HB4232

Introduced 1/5/2022, by Rep. Mark Batinick

#### SYNOPSIS AS INTRODUCED:

750 ILCS 5/602.9

Amends the Illinois Marriage and Dissolution of Marriage Act. Provides that, in determining whether to grant visitation to a non-parent, the court shall consider whether denying visitation will result in the loss of knowledge of genetic history or health information necessary for future preventive health care measures of the child. Allows a grandparent, great-grandparent, step-parent, or sibling of a minor child to bring a petition for visitation and electronic communication if there is an unreasonable denial of visitation by a parent that causes undue mental, physical, or emotional harm to the child and if a parent of the child is a threat to the physical, mental, or emotional safety of either of the parents or the child.

1 AN ACT concerning civil law.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 5. The Illinois Marriage and Dissolution of  
5 Marriage Act is amended by changing Section 602.9 as follows:

6 (750 ILCS 5/602.9)

7 Sec. 602.9. Visitation by certain non-parents.

8 (a) As used in this Section:

9 (1) "electronic communication" means time that a  
10 grandparent, great-grandparent, sibling, or step-parent  
11 spends with a child during which the child is not in the  
12 person's actual physical custody, but which is facilitated  
13 by the use of communication tools such as the telephone,  
14 electronic mail, instant messaging, video conferencing or  
15 other wired or wireless technologies via the Internet, or  
16 another medium of communication;

17 (2) "sibling" means a brother or sister either of the  
18 whole blood or the half blood, stepbrother, or stepsister  
19 of the minor child;

20 (3) "step-parent" means a person married to a child's  
21 parent, including a person married to the child's parent  
22 immediately prior to the parent's death; and

23 (4) "visitation" means in-person time spent between a

1 child and the child's grandparent, great-grandparent,  
2 sibling, step-parent, or any person designated under  
3 subsection (d) of Section 602.7. In appropriate  
4 circumstances, visitation may include electronic  
5 communication under conditions and at times determined by  
6 the court.

7 (b) General provisions.

8 (1) An appropriate person, as identified in subsection  
9 (c) of this Section, may bring an action in circuit court  
10 by petition, or by filing a petition in a pending  
11 dissolution proceeding or any other proceeding that  
12 involves parental responsibilities or visitation issues  
13 regarding the child, requesting visitation with the child  
14 pursuant to this Section. If there is not a pending  
15 proceeding involving parental responsibilities or  
16 visitation with the child, the petition for visitation  
17 with the child must be filed in the county in which the  
18 child resides. Notice of the petition shall be given as  
19 provided in subsection (c) of Section 601.2 of this Act.

20 (2) This Section does not apply to a child:

21 (A) in whose interests a petition is pending under  
22 Section 2-13 of the Juvenile Court Act of 1987; or

23 (B) in whose interests a petition to adopt by an  
24 unrelated person is pending under the Adoption Act; or

25 (C) who has been voluntarily surrendered by the  
26 parent or parents, except for a surrender to the

1 Department of Children and Family Services or a foster  
2 care facility; or

3 (D) who has been previously adopted by an  
4 individual or individuals who are not related to the  
5 biological parents of the child or who is the subject  
6 of a pending adoption petition by an individual or  
7 individuals who are not related to the biological  
8 parents of the child; or

9 (E) who has been relinquished pursuant to the  
10 Abandoned Newborn Infant Protection Act.

11 (3) A petition for visitation may be filed under this  
12 Section only if there has been an unreasonable denial of  
13 visitation by a parent and the denial has caused the child  
14 undue mental, physical, or emotional harm.

15 (4) There is a rebuttable presumption that a fit  
16 parent's actions and decisions regarding grandparent,  
17 great-grandparent, sibling, or step-parent visitation are  
18 not harmful to the child's mental, physical, or emotional  
19 health. The burden is on the party filing a petition under  
20 this Section to prove that the parent's actions and  
21 decisions regarding visitation will cause undue harm to  
22 the child's mental, physical, or emotional health.

