1	AMENDMENT TO SENATE BILL 1591
2	AMENDMENT NO Amend Senate Bill 1591 by replacing
3	everything from line 4 on page 1 through line 24 on page 5 with
4	the following:
5	"Section 3. The Department of Commerce and Economic
6	Opportunity Law of the Civil Administrative Code of Illinois is
7	amended by adding Section 605-1025 as follows:
8	(20 ILCS 605/605-1025 new)
9	Sec. 605-1025. Data center investment.
10	(a) The Department shall issue certificates of exemption
11	from the Retailers' Occupation Tax Act, the Use Tax Act, the
12	Service Use Tax Act, and the Service Occupation Tax Act, all
13	locally-imposed retailers' occupation taxes administered and
14	collected by the Department, the Chicago non-titled Use Tax,
15	and the Electricity Excise Tax Act to qualifying Illinois data
16	centers.

1	(b) For purposes of this Section:
2	"Data center" means a building or a series of buildings
3	that is rehabilitated or constructed to house working
4	servers in one physical location or several sites.
5	"Qualifying Illinois data center" means a new or
6	existing data center that:
7	(1) is located in the State of Illinois;
8	(2) in the case of an existing data center, made a
9	capital investment of at least \$250,000,000
10	collectively by the data center operator and the
11	tenants of all of its data centers over the 60-month
12	period immediately prior to January 1, 2020 or
13	committed to make a capital investment of at least
14	\$250,000,000 over a 60-month period commencing before
15	January 1, 2020 and ending after January 1, 2020; or
16	(3) in the case of a new data center, makes a
17	<u>capital investment of at least \$250,000,000 over a</u>
18	60-month period; and
19	(4) in the case of both existing and new data
20	centers, results in the creation of at least 20
21	<u>full-time or full-time equivalent new jobs over a</u>
22	period of 60 months by the data center operator and the
23	tenants of the data center, collectively, associated
24	with the operation or maintenance of the data center;
25	those jobs must have a total compensation equal to or
26	greater than 120% of the median wage paid to full-time

1	employees in the county where the data center is
2	located, as determined by the U.S. Bureau of Labor
3	Statistics; and
4	(5) is carbon neutral or attains certification
5	under one or more of the following green building
6	standards:
7	(A) BREEAM for New Construction or BREEAM
8	In-Use;
9	(B) ENERGY STAR;
10	(C) Envision;
11	(D) ISO 50001-energy management;
12	(E) LEED for Building Design and Construction
13	or LEED for Operations and Maintenance;
14	(F) Green Globes for New Construction or Green
15	Globes for Existing Buildings;
16	<u>(G) UL 3223; or</u>
17	(H) an equivalent program approved by the
18	Department of Commerce and Economic Opportunity.
19	"Full-time equivalent job" means a job in which the new
20	employee works for the owner, operator, contractor, or
21	tenant of a data center or for a corporation under contract
22	with the owner, operator or tenant of a data center at a
23	rate of at least 35 hours per week. An owner, operator or
24	tenant who employs labor or services at a specific site or
25	facility under contract with another may declare one
26	full-time, permanent job for every 1,820 man hours worked

per year under that contract. Vacations, paid holidays, and 1 2 sick time are included in this computation. Overtime is not 3 considered a part of regular hours. "Qualified tangible personal property" means: 4 electrical systems and equipment; climate control and 5 chilling equipment and systems; mechanical systems and 6 equipment; monitoring and secure systems; emergency 7 8 generators; hardware; computers; servers; data storage 9 devices; network connectivity equipment; racks; cabinets; 10 telecommunications cabling infrastructure; raised floor systems; peripheral components or systems; software; 11 mechanical, electrical, or plumbing systems; battery 12 systems; cooling systems and towers; temperature control 13 14 systems; other cabling; and other data center infrastructure equipment and systems necessary to operate 15 gualified tangible personal property, including fixtures; 16 and component parts of any of the foregoing, including 17 installation, maintenance, repair, refurbishment, and 18 19 replacement of qualified tangible personal property to 20 generate, transform, transmit, distribute, or manage 21 electricity necessary to operate qualified tangible 22 personal property; and all other tangible personal property that is essential to the operations of a computer 23 24 data center. "Qualified tangible personal property" also 25 includes building materials physically incorporated in to 26 the qualifying data center.

1	To document the exemption allowed under this Section, the
2	retailer must obtain from the purchaser a copy of the
3	certificate of eligibility issued by the Department.
4	(c) New and existing data centers seeking a certificate of
5	exemption for new or existing facilities shall apply to the
6	Department in the manner specified by the Department. The
7	Department and any data center seeking the exemption, including
8	a data center operator on behalf of itself and its tenants,
9	must enter into a memorandum of understanding that at a minimum
10	provides:
11	(1) the details for determining the amount of capital
12	investment to be made;
13	(2) the number of new jobs created;
14	(3) the timeline for achieving the capital investment
15	and new job goals;
16	(4) the repayment obligation should those goals not be
17	achieved and any conditions under which repayment by the
18	qualifying data center or data center tenant claiming the
19	exemption will be required; and
20	(5) other provisions as deemed necessary by the
21	Department.
22	(d) Beginning July 1, 2021, and each year thereafter, the
23	Department shall annually report to the Governor and the
24	General Assembly on the outcomes and effectiveness of this
25	amendatory Act of the 101st General Assembly that shall include
26	the following:
