20 (40 ILCS 5/14-152.1)

Sec. 14-152.1. Application and expiration of new benefit increases.

(a) As used in this Section, "new benefit increase" means
an increase in the amount of any benefit provided under this
Article, or an expansion of the conditions of eligibility for

any benefit under this Article, that results from an amendment 1 2 to this Code that takes effect after June 1, 2005 (the effective date of Public Act 94-4). "New benefit increase", 3 however, does not include any benefit increase resulting from 4 5 the changes made to Article 1 or this Article by Public Act 96-37, Public Act 100-23, Public Act 100-587, Public Act 6 7 100-611, Public Act 101-10, Public Act 101-610, Public Act 8 102-210, or this amendatory Act of the 102nd General Assembly 9 this amendatory Act of the 102nd General Assembly.

10 (b) Notwithstanding any other provision of this Code or 11 any subsequent amendment to this Code, every new benefit 12 increase is subject to this Section and shall be deemed to be 13 granted only in conformance with and contingent upon 14 compliance with the provisions of this Section.

15 (c) The Public Act enacting a new benefit increase must 16 identify and provide for payment to the System of additional 17 funding at least sufficient to fund the resulting annual 18 increase in cost to the System as it accrues.

19 Every new benefit increase is contingent upon the General 20 Assembly providing the additional funding required under this subsection. The Commission on Government Forecasting and 21 22 Accountability shall analyze whether adequate additional 23 funding has been provided for the new benefit increase and shall report its analysis to the Public Pension Division of 24 25 the Department of Insurance. A new benefit increase created by a Public Act that does not include the additional funding 26

required under this subsection is null and void. If the Public 1 2 Pension Division determines that the additional funding 3 provided for a new benefit increase under this subsection is or has become inadequate, it may so certify to the Governor and 4 5 the State Comptroller and, in the absence of corrective action by the General Assembly, the new benefit increase shall expire 6 at the end of the fiscal year in which the certification is 7 8 made.

9 (d) Every new benefit increase shall expire 5 years after 10 its effective date or on such earlier date as may be specified 11 in the language enacting the new benefit increase or provided 12 under subsection (c). This does not prevent the General 13 Assembly from extending or re-creating a new benefit increase 14 by law.

15 (e) Except as otherwise provided in the language creating 16 the new benefit increase, a new benefit increase that expires 17 under this Section continues to apply to persons who applied and qualified for the affected benefit while the new benefit 18 increase was in effect and to the affected beneficiaries and 19 20 alternate payees of such persons, but does not apply to any 21 other person, including, without limitation, a person who 22 continues in service after the expiration date and did not 23 apply and qualify for the affected benefit while the new 24 benefit increase was in effect.
