6 (40 ILCS 5/5-163) (from Ch. 108 1/2, par. 5-163)

7 Sec. 5-163. Refund - General.

8 (a) A policeman, without regard to his period of service,
9 ~~who withdraws before age 50, and a policeman with less than 10~~
10 ~~years of service who withdraws before age 57,~~ is entitled to a
11 refund of the amount deducted from his salary for age and
12 service annuity or Tier 2 monthly retirement annuity, for
13 automatic annual increase in annuity as provided in Section
14 5-167.1, and for widow's annuity or Tier 2 surviving spouse's
15 annuity, together with interest at 1-1/2% per year on each
16 deduction from the date of each deduction until the date of his
17 withdrawal from the service.

18 (b) Any refund under this Article shall be calculated based
19 on the policeman's contributions to the fund, less the amount
20 of any annuity benefit previously received by the policeman and
21 his beneficiaries. A policeman shall have no such right of
22 refund if the sum of the annuity benefits the policeman and his
23 beneficiaries have received exceeds the sum to which the

1 policeman has contributed to the fund. ~~A policeman may receive~~
2 ~~a refund until the annuity to which he is entitled has been~~
3 ~~fixed. Thereafter, he shall have no such right of refund.~~

4 (c) A policeman who withdraws the amount credited to him
5 surrenders and forfeits all rights to any annuity or other
6 benefit from the fund, for himself and for any other person or
7 persons who might otherwise have benefited through him. The
8 rights so forfeited shall be restored to him, his wife or widow
9 and his children upon full repayment as provided in Section
10 5-164.

11 If the policeman subsequently re-enters service before age
12 57, and has not so repaid in full the amounts refunded the
13 rights forfeited shall not be restored, but the policeman shall
14 retain the right (which is also secured to the widow) to have
15 the period of service represented by the refunds counted in the
16 compensation of length of service, except as otherwise provided
17 in Section 5-164.

18 (d) A policeman who has served less than 10 years who has
19 not received a refund shall have all amounts to his credit for
20 purposes on the date of his withdrawal improved by interest
21 while he is out of service until he attains age 57, if he
22 subsequently re-enters the service and attains a right to
23 annuity.

24 (e) If a policeman elects to make additional contribution
25 for past service as provided in Section 5-174 and fails to pay
26 such contributions in full within the time specified in said

1 section, a refund of the amount so paid, with interest at
2 1-1/2% per year, compounded annually, shall be refunded as
3 provided in said section.

4 (f) If a policeman makes contributions in accordance with
5 the provisions of Section 5-174(b) and subsequently returns to
6 the position he holds by certification and appointment as the
7 result of competitive civil service examination, he shall
8 receive a refund of such contributions, upon application
9 therefor, together with interest at 1-1/2% per year on each
10 such deduction from the date it was made to the date of refund.
11 Application for refund must be made before the annuity to which
12 he has a right has been fixed.
