(b) A charter school may be established under this Article 1 2 by creating a new school or by converting an existing public school or attendance center to charter school status. 3 Beginning on April 16, 2003 (the effective date of Public Act 4 5 93-3), in all new applications to establish a charter school in a city having a population exceeding 500,000, operation of 6 the charter school shall be limited to one campus. The changes 7 made to this Section by Public Act 93-3 do not apply to charter 8 9 schools existing or approved on or before April 16, 2003 (the 10 effective date of Public Act 93-3).

11 (b-5) In this subsection (b-5), "virtual-schooling" means 12 a cyber school where students engage in online curriculum and 13 instruction via the Internet and electronic communication with 14 their teachers at remote locations and with students 15 participating at different times.

This 19 20 moratorium does not apply to a charter school with virtual-schooling components existing or approved prior to 21 22 April 1, 2013 or to the renewal of the charter of a charter 23 school with virtual-schooling components already approved 24 prior to April 1, 2013.

(c) A charter school shall be administered and governed by

13 (c-5) No later than January 1, 2021 (one year after the 14 effective date of Public Act 101-291) this amendatory Act of 15 the 101st General Assembly or within the first year of his or 16 her first term, every voting member of a charter school's 17 board of directors or other governing body shall complete a minimum of 4 hours of professional development leadership 18 training to ensure that each member has sufficient familiarity 19 20 with the board's or governing body's role and 21 responsibilities, including financial oversight and 22 accountability of the school, evaluating the principal's and 23 school's performance, adherence to the Freedom of Information 24 Act and the Open Meetings Act Acts, and compliance with 25 education and labor law.
