6 (415 ILCS 15/6) (from Ch. 85, par. 5956)

7 Sec. 6. Each county waste management plan adopted under
8 Section 4 shall include a recycling program. Such recycling
9 program:

10 (1) shall be implemented throughout the county and include
11 a time schedule for implementation of the program.

12 (2) shall provide for the designation of a recycling
13 coordinator to administer the program.

14 (3) shall be designed to recycle, by the end of the third
15 and fifth years of the program, respectively 15% and 25% of the
16 municipal waste generated in the county, subject to the
17 existence of a viable market for the recycled material, based
18 on measurements of recycling and waste generated in terms of
19 weight. The determination of recycling rate shall not include:
20 discarded motor vehicles, wastes used for clean fill or
21 erosion control, or commercial, institutional or industrial
22 machinery or equipment.

23 (4) may provide for the construction and operation of one
24 or more recycling centers by a unit of local government, or for
25 contracting with other public or private entities for the

1 operation of recycling centers.

2 (5) may require residents of the county to separate
3 recyclable materials at the time of disposal or trash pick-up.

4 (6) may make special provision for commercial and
5 institutional establishments that implement their own
6 specialized recycling programs, provided that such
7 establishments annually provide written documentation to the
8 county of the total number of tons of material recycled.

9 (7) shall provide for separate collection and composting
10 of leaves.

11 (8) shall include public education and notification
12 programs to foster understanding of and encourage compliance
13 with the recycling program.

14 (9) shall include provisions for compliance, including
15 incentives and penalties.

16 (10) shall include provisions for (i) recycling the
17 collected materials, (ii) identifying potential markets for at
18 least 3 recyclable materials, and (iii) promoting the use of
19 products made from recovered or recycled materials among
20 businesses, newspapers and local governments in the county.

21 (11) may provide for the payment of recycling diversion
22 credits to public and private parties engaged in recycling
23 activities.

24 (12) shall ensure that owners of apartment buildings
25 containing 4 or more rental units ensure that recycling
26 receptacles are available to tenants and that recyclables are

1 collected for recycling in accordance with the local recycling
2 program. The recycling program may subject building owners to
3 penalties for noncompliance with the requirements of the
4 recycling program.
