

102ND GENERAL ASSEMBLY

State of Illinois

2021 and 2022

HB4322

Introduced 1/5/2022, by Rep. Curtis J. Tarver, II

SYNOPSIS AS INTRODUCED:

See Index

Amends the Residential Real Property Disclosure Act. Changes the definition of "seller". Defines "contract". Changes the phrases "disclosure document" and "disclosure statement" to "disclosure report". Provides that if a seller is involved in specified types of transfers, the seller is exempt from the Act, regardless of whether a disclosure report is delivered. Provides that the seller shall deliver to the prospective buyer the written disclosure report before the signing of a contract (rather than before the signing of a written agreement by the seller and prospective buyer that would require the prospective buyer to accept a transfer of the residential real property). Provides that if, prior to closing, any seller becomes aware (rather than has actual knowledge) of an error, inaccuracy, or omission in any prior disclosure report or supplement after delivery of that disclosure report or supplement to a prospective buyer, that seller shall supplement the prior disclosure report. Makes changes to the disclosure report form. Provides that if a seller discloses a material defect in the disclosure report, a prospective buyer, within 5 (rather than 3) business days after receipt of the disclosure report, may terminate the contract. Provides that if a seller discloses a material defect in a supplement to the disclosure, the prospective buyer shall not have a right to terminate unless: (i) the material defect results from an error, inaccuracy, or omission of which the seller had actual knowledge at the time of the prior disclosure; (ii) the material defect is not repairable prior to closing; or (iii) the material defect is repairable prior to closing, but within 5 business days after delivery of the supplemental disclosure, the seller declines, or otherwise fails to agree in writing, to repair the material defect. Allows for the disclosure report to be delivered by email or other electronic delivery. Makes other changes. Effective immediately.
