1 AMENDMENT TO HOUSE BILL 82

2 AMENDMENT NO. _____. Amend House Bill 82 on page 1, line
3 4, by replacing "Section" with "Sections"; and

4 on page 1, line 5, after "2-3.182", by inserting "and
5 34-18.78"; and

6 on page 2, immediately below line 23, by inserting the
7 following:

8 "The State Board of Education shall hold hearings with
9 members of the community within the school districts of the
10 high schools participating in the program. The members of the
11 community shall include, but are not limited to, students,
12 teachers, and businesses. The hearings shall cover which
13 advanced manufacturing technical skills are to be included in
14 the program. The hearings shall be conducted starting before
15 the program is implemented and afterward at least once every 5
16 years.

1 (f) The State Board of Education shall conduct a study
2 every 5 years on the advanced manufacturing technical skills
3 needed in the program area. The Office of Employment and
4 Training in the Department of Commerce and Economic
5 Opportunity shall work with the State Board of Education in
6 conducting the study. The State Board of Education shall
7 incorporate into the study community feedback from the
8 hearings conducted under subsection (e).
