AN ACT concerning education.

# Be it enacted by the People of the State of Illinois, represented in the General Assembly: 

Section 5. The School Code is amended by changing Section 10-1 as follows:
(105 ILCS 5/10-1) (from Ch. 122, par. 10-1)
Sec. 10-1. Board of school directors.
(a) School districts having a population of fewer than 1000 inhabitants and not governed by any special act shall be governed by a board of school directors to consist of 3 members who shall be elected in the manner provided in Article 9 of this Act. In consolidated districts and in districts in which the membership of the board of school directors is increased as provided in subsection (b), 7 members shall be so elected.
(b) Upon presentment to the board of school directors of a school district having a population of fewer than 1,000 inhabitants of a petition signed by the lesser of $5 \%$ or 25 of the registered voters of the district to increase the membership of the district's board of school directors to 7 directors and to elect a new 7-member board of school directors to replace the district's existing board of 3 school directors, the clerk or secretary of the board of school directors shall certify the proposition to the proper election
authorities for submission to the electors of the district at a regular scheduled election in accordance with the general election law. If the proposition is approved by a majority of those voting on the proposition, the members of the board of school directors of that district thereafter shall be elected in the manner provided by subsection (c) of Section 10-4.
(c) A board of school directors may appoint a student to the board to serve in an advisory capacity. The student member shall serve for a term as determined by the board. The board may not grant the student member any voting privileges, but shall consider the student member as an advisor. The student member may not participate in or attend any executive session of the board.
(d) Each board of school directors shall appoint one nonvoting member who is a teacher employed by the school district under the jurisdiction of the board. If the district has multiple school buildings, the teacher member shall be selected to represent all school buildings in the district. In a multi-building district, the building from which the teacher member is selected shall be determined by lot each year, provided that no building shall twice have selected a teacher member until all buildings in the district have been represented on the board by a teacher member once. The same procedure shall be followed until all buildings have been represented a second time, a third time, and subsequent times. The method of selecting the teacher member shall be determined
by building-wide teacher referendum.
The teacher member shall serve a term of 4 years beginning on April 15 of each year, except that the teacher member initially selected shall serve a term beginning on the date of selection and expiring on the next succeeding June 30.

The teacher member shall have the privilege of casting advisory votes. The teacher member shall have all of the privileges of membership, including the right to make and second motions and to attend executive sessions, other than the right to vote. (Source: P.A. 94-231, eff. 7-14-05.)

district board. The same procedure shall be followed until all campuses have been represented a second time, a third time, and subsequent times. The method of selecting these student members shall be determined by campus-wide student referendum.

The student members shall serve a term of one year beginning on April 15 of each year, except that the student member initially selected shall serve a term beginning on the date of selection and expiring on the next succeeding June 30 .
