or the Board of Trustees of the Downstate
18 Firefighters Pension Fund, to provide for the administrative
19 staff of one Fund to provide assistance to or consolidate
20 particular services or operations with that of the other Fund,
21 to the extent consistent with their respective fiduciary and
22 other responsibilities.

16 (40 ILCS 5/4-108) (from Ch. 108 1/2, par. 4-108)

17 Sec. 4-108. Creditable service.

18 (a) Creditable service is the time served as a firefighter
19 of a municipality. In computing creditable service, furloughs
20 and leaves of absence without pay exceeding 30 days in any one
21 year shall not be counted, but leaves of absence for illness or
22 accident regardless of length, and periods of disability for
23 which a firefighter received no disability pension payments
24 under this Article, shall be counted.

25 (a-5) Upon the consolidation of the firefighters' pension

1 funds under this Article into the Downstate Firefighters
2 Pension Fund on January 1, 2021, creditable service under any
3 such pension fund shall be deemed to be creditable service in
4 the Downstate Firefighters Pension Fund, subject to the
5 following provisions:

6 (1) The consolidation of firefighters' pension funds
7 into the Downstate Firefighters Pension Fund shall not
8 result in the duplication of any service credit based on
9 the same period of service in this or any other pension
10 fund or retirement system subject to this Code.

11 (2) If this Section or any other provision of this
12 Article imposes a limit on the amount of creditable service
13 that may be established for a particular activity or
14 purpose, and prior to consolidation a firefighter has
15 established periods of creditable service for that
16 activity or purpose in more than one former firefighters'
17 pension fund under this Article, which periods are within
18 that limitation for each such fund but together exceed that
19 limitation, then upon consolidation all such credit
20 previously established by the firefighter shall be
21 preserved under the Fund, but no additional creditable
22 service for that activity or purpose may be established by
23 that firefighter in the Fund.

24 (3) The consolidation of firefighters' pension funds
25 into the Downstate Firefighters Pension Fund shall not
26 entitle any person or pension fund to a refund of any

1 contribution or payment previously paid or transferred in
2 order to establish or transfer creditable service under
3 this Article.

4 (b) Furloughs and leaves of absence of 30 days or less in
5 any one year may be counted as creditable service, if the
6 firefighter makes the contribution to the Fund ~~fund~~ that would
7 have been required had he or she not been on furlough or leave
8 of absence. To qualify for this creditable service, the
9 firefighter must pay the required contributions to the Fund
10 ~~fund~~ not more than 90 days subsequent to the termination of the
11 furlough or leave of absence, to the extent that the
12 municipality has not made such contribution on his or her
13 behalf.

14 (c) Creditable service includes:

15 (1) Service in the military, naval or air forces of the
16 United States entered upon when the person was an active
17 firefighter, provided that, upon applying for a permanent
18 pension, and in accordance with the rules of the board the
19 firefighter pays into the Fund ~~fund~~ the amount that would
20 have been contributed had he or she been a regular
21 contributor during such period of service, if and to the
22 extent that the municipality which the firefighter served
23 made no such contributions in his or her behalf. The total
24 amount of such creditable service shall not exceed 5 years,
25 except that any firefighter who on July 1, 1973 had more
26 than 5 years of such creditable service shall receive the

1 total amount thereof as of that date.

2 (1.5) Up to 24 months of service in the military,
3 naval, or air forces of the United States that was served
4 prior to employment by a municipality or fire protection
5 district as a firefighter. To receive the credit for the
6 military service prior to the employment as a firefighter,
7 the firefighter must apply in writing to the Fund fund and
8 must make contributions to the Fund fund equal to (i) the
9 employee contributions that would have been required had
10 the service been rendered as a member, plus (ii) an amount
11 determined by the Fund fund to be equal to the employer's
12 normal cost of the benefits accrued for that military
13 service, plus (iii) interest at the prescribed rate
14 ~~actuarially assumed rate provided by the Department of~~
15 ~~Financial and Professional Regulation~~, compounded annually
16 from the first date of membership in the Fund fund to the
17 date of payment on items (i) and (ii). The changes to this
18 paragraph (1.5) made by Public Act 95-1056 ~~this amendatory~~
19 ~~Act of the 95th General Assembly~~ apply only to
20 participating employees in service on or after April 10,
21 2009 (its effective date).

22 (2) Service prior to July 1, 1976 by a firefighter
23 initially excluded from participation by reason of age who
24 elected to participate and paid the required contributions
25 for such service.

26 (3) Up to 8 years of service by a firefighter as an

1 officer in a statewide firefighters' association when he is
2 on a leave of absence from a municipality's payroll,
3 provided that (i) the firefighter has at least 10 years of
4 creditable service as an active firefighter, (ii) the
5 firefighter contributes to the Fund ~~fund~~ the amount that he
6 would have contributed had he remained an active member of
7 the Fund ~~fund~~, (iii) the employee or statewide firefighter
8 association contributes to the Fund ~~fund~~ an amount equal to
9 the employer's required contribution as determined by the
10 board, and (iv) for all leaves of absence under this
11 subdivision (3), including those beginning before January
12 5, 2012 (the effective date of Public Act 97-651) ~~this~~
13 ~~amendatory Act of the 97th General Assembly~~, the
