2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Illinois Vehicle Code is amended by adding
5 Section 12-614 as follows:

6 (625 ILCS 5/12-614 new)

7 Sec. 12-614. Starter interrupt devices.

8 (a) Each vehicle registered in this State shall have
9 installed a starter interrupt device, commonly known as a
10 "kill switch", to allow remote inactivation of a vehicle by
11 law enforcement at the request of the vehicle owner.

12 (b) Within 2 years after the effective date of this
13 amendatory Act of the 102nd General Assembly, every vehicle
14 registered within this State that does not have installed a
15 starter interrupt device shall be retrofitted with such a
16 product.

17 (c) Every vehicle sold in this State after the effective
18 date of this amendatory Act of the 102nd General Assembly
19 shall be manufactured with a starter interrupt device that can
20 be activated by law enforcement at the request of the vehicle
21 owner.

22 (d) No starter interrupt device shall be activated in any
23 vehicle solely as a means to secure payment on the vehicle.
