SB2981 Engrossed

1 AN ACT concerning transportation.

2 Be it enacted by the People of the State of Illinois, 3 represented in the General Assembly:

Section 1. Short title. This Act may be cited as the
Innovations for Transportation Infrastructure Act.

6 Section 5. Legislative policy.

7 (a) It is the public policy of the State of Illinois to
8 promote the development of infrastructure projects that serve
9 the needs of the public.

design-build project delivery method 10 (b) The and Construction Manager/General Contractor project 11 deliverv method and use of Alternative Technical Concepts have the 12 13 potential to capture private sector innovation and safely 14 deliver infrastructure projects on more predictable schedules and budgets. Earlier completion and lower cost for projects 15 16 are possible with the ability to shift or share risks with the private sector that are generally retained by the public in 17 the conventional design-bid-build project delivery method. 18

(c) It is the intent of the General Assembly that the Department of Transportation and the Illinois State Toll Highway Authority may evaluate and use Alternative Technical Concepts proposed by bidders and proposers and to use the design-build project delivery method and Construction SB2981 Engrossed - 2 - LRB102 21866 RAM 30987 b

Section 20. Preconditions to commencement of procurement.

2 the Transportation Agency determines Ιf to use the 3 design-build project delivery method or the Construction 4 Manager/General Contractor project delivery method for a particular transportation facility, the Transportation Agency 5 6 may not commence a procurement for the transportation facility 7 until the Transportation Agency has satisfied the following requirements: 8

9

(1) the Transportation Agency does one of the following:

10 (A) the Transportation Agency includes the 11 transportation facility in the Transportation Agency's 12 respective multi-year highway improvement program and designates it as a design-build project delivery method 13 14 project or Construction Manager/General Contractor 15 project;

16 (B) the Transportation Agency issues a notice of receive qualifications, that 17 intent to includes а 18 description of the proposed procurement and transportation 19 facility, at least 28 days before the issuance of the 20 request for qualifications, and for a Department-issued 21 notice of intent publishes the notice in the Illinois Bulletin and 22 Procurement for Transportation an Authority-issued notice of intent publishes the notice in 23 24 the Illinois Procurement Bulletin; or

25

(C) for a single-phase procurement authorized under

SB2981 Engrossed - 10 - LRB102 21866 RAM 30987 b

of Section 25 of this 1 subsection (a) Act, the 2 Transportation Agency issues a notice of intent to receive 3 proposals, that includes a description of the proposed procurement and transportation facility, at least 14 days 4 5 before the issuance of the request for proposals, and for a Department-issued notice of intent publishes the notice 6 7 in the Illinois Transportation Procurement Bulletin and for an Authority-issued notice of intent publishes the 8 9 notice in the Illinois Procurement Bulletin; and

10 (2) the Transportation Agency uses its best efforts to 11 ensure that the transportation facility is consistent with the 12 regional plan in existence at the time of any metropolitan planning organization in which the boundaries 13 of the 14 transportation facility is located, other or any 15 publicly-approved plan.

16

Section 25. Procurement process.

(a) The Transportation Agency may solicit a proposer with 17 18 which to enter into a design-build contract or Construction Manager/General Contractor contract, as applicable, by using, 19 20 without limitation, one or more requests for qualifications, a 21 shortlisting of the most highly qualified proposers, requests 22 for proposals, and negotiations. The Transportation Agency shall use a two-phase procurement for a design-build contract 23 24 select the successful proposer, except to that the 25 Transportation Agency may use a single-phase procurement if

SB2981 Engrossed - 11 - LRB102 21866 RAM 30987 b

the transportation facility is estimated to cost less than 1 2 \$5,000,000 or the Secretary or the Executive Director makes a 3 written determination that the Transportation Agency may use a single-phase procurement for a particular transportation 4 5 facility. In a two-phase procurement, the Transportation Agency shall use the first phase to evaluate and shortlist the 6 7 most highly qualified proposers based on a proposer's 8 qualifications, and then use the second phase to evaluate and 9 select a proposer based on proposals submitted by the 10 shortlisted proposers. During the first phase of a two-phase 11 procurement, the Transportation Agency shall not consider 12 price proposals to make its shortlist decision. Τn а 13 single-phase procurement, the Transportation Agency shall 14 solicit proposers with a request for proposals, and shall 15 evaluate and select a proposer based on those proposals.

