Whenever an adjustment is 13 14 required under Section 18-135, the aggregate extension base of 15 the taxing district shall be equal to the amount that the 16 aggregate extension of the taxing district would have been for 17 the last preceding levy year if either or both (i) actual, rather than estimated, valuations or rates had been used to 18 calculate the extension of taxes for the last levy year, or 19 20 (ii) the tax extension for the last preceding levy year had not been adjusted as required by subsection (c) of Section 18-135. 21

Notwithstanding any other provision of law, for levy year 2012, the aggregate extension base for West Northfield School 24 District No. 31 in Cook County shall be \$12,654,592.

program that levied at least \$1,000,000 in property taxes in levy year 2019 or 2020 under the Home Equity Assurance Act shall be the amount that the program's aggregate extension base for levy year 2021 would have been if the program had levied a property tax for levy year 2021.

6 "Levy year" has the same meaning as "year" under Section 7 1-155.

"New property" means (i) the assessed value, after final 8 9 board of review or board of appeals action, of new 10 improvements or additions to existing improvements on any 11 parcel of real property that increase the assessed value of 12 that real property during the levy year multiplied by the 13 equalization factor issued by the Department under Section 17-30, (ii) the assessed value, after final board of review or 14 15 board of appeals action, of real property not exempt from real 16 estate taxation, which real property was exempt from real 17 estate taxation for any portion of the immediately preceding levy year, multiplied by the equalization factor issued by the 18 Department under Section 17-30, including the assessed value, 19 20 upon final stabilization of occupancy after new construction 21 is complete, of any real property located within the 22 boundaries of an otherwise or previously exempt military 23 reservation that is intended for residential use and owned by or leased to a private corporation or other entity, (iii) in 24 25 counties that classify in accordance with Section 4 of Article 26 IX of the Illinois Constitution, an incentive property's

additional assessed value resulting from a scheduled increase 1 2 in the level of assessment as applied to the first year final 3 board of review market value, and (iv) any increase in assessed value due to oil or gas production from an oil or gas 4 5 well required to be permitted under the Hydraulic Fracturing Regulatory Act that was not produced in or accounted for 6 7 during the previous levy year. In addition, the county clerk 8 in a county containing a population of 3,000,000 or more shall 9 include in the 1997 recovered tax increment value for any 10 school district, any recovered tax increment value that was 11 applicable to the 1995 tax year calculations.

12 "Qualified airport authority" means an airport authority 13 organized under the Airport Authorities Act and located in a 14 county bordering on the State of Wisconsin and having a 15 population in excess of 200,000 and not greater than 500,000.

"Recovered tax increment value" means, except as otherwise 16 17 provided in this paragraph, the amount of the current year's equalized assessed value, the 18 in first year after а 19 municipality terminates the designation of an area as a 20 redevelopment project area previously established under the Tax Increment Allocation Redevelopment Act in the Illinois 21 22 Municipal Code, previously established under the Industrial 23 Jobs Recovery Law in the Illinois Municipal Code, previously 24 established under the Economic Development Project Area Tax 25 Increment Act of 1995, or previously established under the 26 Economic Development Area Tax Increment Allocation Act, of

each taxable lot, block, tract, or parcel of real property in 1 2 the redevelopment project area over and above the initial 3 equalized assessed value of each property in the redevelopment project area. For the taxes which are extended for the 1997 4 5 levy year, the recovered tax increment value for a non-home rule taxing district that first became subject to this Law for 6 7 the 1995 levy year because a majority of its 1994 equalized 8 assessed value was in an affected county or counties shall be 9 increased if a municipality terminated the designation of an 10 area in 1993 as a redevelopment project area previously 11 established under the Tax Increment Allocation Redevelopment 12 Act in the Illinois Municipal Code, previously established 13 under the Industrial Jobs Recovery Law in the Illinois 14 Municipal Code, or previously established under the Economic 15 Development Area Tax Increment Allocation Act, by an amount 16 equal to the 1994 equalized assessed value of each taxable 17 lot, block, tract, or parcel of real property in the 18 redevelopment project area over and above the initial 19 equalized assessed value of each property in the redevelopment 20 project area. In the first year after a municipality removes a 21 taxable lot, block, tract, or parcel of real property from a 22 redevelopment project area established under the Tax Increment 23 Allocation Redevelopment Act in the Illinois Municipal Code, the Industrial Jobs Recovery Law in the Illinois Municipal 24 25 Economic Development Area Code, or the Tax Increment 26 Allocation Act, "recovered tax increment value" means the

HB4677 Enrolled - 18 - LRB102 24813 AWJ 34058 b

amount of the current year's equalized assessed value of each taxable lot, block, tract, or parcel of real property removed from the redevelopment project area over and above the initial equalized assessed value of that real property before removal from the redevelopment project area.

