1

AN ACT concerning State government.

## Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The State Budget Law of the Civil
Administrative Code of Illinois is amended by changing Section
50-25 as follows:

7 (15 ILCS 20/50-25)

Sec. 50-25. Statewide prioritized goals. For fiscal year 8 9 2012 and each fiscal year thereafter, prior to the submission of the State budget, the Governor, in consultation with the 10 appropriation committees of the General Assembly and, 11 beginning with budgets prepared for fiscal year 2013, the 12 commission established under this 13 Section, shall: (i) 14 prioritize outcomes that are most important for each State agency of the executive branch under the jurisdiction of the 15 16 Governor to achieve for the next fiscal year and (ii) set goals 17 to accomplish those outcomes according to the priority of the outcome. There must be a reasonable number of annually defined 18 19 statewide goals defining State priorities for the budget. Each goal shall be further defined to facilitate success in 20 21 achieving that goal. No later than July 31 of each fiscal year 22 beginning in fiscal year 2012, the Governor shall establish a commission for the purpose of advising the Governor in setting 23

those outcomes and goals, including the timeline for achieving 1 2 those outcomes and goals. The commission shall be a 3 well-balanced group and shall be a manageable size. The commission shall hold at least 2 in-person public meetings 4 5 during each fiscal year. One meeting shall be held in the City of Chicago and one meeting shall be held in the City of 6 7 Springfield. The commission may choose by a majority vote of 8 its members to hold one virtual meeting, which is open to the 9 public and over the Internet, in lieu of the 2 in-person public 10 meetings required under this Section. By November 1 of each 11 year, the commission shall submit a report to the Governor and 12 the General Assembly setting forth recommendations with respect to the Governor's proposed outcomes and goals. The 13 14 report shall be published on the Governor's Office of 15 Management and Budget's website. In its report, the commission 16 shall propose a percentage of the total budget to be assigned 17 to each proposed outcome and goal. The commission shall also review existing mandated expenditures and include in its 18 report recommendations for the termination of 19 mandated 20 expenditures. The General Assembly may object to the 21 commission's report by passing a joint resolution detailing 22 the General Assembly's objections.

In addition, each other constitutional officer of the executive branch, in consultation with the appropriation committees of the General Assembly, shall: (i) prioritize outcomes that are most important for his or her office to HB5192 Enrolled - 3 - LRB102 25232 RJF 34504 b

achieve for the next fiscal year and (ii) set goals to 1 accomplish those outcomes according to the priority of the 2 outcome. The Governor and each constitutional officer shall 3 separately conduct performance analyses to determine which 4 5 programs, strategies, and activities will best achieve those 6 The desired outcomes. Governor shall recommend that 7 appropriations be made to State agencies and officers for the 8 next fiscal year based on the agreed upon goals and 9 priorities. Each agency and officer may develop its own 10 strategies for meeting those goals and shall review and 11 analyze those strategies on a regular basis. The Governor 12 shall also implement procedures to measure annual progress 13 toward the State's highest priority outcomes and shall develop 14 a statewide reporting system that compares the actual results 15 with budgeted results. Those performance measures and results 16 shall be posted on the State Comptroller's website, and 17 distribution in the Comptroller's compiled for Public Accountability Report, as is currently the practice on the 18 effective date of this amendatory Act of the 96th General 19 20 Assembly.