16 (b) The request for qualifications may contain any terms 17 deemed appropriate by the Transportation Agency including, 18 without limitation, the following:

19 (1) a description of the anticipated scope of work for20 the transportation facility;

(2) a requirement that the proposer identify certain key personnel, and for design-build contracts certain key firms, the experience of the personnel and firms, and the conditions on which identified personnel and firms can be replaced;

26

(3) the evaluation criteria for the qualifications and

including technologies, techniques, methods, processes, and information contained in the recipient's design for the transportation facility.

The Transportation Agency shall, as appropriate 4 (h) 5 depending on whether the transportation facility includes building facilities, directly employ or retain a professional 6 7 engineer or engineers licensed in this State or a licensed 8 architect or architects, or both engineers licensed in this 9 State and licensed architects, to prepare the scope and assist 10 in the evaluation of the proposals' technical submissions 11 under a design-build project delivery method. The professional 12 engineers and licensed architects performing these services 13 are precluded from participating in the procurement of the transportation facility at issue as a member of a proposer 14 15 team.

16 (i) The Transportation Agency has the right to reject any 17 and all qualifications or proposals, including, but not limited to, the right to reject any qualifications or 18 proposals as non-responsive, if, in the Transportation 19 20 Agency's sole discretion, the qualifications or proposals do not meet all material requirements of the request for 21 22 qualifications or request for proposals, as appropriate. The 23 Transportation Agency shall not consider a proposal that does 24 not include:

(1) the proposer's plan to comply with requirements
 established by the Transportation Agency regarding

engineering, stakeholder coordination, or public involvement management.

3 Section 30. Evaluation committee.

4 (a) The Transportation Agency shall establish one or more 5 evaluation committees to assist in selecting a design-builder 6 Construction Manager/General Contractor. and а The 7 Transportation Agency, in its sole discretion, shall determine the appropriate size and composition of the evaluation 8 9 committee; however, at least half of the committee must be 10 licensed professional engineers.

(b) The Transportation Agency may establish an evaluation committee for a set term or for the procurement of a particular transportation facility.

14 (C) Once the Transportation Agency identifies the 15 proposers for a transportation facility, each member of an 16 evaluation committee must certify that no conflict of interest member and the proposers. 17 exists between the If the 18 Transportation Agency, after consultation with the chief procurement officer, determines that an actual conflict 19 20 exists, the member shall not participate on the evaluation 21 committee for that procurement and the Transportation Agency 22 shall appoint a replacement member on either a permanent or a 23 temporary basis.

Section 35. Procedures for selection.

24

SB2981 Engrossed - 19 - LRB102 21866 RAM 30987 b

The Transportation Agency shall review, evaluate, 1 (a) 2 score, and rank proposals and determine which proposal offers 3 the best value to the public based on the evaluation criteria set forth in the request for proposals. The Transportation 4 5 Agency shall award the contract based on this determination. 6 Notwithstanding other provisions of this Section, if for any reason the proposer awarded the contract is unable or 7 8 unwilling to execute the contract, including the failure of 9 the proposer and the Transportation Agency to successfully 10 complete negotiations, if any, of the contract, the 11 Transportation Agency may award the contract to the proposer 12 whose proposal the Transportation Agency determines offers the 13 public the next best value.

(b) After a response to a request for qualifications or a request for proposals has been submitted as provided in Section 25, a design-builder shall not replace, remove, or otherwise modify any firm identified as a member of the proposer team unless authorized to do so by the Transportation Agency.

20 Section 40. Project records; confidentiality; public 21 disclosure.

(a) The Transportation Agency shall maintain all written

1 Transportation Agency.

2 (b) A proposer may identify those portions of a proposal 3 or other submission that the proposer considers to be trade 4 secrets or confidential, commercial, financial, or proprietary 5 information. Confidential and proprietary information, 6 including trade secrets, shall be exempt from disclosure only 7 if the proposer does the following:

8 (1) requests exclusion from disclosure upon submission 9 of the information or other materials for which protection 10 is sought;

11 (2) identifies the data or other materials for which 12 protection is sought;

13 (3) states the statutory or regulatory basis for the 14 protection;

15 (4) fully complies with the federal Freedom of 16 Information Act and any other applicable provisions of 17 State law, including, but not limited to, the Freedom of 18 Information Act, with respect to information the proposer 19 contends should be exempt from disclosure; and

20 (5) certifies if the information is in accordance with
21 the protection of the Illinois Trade Secrets Act.

