LRB102 04069 SPS 24537 a

1 AMENDMENT TO SENATE BILL 105

2 AMENDMENT NO. _____. Amend Senate Bill 105 by replacing
3 everything after the enacting clause with the following:

4 "Section 5. The Nurse Practice Act is amended by changing
5 Section 65-43 as follows:

6 (225 ILCS 65/65-43)

7 (Section scheduled to be repealed on January 1, 2028)

8 Sec. 65-43. Full practice authority.

9 (a) An Illinois-licensed advanced practice registered
10 nurse certified as a nurse practitioner, nurse midwife, or
11 clinical nurse specialist shall be deemed by law to possess
12 the ability to practice without a written collaborative
13 agreement as set forth in this Section.

14 (b) An advanced practice registered nurse certified as a
15 nurse midwife, clinical nurse specialist, or nurse
16 practitioner who files with the Department a notarized

1 attestation of completion of at least 250 hours of continuing
2 education or training and at least 4,000 hours of clinical
3 experience after first attaining national certification shall
4 not require a written collaborative agreement, ~~except as~~
5 ~~specified in subsection (c)~~. Documentation of successful
6 completion shall be provided to the Department upon request.

7 Continuing education or training hours required by
8 subsection (b) shall be in the advanced practice registered
9 nurse's area of certification as set forth by Department rule.

10 The clinical experience must be in the advanced practice
11 registered nurse's area of certification. The clinical
12 experience shall be in collaboration with a physician or
13 physicians. Completion of the clinical experience must be
14 attested to by the collaborating physician or physicians or
15 employer and the advanced practice registered nurse. If the
16 collaborating physician or physicians or employer is unable to
17 attest to the completion of the clinical experience, the
18 Department may accept other evidence of clinical experience as
19 established by rule.

20 (c) The scope of practice of an advanced practice
21 registered nurse with full practice authority includes:

22 (1) all matters included in subsection (c) of Section
23 65-30 of this Act;

24 (2) practicing without a written collaborative
25 agreement in all practice settings consistent with
26 national certification;

1 (3) authority to prescribe both legend drugs and
2 Schedule II through V controlled substances; this
3 authority includes prescription of, selection of, orders
4 for, administration of, storage of, acceptance of samples
5 of, and dispensing over the counter medications, legend
6 drugs, and controlled substances categorized as any
7 Schedule II through V controlled substances, as defined in
8 Article II of the Illinois Controlled Substances Act, and
9 other preparations, including, but not limited to,
10 botanical and herbal remedies;

11 (4) prescribing benzodiazepines or Schedule II
12 narcotic drugs, such as opioids, only in a consultation
13 relationship with a physician; this consultation
14 relationship shall be recorded in the Prescription
15 Monitoring Program website, pursuant to Section 316 of the
16 Illinois Controlled Substances Act, by the physician and
17 advanced practice registered nurse with full practice
18 authority and is not required to be filed with the
19 Department; the specific Schedule II narcotic drug must be
20 identified by either brand name or generic name; the
21 specific Schedule II narcotic drug, such as an opioid, may
22 be administered by oral dosage or topical or transdermal
23 application; delivery by injection or other route of
24 administration is not permitted; at least monthly, the
25 advanced practice registered nurse and the physician must
26 discuss the condition of any patients for whom a

1 benzodiazepine or opioid is prescribed; nothing in this
2 subsection shall be construed to require a prescription by
3 an advanced practice registered nurse with full practice
4 authority to require a physician name;

5 (5) authority to obtain an Illinois controlled
6 substance license and a federal Drug Enforcement
7 Administration number; and

8 (6) use of only local anesthetic.

9 The scope of practice of an advanced practice registered
10 nurse does not include operative surgery. Nothing in this
11 Section shall be construed to preclude an advanced practice
12 registered nurse from assisting in surgery.

13 (d) The Department may adopt rules necessary to administer
14 this Section, including, but not limited to, requiring the
15 completion of forms and the payment of fees.

16 (e) Nothing in this Act shall be construed to authorize an
17 advanced practice registered nurse with full practice
18 authority to provide health care services required by law or
19 rule to be performed by a physician.
