

1 AN ACT concerning safety.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 5. The Radon Industry Licensing Act is amended by  
5 changing Section 27 as follows:

6 (420 ILCS 44/27)

7 Sec. 27. Approval of radon sampling and measurement  
8 devices for radon contractors. No person shall sell a device  
9 in this State to a radon contractor for use in licensed  
10 activities to detect the presence of radon or radon progeny in  
11 the indoor atmosphere without prior approval of the device  
12 from the Agency. All electronic radon detection devices sold  
13 to radon contractors for use in a licensed activity in this  
14 State must be calibrated to ensure the accuracy and precision  
15 of their measurements of radon and radon progeny.
