1 AMENDMENT TO HOUSE BILL 3145

2 AMENDMENT NO. _____. Amend House Bill 3145 by replacing
3 everything after the enacting clause with the following:

4 "Section 5. The Board of Higher Education Act is amended
5 by changing Section 7 as follows:

6 (110 ILCS 205/7) (from Ch. 144, par. 187)

7 Sec. 7. The Board of Trustees of the University of
8 Illinois, the Board of Trustees of Southern Illinois
9 University, the Board of Trustees of Chicago State University,
10 the Board of Trustees of Eastern Illinois University, the
11 Board of Trustees of Governors State University, the Board of
12 Trustees of Illinois State University, the Board of Trustees
13 of Northeastern Illinois University, the Board of Trustees of
14 Northern Illinois University, the Board of Trustees of Western
15 Illinois University, the Illinois Community College Board and
16 the campuses under their governance or supervision shall not

1 hereafter undertake the establishment of any new unit of
2 instruction, research, or public service without the approval
3 of the Board, with the exception of a course in labor history
4 and workers' rights under the National Labor Relations Act as
5 a graduation requirement for a State-funded Electric Vehicle
6 Technology Associates in Applied Science Degree. The term "new
7 unit of instruction, research, or public service" includes the
8 establishment of a college, school, division, institute,
9 department, or other unit in any field of instruction,
10 research, or public service not theretofore included in the
11 program of the institution, and includes the establishment of
12 any new branch or campus. The term does not include reasonable
13 and moderate extensions of existing curricula, research, or
14 public service programs which have a direct relationship to
15 existing programs; and the Board may, under its rulemaking
16 power, define the character of such reasonable and moderate
17 extensions.

18 Such governing boards shall submit to the Board all
19 proposals for a new unit of instruction, research, or public
20 service. The Board may approve or disapprove the proposal in
21 whole or in part or approve modifications thereof whenever in
22 its judgment such action is consistent with the objectives of
23 an existing or proposed master plan of higher education.

24 The Board of Higher Education is authorized to review
25 periodically all existing programs of instruction, research,
26 and public service at the State universities and colleges and

1 to advise the appropriate board of control if the contribution
2 of each program is not educationally and economically
3 justified. Each State university shall report annually to the
4 Board on programs of instruction, research, or public service
5 that have been terminated, dissolved, reduced, or consolidated
6 by the university. Each State university shall also report to
7 the Board all programs of instruction, research, and public
8 service that exhibit a trend of low performance in
9 enrollments, degree completions, and high expense per degree.
10 The Board shall compile an annual report that shall contain
11 information on new programs created, existing programs that
12 have been closed or consolidated, and programs that exhibit
13 low performance or productivity. The report must be submitted
14 to the General Assembly. The Board shall have the authority to
15 define relevant terms and timelines by rule with respect to
16 this reporting.
