1 AMENDMENT TO SENATE BILL 2393

2 AMENDMENT NO. \_\_\_\_\_. Amend Senate Bill 2393 on page 10,  
3 by replacing lines 21 through 23 with the following:

4 "Designated hardship area" is limited to Pembroke  
5 Township, if the Township meets certain requirements. Any  
6 "designated hardship area" only applies to the specific  
7 community of Pembroke within the scope of the Project.  
8 Pembroke Township will only be categorized as a "designated  
9 hardship area" if it meets the following requirements:"; and

10 on page 12, line 7, by deleting "and"; and

11 on page 12, line 12, by replacing "." with ";"; and

12 on page 12, by inserting immediately below line 12 the  
13 following:

1           "(7) a statement to confirm that the public utility  
2           held at least 2 pre-filing public meetings and  
3           incorporated public input from those meetings into its  
4           plans; and

5           (8) a statement to confirm that the utility has  
6           received written indications of interest from at least 51%  
7           of Hopkins Park residents."; and

8           on page 13, line 7, by deleting "and"; and

9           on page 13, line 12, by replacing "." with ";"; and

10          on page 13, by inserting immediately below line 12 the  
11          following:

12           "(6) the public utility can guarantee that customers  
13           who choose to opt-out of converting to a natural gas  
14           delivery service will not be assessed any charges relating  
15           to the pipeline construction or any other fees relating to  
16           the designated hardship area facilities;

17           (7) the public utility disclosed to the Commission the  
18           mapping of the proposed pipeline and infrastructure  
19           management requirements within the designated hardship  
20           area; and

21           (8) the public utility has guaranteed that it will  
22           disclose to the Commission the cost to convert local homes

1 to utilize gas services after implementation.".
