

1 AN ACT concerning health.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Vital Records Act is amended by changing
5 Sections 17, 25.3, and 25.4 and adding Section 25.6 as
6 follows:

7 (410 ILCS 535/17) (from Ch. 111 1/2, par. 73-17)

8 Sec. 17. (1) For a person born in this State, the State
9 Registrar of Vital Records shall establish a new certificate
10 of birth when he receives any of the following:

11 (a) A certificate of adoption as provided in Section
12 16 or a certified copy of the order of adoption together
13 with the information necessary to identify the original
14 certificate of birth and to establish the new certificate
15 of birth; except that a new certificate of birth shall not
16 be established if so requested by the court ordering the
17 adoption, the adoptive parents, or the adopted person.

18 (b) A certificate of adoption or a certified copy of
19 the order of adoption entered in a court of competent
20 jurisdiction of any other state or country declaring
21 adopted a child born in the State of Illinois, together
22 with the information necessary to identify the original
23 certificate of birth and to establish the new certificate

1 of birth; except that a new certificate of birth shall not
2 be established if so requested by the court ordering the
3 adoption, the adoptive parents, or the adopted person.

4 (c) A request that a new certificate be established
5 and such evidence as required by regulation proving that
6 such person has been legitimized, or that the circuit
7 court, the Department of Healthcare and Family Services
8 (formerly Illinois Department of Public Aid), or a court
9 or administrative agency of any other state has
10 established the paternity of such a person by judicial or
11 administrative processes or by voluntary acknowledgment,
12 which is accompanied by the social security numbers of all
13 persons determined and presumed to be the parents.

14 (d) (Blank). ~~A declaration by a licensed health care~~
15 ~~professional or licensed mental health professional who~~
16 ~~has treated or evaluated a person stating that the person~~
17 ~~has undergone treatment that is clinically appropriate for~~
18 ~~that individual for the purpose of gender transition,~~
19 ~~based on contemporary medical standards, or that the~~
20 ~~individual has an intersex condition, and that the sex~~
21 ~~designation on such person's birth record should therefore~~
22 ~~be changed. The information in the declaration shall be~~
23 ~~proved by the licensed health care professional or~~
24 ~~licensed mental health professional signing and dating it~~
25 ~~in substantially the following form: "I declare (or~~
26 ~~certify, verify, or state) under penalty of perjury that~~

1 ~~the foregoing is true and correct. Executed on (date).".~~
2 ~~The new certificate of birth shall reflect any legal name~~
3 ~~change, so long as the appropriate documentation of the~~
4 ~~name change is submitted.~~

5 (e) A statement signed by the person in which the
6 person attests to making the request for the purpose of
7 affirming the person's gender identity or intersex
8 condition and that the sex designation on the person's
9 certificate of birth should therefore be changed to a
10 male, female, or X designation.

11 Each request for a new certificate of birth shall be
12 accompanied by a fee of \$15 and entitles the applicant to one
13 certification or certified copy of the new certificate. If the
14 request is for additional copies, it shall be accompanied by a
15 fee of \$2 for each additional certification or certified copy.
16 The fee for a new certificate of birth shall not be required
17 from a person (1) upon release on parole, mandatory supervised
18 release, final discharge, or pardon from the Department of
19 Corrections if the person presents a prescribed verification
20 form completed by the Department of Corrections verifying the
21 released person's date of birth and social security number, or
22 (2) placed on aftercare release under the Juvenile Court Act
23 of 1987, upon release on parole, mandatory supervised release,
24 final discharge, or pardon from the Department of Juvenile
25 Justice if the person presents a prescribed verification form
26 completed by the Department of Juvenile Justice verifying the

1 person's date of birth and social security number. However,
2 the person is entitled to only one new certificate of birth fee
3 waiver.

4 (2) When a new certificate of birth is established, the
5 actual place and date of birth shall be shown; provided, in the
6 case of adoption of a person born in this State by parents who
7 were residents of this State at the time of the birth of the
8 adopted person, the place of birth may be shown as the place of
9 residence of the adoptive parents at the time of such person's
10 birth, if specifically requested by them, and any new
11 certificate of birth established prior to the effective date
12 of this amendatory Act may be corrected accordingly if so
13 requested by the adoptive parents or the adopted person when
14 of legal age. The social security numbers of the parents shall
15 not be recorded on the certificate of birth. The social
16 security numbers may only be used for purposes allowed under
17 federal law. The new certificate shall be substituted for the
18 original certificate of birth:

19 (a) Thereafter, the original certificate and the
20 evidence of paternity, legitimation, or change of sex
21 designation shall not be subject to inspection or
22 certification except upon order of the circuit court,
23 request of the person named on the certificate of birth,
24 or as provided by regulation. If the new certificate was
25 issued subsequent to an adoption, then the evidence of
26 adoption is not subject to inspection or certification

1 except upon order of the circuit court or as provided by
2 rule, and the original certificate shall not be subject to
3 inspection until the adopted person has reached the age of
4 21; thereafter, the original certificate shall be made
5 available as provided by Section 18.1b of the Adoption
6 Act, and nothing in this subsection shall impede or
7 prohibit access to the original birth certificate under
8 Section 18.1b of the Adoption Act.

9 (b) Upon receipt of notice of annulment of adoption,
10 the original certificate of birth shall be restored to its
11 place in the files, and the new certificate and evidence
12 shall not be subject to inspection or certification except
13 upon order of the circuit court.

14 (3) If no certificate of birth is on file for the person
15 for whom a new certificate is to be established under this
16 Section, a delayed record of birth shall be filed with the
17 State Registrar of Vital Records as provided in Section 14 or
18 Section 15 of this Act before a new certificate of birth is
19 established, except that when the date and place of birth and
20 parentage have been established in the adoption proceedings, a
21 delayed record shall not be required.

22 (4) When a new certificate of birth is established by the
23 State Registrar of Vital Records, all copies of the original
24 certificate of birth in the custody of any custodian of
25 permanent local records in this State shall be transmitted to
26 the State Registrar of Vital Records as directed, and shall be

1 sealed from inspection except as provided by Section 18.1b of
2 the Adoption Act.

3 (5) Nothing in this Section shall be construed to prohibit
4 the amendment of a birth certificate in accordance with
5 subsection (6) of Section 22.
