Sec. 4A-108. Internet-based systems of filing.

(a) Notwithstanding any other provision of this Act or any other law, the Secretary of State and county clerks are authorized to institute an Internet-based system for the filing of statements of economic interests in their offices. With respect to county clerk systems, the determination to institute such a system shall be in the sole discretion of the county clerk and shall meet the requirements set out in this Section. With respect to a Secretary of State system, the determination to institute such a system shall be in the sole discretion of the Secretary of State and shall meet the requirements set out in this Section and those Sections of the State Officials and Employees Ethics Act requiring ethics officer review prior to filing. The system shall be capable of allowing an ethics officer to approve a statement of economic interests and shall include a means to amend a statement of economic interests. When this Section does not modify or remove the requirements set forth elsewhere in this Article, those requirements shall apply to any system of Internet-based filing authorized by this Section. When this Section does modify or remove the requirements set forth elsewhere in this Article, the provisions of this Section shall apply to any system of Internet-based filing authorized by this Section.
(b) In any system of Internet-based filing of statements of economic interests instituted by the Secretary of State or a county clerk:

(1) Any filing of an Internet-based statement of economic interests shall be the equivalent of the filing of a verified, written statement of economic interests as required by Section 4A-101 or 4A-101.5 and the equivalent of the filing of a verified, dated, and signed statement of economic interests as required by Section 4A-103 4A-104.

(2) The Secretary of State and county clerks who institute a system of Internet-based filing of statements of economic interests shall establish a password-protected website to receive the filings of such statements. A website established under this Section shall set forth and provide a means of responding to the items set forth in Section 4A-103 4A-102 that are required of a person who files a statement of economic interests with that officer. A website established under this Section shall set forth and provide a means of generating a printable receipt page acknowledging filing.

(3) The times for the filing of statements of economic interests set forth in Section 4A-105 shall be followed in any system of Internet-based filing of statements of economic interests; provided that a candidate for elective office who is required to file a statement of economic

file their statements of economic interests using the
Internet.

(4) In the first year of the implementation of a
system of Internet-based filing of statements of economic
interests, each person required to file such a statement
is to be notified in writing of his or her obligation to
file his or her statement of economic interests by way of
the Internet-based system. If access to the website requires a code or password, this information shall
be included in the notice prescribed by this paragraph.

(5) When a person required to file a statement of

a county clerk, as applicable, with an email address for
the purpose of receiving notices under this Article by

Sec. 6. Reports.

(a) Lobbyist reports. Except as otherwise provided in this Section, every lobbyist registered under this Act who is solely employed by a lobbying entity shall file an affirmation, verified under oath pursuant to Section 1-109 of the Code of Civil Procedure, with the Secretary of State attesting to the accuracy of any reports filed pursuant to subsection (b) as those reports pertain to work performed by the lobbyist. Any lobbyist registered under this Act who is not solely employed by a lobbying entity shall personally file
reports required of lobbying entities pursuant to subsection (b). A lobbyist may, if authorized so to do by a lobbying entity by whom he or she is employed or retained, file lobbying entity reports pursuant to subsection (b) provided that the lobbying entity may delegate the filing of the lobbying entity report to only one lobbyist in any reporting period.

(b) Lobbying entity reports. Every lobbying entity registered under this Act shall report expenditures related to lobbying, including any expenditures made by a consultant in performing services for the lobbying entity. The report shall itemize each individual expenditure or transaction and shall include the name of the official on whose behalf the expenditure was made, the name of the client if the expenditure was made on behalf of a client, the total amount of the expenditure, a description of the expenditure, the vendor or purveyor to whom the expenditure was made (including the address or location of the expenditure), the date on which the expenditure occurred and the subject matter of the lobbying activity, if any. For those expenditures made on behalf of a client, if the client is a client registrant, the report shall also include the name and address of the client or clients of the client registrant or the official or officials on whose behalf the expenditure ultimately was made. Each expenditure required to be reported shall include all expenses made for or on behalf of an official or his or her immediate family member living with the official.
(b-1) The report shall include any change or addition to the client list information, required in Section 5 for registration, since the last report, including the names and addresses of all clients who retained the lobbying entity together with an itemized description for each client of the following: (1) lobbying regarding executive action, including the name of any executive agency lobbied and the subject matter; (2) lobbying regarding legislative action, including the General Assembly and any other agencies lobbied and the subject matter; and (3) lobbying regarding administrative action, including the agency lobbied and the subject matter. Registrants who made no reportable expenditures during a reporting period shall file a report stating that no expenditures were incurred.

(b-2) Expenditures attributable to lobbying officials shall be listed and reported according to the following categories:

(1) Travel and lodging on behalf of others, including, but not limited to, all travel and living accommodations made for or on behalf of State officials during sessions of the General Assembly.

(2) Meals, beverages and other entertainment.

(3) Gifts (indicating which, if any, are on the basis of personal friendship).

(4) Honoraria.

(5) Any other thing or service of value not listed
under categories (1) through (4), setting forth a
description of the expenditure. The category travel and
lodging includes, but is not limited to, all travel and
living accommodations made for or on behalf of State
officials in the State capital during sessions of the
General Assembly.

(b-3) Expenditures incurred for hosting receptions,
benefits and other large gatherings held for purposes of
goodwill or otherwise to influence executive, legislative or
administrative action to which there are 25 or more State
officials invited shall be reported listing only the total
amount of the expenditure, the date of the event, and the
estimated number of officials in attendance.

(b-7) Matters excluded from reports. The following items
need not be included in the report:

(1) Reasonable and bona fide expenditures made by the
registrant who is a member of a legislative or State study
commission or committee while attending and participating

registrant for the purposes of lobbying.

(4) Any contributions required to be reported under
Article 9 of the Election Code.
(5) Expenditures made by a registrant on behalf of an official that are returned or reimbursed prior to the deadline for submission of the report.

(c) A registrant who terminates employment or duties which required him to register under this Act shall give the Secretary of State, within 30 days after the date of such termination, written notice of such termination and shall include therewith a report of the expenditures described herein, covering the period of time since the filing of his last report to the date of termination of employment. Such notice and report shall be final and relieve such registrant of further reporting under this Act, unless and until he later takes employment or assumes duties requiring him to again register under this Act.

(d) Failure to file any such report within the time designated or the reporting of incomplete information shall constitute a violation of this Act.

A registrant shall preserve for a period of 2 years all receipts and records used in preparing reports under this Act.

(e) Within 30 days after a filing deadline or as provided by rule, the lobbyist shall notify each official on whose behalf an expenditure has been reported. Notification shall include the name of the registrant, the total amount of the expenditure, a description of the expenditure, the date on which the expenditure occurred, and the subject matter of the lobbying activity.

A report filed under this Act is due in the Office of the Secretary of State no later than the close of business on the date on which it is required to be filed.

(g) All reports filed under this Act shall be filed in a format or on forms prescribed by the Secretary of State.