(c) Notwithstanding any other provision of law, in order to properly balance the need to maximize competition under this Act with the need to create a transparent procurement process, the qualifications, proposals, and other information and documents submitted by proposers and the Transportation SB2981 Engrossed - 21 - LRB102 21866 RAM 30987 b

Agency's evaluation records shall not be subject to release or 1 2 disclosure by the Transportation Agency until execution of the 3 design-build contract or Construction Manager/General Contractor contract, as applicable. If the Transportation 4 5 Agency terminates the procurement for a transportation facility, the exemption from release or disclosure under this 6 7 Section shall remain in place until the Transportation Agency 8 re-procures the transportation facility and has entered into a 9 design-build contract or Construction Manager/General 10 Contractor contract, as applicable. However, this exemption 11 shall lapse if the Transportation Agency does not commence the 12 re-procurement of the transportation facility within 5 years of the termination. 13

14 Section 45. Design-build contract. A design-build contract 15 may include any provisions the Transportation Agency 16 determines are necessary or appropriate, including, but not 17 limited to, provisions regarding the following:

18

(1) compensation or payments to the design-builder;

19 (2) grounds for termination of the design-build 20 contract, including the Transportation Agency's right to 21 terminate for convenience;

22

(3) liability for damages and nonperformance;

(4) events of default and the rights and remedies

1 phase of the contract, including the Construction 2 Manager/General Contractor's compensation for those 3 services;

4 (2) a requirement that, during the first phase of the
5 contract, the Construction Manager/General Contractor
6 shall use a competitive bidding process to procure
7 subcontracts for at least the minimum percentage of
8 construction work specified in the request for proposals,
9 provided that:

10 (A) compliance with this requirement shall be 11 based on an estimated cost for the construction work 12 approved by the Transportation Agency before the start 13 of the competitive bidding process; and

(B) the Construction Manager/General Contractor
may not use subcontracts with its wholly or partially
owned subsidiaries, parent companies, or affiliates to
satisfy this obligation;

18 (3) the process the Transportation Agency and the 19 Construction Manager/General Contractor shall use to 20 determine a lump sum or guaranteed maximum price for the 21 construction work, including a requirement that the 22 Transportation Agency conduct an independent cost estimate 23 for the construction work; and

(4) grounds for termination of the Construction
 Manager/General Contractor contract, including the
 Transportation Agency's right to terminate the contract

1 assisted, portions of the program. In cases of federal funding 2 or federally assisted projects, these goals shall not exceed 3 those established pursuant to the relevant and applicable 4 federal statutes or regulations.

5 (b) Subject to appropriation by the General Assembly of 6 the required amounts, the Transportation Agency may obligate 7 and make expenditures of funds as and when needed to satisfy 8 its payment obligations under a design-build contract or 9 Construction Manager/General Contractor contract.

10

Section 56. Utilization requirements.

11 Design-builder and Construction Manager/General (a) 12 Contractor projects shall comply with Section 2-105 of the 13 Illinois Human Rights Act and all applicable laws and rules 14 that establish standards and procedures for the utilization of 15 minority, disadvantaged, and women-owned businesses, 16 including, but not limited to, the Business Enterprise for Minorities, Women, and Persons with Disabilities Act. Any 17 18 Transportation Agency that administers a construction program, for which federal law or regulations establish standards and 19 20 procedures for the utilization of minority-owned and 21 women-owned businesses and disadvantaged businesses shall 22 implement a disadvantaged business enterprise program to 23 include minority-owned and women-owned businesses and 24 disadvantaged businesses, using the federal standards and 25 procedures for the establishment of goals and utilization SB2981 Engrossed - 27 - LRB102 21866 RAM 30987 b

procedures for the State-funded, as well as the federally 1 2 assisted, portions of the program. In cases of federal funding 3 or federally assisted projects, these goals shall not exceed those established pursuant to the relevant and applicable 4 5 federal statutes or regulations. Each design-build contract and Construction Manager/General Contractor contract shall 6 include remedies for a contractor's failure to comply with 7 8 commitments made in the proposal or utilization plan, 9 including, without limitation, failure to cooperate in 10 providing information regarding compliance or termination of 11 any subcontractor identified in the utilization plan without 12 the consent of the Transportation Agency. Such remedies may include termination of the contract, imposition of a penalty 13 14 in an amount equivalent to any profit or cost savings accruing 15 to the contractor as a result of the violation, withholding of 16 payments, liquidated damages, disqualification from future 17 bidding as non-responsible, or any other remedy available to the Transportation Agency at law or in equity. 18

19 (b) For the purposes of this Section, aspirational goals 20 compliant with the Business Enterprise for Minorities, Women, and Persons with Disabilities Act and Disadvantaged Business 21 22 Enterprise Program shall be established separately for 23 construction-related professional services and shall be consistent with the Transportation Agency's methodology for 24 25 design-bid-build contracts. As used in this Section, "construction-related professional services" 26 means those SB2981 Engrossed - 28 - LRB102 21866 RAM 30987 b

services within the scope of the practice of architecture,
 professional engineering, structural engineering, or land
 surveying, as defined in the Illinois Architecture Practice
 Act of 1989, the Professional Engineering Practice Act of
 1989, the Illinois Professional Land Surveyor Act of 1989, or
 the Illinois Structural Engineering Practice Act of 1989.