23 (5) In determining whether to grant visitation, the  
24 court shall consider the following:

25 (A) the wishes of the child, taking into account  
26 the child's maturity and ability to express reasoned

1 and independent preferences as to visitation;

2 (B) the mental and physical health of the child;

3 (C) the mental and physical health of the  
4 grandparent, great-grandparent, sibling, or  
5 step-parent;

6 (D) the length and quality of the prior  
7 relationship between the child and the grandparent,  
8 great-grandparent, sibling, or step-parent;

9 (E) the good faith of the party in filing the  
10 petition;

11 (F) the good faith of the person denying  
12 visitation;

13 (G) the quantity of the visitation time requested  
14 and the potential adverse impact that visitation would  
15 have on the child's customary activities;

16 (H) any other fact that establishes that the loss  
17 of the relationship between the petitioner and the  
18 child is likely to unduly harm the child's mental,  
19 physical, or emotional health; ~~and~~

20 (I) whether visitation can be structured in a way  
21 to minimize the child's exposure to conflicts between  
22 the adults; and

23 (J) whether denial of visitation will result in  
24 the loss of knowledge of genetic history or health  
25 information necessary for future preventive health  
26 care measures of the child.

1           (6) Any visitation rights granted under this Section  
2 before the filing of a petition for adoption of the child  
3 shall automatically terminate by operation of law upon the  
4 entry of an order terminating parental rights or granting  
5 the adoption of the child, whichever is earlier. If the  
6 person or persons who adopted the child are related to the  
7 child, as defined by Section 1 of the Adoption Act, any  
8 person who was related to the child as grandparent,  
9 great-grandparent, or sibling prior to the adoption shall  
10 have standing to bring an action under this Section  
11 requesting visitation with the child.

12           (7) The court may order visitation rights for the  
13 grandparent, great-grandparent, sibling, or step-parent  
14 that include reasonable access without requiring overnight  
15 or possessory visitation.

16           (c) Visitation by grandparents, great-grandparents,  
17 step-parents, and siblings.

18           (1) Grandparents, great-grandparents, step-parents,  
19 and siblings of a minor child who is one year old or older  
20 may bring a petition for visitation and electronic  
21 communication under this Section if there is an  
22 unreasonable denial of visitation by a parent that causes  
23 undue mental, physical, or emotional harm to the child and  
24 if at least one of the following conditions exists:

25                   (A) the child's other parent is deceased or has  
26           been missing for at least 90 days. For the purposes of

1           this subsection a parent is considered to be missing  
2           if the parent's location has not been determined and  
3           the parent has been reported as missing to a law  
4           enforcement agency; or

5           (B) a parent of the child is incompetent as a  
6           matter of law; or

7           (C) a parent has been incarcerated in jail or  
8           prison for a period in excess of 90 days immediately  
9           prior to the filing of the petition; or

10          (D) the child's parents have been granted a  
11          dissolution of marriage or have been legally separated  
12          from each other or there is pending a dissolution  
13          proceeding involving a parent of the child or another  
14          court proceeding involving parental responsibilities  
15          or visitation of the child (other than an adoption  
16          proceeding of an unrelated child, a proceeding under  
17          Article II of the Juvenile Court Act of 1987, or an  
18          action for an order of protection under the Illinois  
19          Domestic Violence Act of 1986 or Article 112A of the  
20          Code of Criminal Procedure of 1963) and at least one  
21          parent does not object to the grandparent,  
22          great-grandparent, step-parent, or sibling having  
23          visitation with the child. The visitation of the  
24          grandparent, great-grandparent, step-parent, or  
25          sibling must not diminish the parenting time of the  
26          parent who is not related to the grandparent,

1 great-grandparent, step-parent, or sibling seeking  
2 visitation; or

3 (E) (i) the child is born to parents who are not  
4 married to each other; (ii) the parents are not living  
5 together; (iii) the petitioner is a grandparent,  
6 great-grandparent, step-parent, or sibling of the  
7 child; and (iv) the parent-child relationship has been  
8 legally established. For purposes of this subdivision  
9 (E), if the petitioner is a grandparent or  
10 great-grandparent, the parent-child relationship need  
11 be legally established only with respect to the parent  
12 who is related to the grandparent or  
13 great-grandparent. For purposes of this subdivision  
14 (E), if the petitioner is a step-parent, the  
15 parent-child relationship need be legally established  
16 only with respect to the parent who is married to the  
17 petitioner or was married to the petitioner  
18 immediately before the parent's death; or

19 (F) a parent of the child is a threat to the  
20 physical, mental, or emotional safety of either of the  
21 parents or the child.

