3 **represented in the General Assembly:**

4 Section 5. The Counties Code is amended by changing
5 Section 5-1022 as follows:

6 (55 ILCS 5/5-1022) (from Ch. 34, par. 5-1022)

7 Sec. 5-1022. Competitive bids.

8 (a) Any purchase by a county with fewer than 2,000,000
9 inhabitants of services, materials, equipment or supplies in
10 excess of \$30,000, other than professional services, shall be
11 contracted for in one of the following ways:

12 (1) by a contract let to the lowest responsible bidder
13 after advertising for bids in a newspaper published within
14 the county or, if no newspaper is published within the
15 county, then a newspaper having general circulation within
16 the county; or

17 (2) by a contract let without advertising for bids in
18 the case of an emergency if authorized by the county
19 board.

20 (b) In determining the lowest responsible bidder, the
21 county board shall take into consideration the qualities of
22 the articles supplied; their conformity with the
23 specifications; their suitability to the requirements of the

1 county; ~~the~~ availability of support services; the uniqueness
2 of the service, materials, equipment, or supplies as it
3 applies to networked, integrated computer systems; the
4 compatibility to existing equipment; the bidder's active
5 participation in an apprenticeship program registered with the
6 United States Department of Labor; and the delivery terms. The
7 county board also may take into consideration whether a bidder
8 is a private enterprise or a State-controlled enterprise and,
9 notwithstanding any other provision of this Section or a lower
10 bid by a State-controlled enterprise, may let a contract to
11 the lowest responsible bidder that is a private enterprise.

12 (c) This Section does not apply to contracts by a county
13 with the federal government or to purchases of used equipment,
14 purchases at auction or similar transactions which by their
15 very nature are not suitable to competitive bids, pursuant to
16 an ordinance adopted by the county board.

17 (d) Notwithstanding the provisions of this Section, a
18 county may let without advertising for bids in the case of
19 purchases and contracts, when individual orders do not exceed
20 \$35,000, for the use, purchase, delivery, movement, or
21 installation of data processing equipment, software, or
22 services and telecommunications and inter-connect equipment,
23 software, and services.

24 (e) A county may require, as a condition of any contract
25 for goods and services, that persons awarded a contract with
26 the county and all affiliates of the person collect and remit

1 Illinois Use Tax on all sales of tangible personal property
2 into the State of Illinois in accordance with the provisions
3 of the Illinois Use Tax Act regardless of whether the person or
4 affiliate is a "retailer maintaining a place of business
5 within this State" as defined in Section 2 of the Use Tax Act.
6 For purposes of this subsection (e), the term "affiliate"
7 means any entity that (1) directly, indirectly, or
8 constructively controls another entity, (2) is directly,

13 securities of that entity. As used in this subsection (e), the

17 or (2) is convertible into, or entitles the holder to receive
18 upon its exercise, a security that confers such a right to
19 vote. A general partnership interest is a voting security.

20 (f) Bids submitted to, and contracts executed by, the
21 county may require a certification by the bidder or contractor
22 that the bidder or contractor is not barred from bidding for or
23 entering into a contract under this Section and that the
24 bidder or contractor acknowledges that the county may declare
25 the contract void if the certification completed pursuant to
26 this subsection (f) is false.
