A BILL FOR

1 AN ACT concerning public aid.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Illinois Public Aid Code is amended by
5 changing Section 5-1 as follows:

6 (305 ILCS 5/5-1) (from Ch. 23, par. 5-1)

7 Sec. 5-1. Declaration of purpose. It is the ~~the~~ purpose of
8 this Article to provide a program of essential medical care
9 and rehabilitative services for persons receiving basic
10 maintenance grants under this Code and for other persons who
11 are unable, because of inadequate resources, to meet their
12 essential medical needs.

13 Preservation of health, alleviation of sickness, and
14 correction of disabling conditions for persons requiring
15 maintenance support are essential if they are to have an
16 opportunity to become self-supporting or to attain a greater
17 capacity for self-care. For persons who are medically indigent
18 but otherwise able to provide themselves with a livelihood, it
19 is of special importance to maintain their incentives for
20 continued independence and preserve their limited resources
21 for ordinary maintenance needs to prevent their total or
22 substantial dependency.