6 Except as otherwise provided in this Section, "limiting rate" means a fraction the numerator of which is the last 7 8 preceding aggregate extension base times an amount equal to 9 one plus the extension limitation defined in this Section and 10 the denominator of which is the current year's equalized 11 assessed value of all real property in the territory under the 12 jurisdiction of the taxing district during the prior levy 13 year. For those taxing districts that reduced their aggregate 14 extension for the last preceding levy year, except for school 15 districts that reduced their extension for educational purposes pursuant to Section 18-206, the highest aggregate 16 17 extension in any of the last 3 preceding levy years shall be used for the purpose of computing the limiting rate. The 18 denominator shall not include new property or the recovered 19 20 tax increment value. If a new rate, a rate decrease, or a 21 limiting rate increase has been approved at an election held after March 21, 2006, then (i) the otherwise applicable 22 23 limiting rate shall be increased by the amount of the new rate 24 or shall be reduced by the amount of the rate decrease, as the 25 case may be, or (ii) in the case of a limiting rate increase, 26 the limiting rate shall be equal to the rate set forth in the

HB4677 Enrolled - 19 - LRB102 24813 AWJ 34058 b

proposition approved by the voters for each of the years 1 2 specified in the proposition, after which the limiting rate of the taxing district shall be calculated as otherwise provided. 3 In the case of a taxing district that obtained referendum 4 5 approval for an increased limiting rate on March 20, 2012, the 6 limiting rate for tax year 2012 shall be the rate that 7 generates the approximate total amount of taxes extendable for 8 that tax year, as set forth in the proposition approved by the 9 voters; this rate shall be the final rate applied by the county 10 clerk for the aggregate of all capped funds of the district for 11 tax year 2012.

Until fiscal year 2013, the Water Reclamation District shall annually levy a tax upon all the taxable real property within the District at a rate which, when extended, will produce a sum that (i) when added to the amounts deducted from the salaries of employees, interest income on investments, and other income, will be sufficient to meet the requirements of the Fund on an actuarially funded HB4677 Enrolled - 20 - LRB102 24813 AWJ 34058 b

basis, but (ii) shall not exceed an amount equal to the total amount of contributions by the employees to the Fund made in the calendar year 2 years prior to the year for which the tax is levied, multiplied by 2.19, except that the amount of employee contributions made on or after January 1, 2003 towards the purchase of additional optional benefits under Section 13-304.1 shall only be multiplied by 1.00.

8 Beginning in fiscal year 2013, the District shall annually 9 levy a tax upon all the taxable real property within the 10 District at a rate which, when extended, will produce a sum 11 that (i) will be sufficient to meet the Fund's actuarially 12 determined contribution requirement, but (ii) shall not exceed an amount equal to the total employee contributions 2 years 13 14 prior multiplied by 4.19. The actuarially determined 15 contribution requirement is equal to the employer's normal 16 cost plus the annual amount needed to amortize the unfunded 17 liability by the year 2050 as a level percent of payroll. The funding goal is to attain a funded ratio of 100% at least 90% 18 by the year 2050, with the funded ratio being the ratio of the 19 20 actuarial value of assets to the total actuarial liability.

The tax shall be levied and collected in the same manner as the general taxes of the District.

The tax shall be exclusive of and in addition to the amount of tax the District is now or may hereafter be authorized to levy for general purposes under the Metropolitan Water Reclamation District Act or under any other laws which may HB4677 Enrolled - 21 - LRB102 24813 AWJ 34058 b

limit the amount of tax for general purposes. The county clerk of any county, in reducing tax levies as may be authorized by law, shall not consider any such tax as a part of the general tax levy for District purposes, and shall not include the same in any limitation of the percent of the assessed valuation upon which taxes are required to be extended.

7 Revenues derived from the tax shall be paid to the Fund for 8 the benefit of the Fund, except for the amount of revenue to be 9 retained by the District and used to pay principal and 10 interest on bonds issued for the sole purpose of making 11 contributions to the Fund as set forth in Section 9.6a of the 12 Metropolitan Water Reclamation District Act.

13 If the funds available for the purposes of this Article 14 are insufficient during any year to meet the requirements of 15 this Article, the District may issue tax anticipation warrants 16 or notes, as provided by law, against the current tax levy.

The Board shall submit annually to the Board of Commissioners of the District an estimate of the amount required to be raised by taxation for the purposes of the Fund. The Board of Commissioners shall review the estimate and determine the tax to be levied for such purposes.
