1 AN ACT concerning regulation.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

4 Section 5. The Illinois Insurance Code is amended by 5 changing Section 356z.17 as follows:

6 (215 ILCS 5/356z.17)

7 Sec. 356z.17. Wellness coverage.

(a) A group or individual policy of accident and health 8 9 insurance or managed care plan amended, delivered, issued, or renewed after January 1, 2010 (the effective date of Public 10 Act 96-639) that provides coverage for hospital or medical 11 treatment on an expense incurred basis may offer a reasonably 12 13 designed program for wellness coverage that allows for a 14 reward, a contribution, a reduction in premiums or reduced medical, prescription drug, or 15 equipment copayments, 16 coinsurance, or deductibles, or a combination of these 17 incentives, for participation in any health behavior wellness, maintenance, or improvement program approved or offered by the 18 19 insurer or managed care plan. The insured or enrollee may be required to provide evidence of participation in a program. 20 21 Individuals unable to participate in these incentives due to 22 an adverse health factor shall not be penalized based upon an adverse health status. 23

SB2294 Engrossed - 2 - LRB102 10643 BMS 15972 b

1 (b) For purposes of this Section, "wellness coverage" 2 means health care coverage with the primary purpose to engage 3 and motivate the insured or enrollee through: incentives; 4 provision of health education, counseling, and self-management 5 skills; identification of modifiable health risks; and other 6 activities to influence health behavior changes.

For the purposes of this Section, "reasonably designed program" means a program of wellness coverage that has a reasonable chance of improving health or preventing disease; is not overly burdensome; does not discriminate based upon factors of health; and is not otherwise contrary to law.

12 (c) Incentives as outlined in this Section are specific 13 and unique to the offering of wellness coverage and have no 14 application to any other required or optional health care 15 benefit.

(d) Such wellness coverage must satisfy the requirements for an exception from the general prohibition against discrimination based on a health factor under the federal Health Insurance Portability and Accountability Act of 1996 (P.L. 104-191; 110 Stat. 1936), including any federal regulations that are adopted pursuant to that Act.

22 (e) A plan offering wellness coverage must do the 23 following:

(i) give participants the opportunity to qualify for
 offered incentives at least once a year;

26

(ii) allow a reasonable alternative to any individual

SB2294 Engrossed - 3 - LRB102 10643 BMS 15972 b

1 for whom it is unreasonably difficult, due to a medical 2 condition, to satisfy otherwise applicable wellness 3 program standards. Plans may seek physician verification 4 that health factors make it unreasonably difficult or 5 medically inadvisable for the participant to satisfy the 6 standards; and

7 (iii) not provide a total incentive that exceeds 30% 8 20% of the cost of self-only or employee-only coverage, 9 except that the incentive may be increased by up to an 10 additional 20%, for a total incentive of 50%, to the 11 extent that the additional percentage is in connection 12 with a program designed to prevent or reduce tobacco use. The cost of employee-only or family coverage provided 13 14 through group health insurance coverage includes both 15 employer and employee contributions. For group or 16 individual plans offering family coverage, the 20% 17 limitation applies to cost of family coverage and applies to the entire family. 18

(f) A reward, contribution, or reduction established under this Section and included in the policy or certificate does not violate Section 151 of this Code.