7 Section 57. Labor.

8 (a) A contract or agreement under this Act shall require 9 the design-builder or Construction Manager/General Contractor, 10 and all subcontractors, to comply with Section 30-22 of the 11 Illinois Procurement Code as it applies to responsible bidders 12 and to present satisfactory evidence of that compliance to the 13 Transportation Agency, unless the transportation project is 14 federally funded and the application of those requirements 15 would jeopardize the receipt or use of federal funds in 16 support of the transportation project.

(b) A contract or agreement under this Act shall require the design-builder or Construction Manager/General Contractor to enter into a project labor agreement used by the Transportation Agency.

21 (c) This Section does not apply to construction-related used 22 professional services. As in this Section. "construction-related professional services" 23 means those 24 services within the scope of the practice of architecture, 25 professional engineering, structural engineering, or land

surveying, as defined in the Illinois Architecture Practice
 Act of 1989, the Professional Engineering Practice Act of
 1989, the Illinois Professional Land Surveyor Act of 1989, or
 the Illinois Structural Engineering Practice Act of 1989.

5 Section 58. Disadvantaged business enterprise liaison. The 6 Office of Business and Workforce Diversity established under 7 Section 2705-593 of the Department of Transportation Law of the Civil Administrative Code of Illinois shall retain a staff 8 9 member or consultant to act as a liaison of for outreach, 10 monitoring, and compliance with the Department's Disadvantaged 11 Business Enterprise Program consistent with all applicable 12 federal rules governing the disadvantaged business enterprise 13 process. The Department shall also determine attainable goals 14 for projects using the new project delivery procurement 15 methods, in accordance with federal regulations. The 16 Department shall publish a quarterly report regarding projects sourced through new procurements methods 17 that includes utilization goals and utilization achieved. 18

19 60. Section Acquisition of property and related 20 agreements. The Transportation Agency may exercise any and all 21 powers of condemnation or eminent domain, including quick-take powers, to acquire lands or estates or interests in land for a 22 23 transportation facility under this Act to the extent the 24 Transportation Agency finds that the action serves the public

SB2981 Engrossed - 30 - LRB102 21866 RAM 30987 b

purpose of this Act and deems the action appropriate in the exercise of its powers under this Act. In addition, the Transportation Agency and a design-builder or Construction Manager/General Contractor may enter into leases, licenses, easements, and other grants of property interests that the Transportation Agency determines are necessary to deliver a transportation facility under this Act.

8 Section 65. Federal requirements. In the procurement of 9 design-build contracts and Construction Manager/General 10 Contractor contracts, the Transportation Agency shall, to the 11 extent applicable, comply with federal law and regulations and 12 take all necessary steps to adapt its rules, policies, and 13 procedures to remain eligible for federal aid.

14 Section 70. Powers. The powers granted to the 15 Transportation Agency under this Act, including the power to procure and enter into design-build contracts and Construction 16 17 Manager/General Contractor contracts, shall be liberally 18 construed to accomplish its purpose, are in addition to any 19 existing powers of the Transportation Agency, and shall not 20 affect or impair any other powers authorized under applicable 21 law, except as otherwise provided for in this Act.

22

Section 75. Rulemaking.

23 (a) The Illinois Administrative Procedure Act applies to

SB2981 Engrossed - 31 - LRB102 21866 RAM 30987 b

all administrative rules and procedures of the Transportation Agency under this Act, except that nothing in this Act shall be construed to render any prequalification or other responsibility criteria as a "license" or "licensing" under that Act.

6 (b) The appropriate chief procurement officer, in 7 consultation with the Transportation Agency, may adopt rules 8 to carry out the provisions of this Act.

9 Section 80. Repeal. This Act is repealed on July 1, 2032.

10 Section 905. The Department of Transportation Law of the 11 Civil Administrative Code of Illinois is amended by adding 12 Section 2705-233 as follows:

13 (20 ILCS 2705/2705-233 new)