22 (2) In addition to the factors set forth in  
23 subdivision (b) (5) of this Section, the court should  
24 consider:

25 (A) whether the child resided with the petitioner  
26 for at least 6 consecutive months with or without a

1 parent present;

2 (B) whether the child had frequent and regular  
3 contact or visitation with the petitioner for at least  
4 12 consecutive months; and

5 (C) whether the grandparent, great-grandparent,  
6 sibling, or step-parent was a primary caretaker of the  
7 child for a period of not less than 6 consecutive  
8 months within the 24-month period immediately  
9 preceding the commencement of the proceeding.

10 (3) An order granting visitation privileges under this  
11 Section is subject to subsections (c) and (d) of Section  
12 603.10.

13 (4) A petition for visitation privileges may not be  
14 filed pursuant to this subsection (c) by the parents or  
15 grandparents of a parent of the child if parentage between  
16 the child and the related parent has not been legally  
17 established.

18 (d) Modification of visitation orders.

19 (1) Unless by stipulation of the parties, no motion to  
20 modify a grandparent, great-grandparent, sibling, or  
21 step-parent visitation order may be made earlier than 2  
22 years after the date the order was filed, unless the court  
23 permits it to be made on the basis of affidavits that there  
24 is reason to believe the child's present environment may  
25 endanger seriously the child's mental, physical, or  
26 emotional health.

1           (2) The court shall not modify an order that grants  
2           visitation to a grandparent, great-grandparent, sibling,  
3           or step-parent unless it finds by clear and convincing  
4           evidence, upon the basis of facts that have arisen since  
5           the prior visitation order or that were unknown to the  
6           court at the time of entry of the prior visitation order,  
7           that a change has occurred in the circumstances of the  
8           child or his or her parent, and that the modification is  
9           necessary to protect the mental, physical, or emotional  
10          health of the child. The court shall state in its decision  
11          specific findings of fact in support of its modification  
12          or termination of the grandparent, great-grandparent,  
13          sibling, or step-parent visitation. A child's parent may  
14          always petition to modify visitation upon changed  
15          circumstances when necessary to promote the child's best  
16          interests.

17          (3) Notice of a motion requesting modification of a  
18          visitation order shall be provided as set forth in  
19          subsection (c) of Section 601.2 of this Act.

20          (4) Attorney's fees and costs shall be assessed  
21          against a party seeking modification of the visitation  
22          order if the court finds that the modification action is  
23          vexatious and constitutes harassment.

24          (e) No child's grandparent, great-grandparent, sibling, or  
25          step-parent, or any person to whom the court is considering  
26          granting visitation privileges pursuant to subsection (d) of

1 Section 602.7, who was convicted of any offense involving an  
2 illegal sex act perpetrated upon a victim less than 18 years of  
3 age including, but not limited to, offenses for violations of  
4 Section 11-1.20, 11-1.30, 11-1.40, 11-1.50, 11-1.60, 11-1.70,  
5 or Article 12 of the Criminal Code of 1961 or the Criminal Code  
6 of 2012, is entitled to visitation while incarcerated or while  
7 on parole, probation, conditional discharge, periodic  
8 imprisonment, or mandatory supervised release for that  
9 offense, and upon discharge from incarceration for a  
10 misdemeanor offense or upon discharge from parole, probation,  
11 conditional discharge, periodic imprisonment, or mandatory  
12 supervised release for a felony offense. Visitation shall be  
13 denied until the person successfully completes a treatment  
14 program approved by the court. Upon completion of treatment,  
15 the court may deny visitation based on the factors listed in  
16 subdivision (b) (5) of this Section.

17 (f) No child's grandparent, great-grandparent, sibling, or  
18 step-parent, or any person to whom the court is considering  
19 granting visitation privileges pursuant to subsection (d) of  
20 Section 602.7, may be granted visitation if he or she has been  
21 convicted of first degree murder of a parent, grandparent,  
22 great-grandparent, or sibling of the child who is the subject  
23 of the visitation request. Pursuant to a motion to modify  
24 visitation, the court shall revoke visitation rights  
25 previously granted to any person who would otherwise be  
26 entitled to petition for visitation rights under this Section

1 or granted visitation under subsection (d) of Section 602.7,  
2 if the person has been convicted of first degree murder of a  
3 parent, grandparent, great-grandparent, or sibling of the  
4 child who is the subject of the visitation order. Until an  
5 order is entered pursuant to this subsection, no person may  
6 visit, with the child present, a person who has been convicted  
7 of first degree murder of the parent, grandparent,  
8 great-grandparent, or sibling of the child without the consent  
9 of the child's parent, other than a parent convicted of first  
10 degree murder as set forth herein, or legal guardian.
