4 Section 5. The Election Code is amended by changing
5 Section 4-14.1 as follows:

6 (10 ILCS 5/4-14.1) (from Ch. 46, par. 4-14.1)

7 Sec. 4-14.1. Cancellation of deceased voter's registration.

8 (a) Upon establishment of an electronic reporting system
9 for death registrations as provided in the Vital Records Act,
10 the county clerk of the county where a decedent last resided,
11 as indicated on the decedent's death certificate, shall ~~may~~
12 issue certifications of death records from that system and
13 shall ~~may~~ use that system to cancel the registration of any
14 person who has died during the preceding month. Regardless of
15 whether or not such a system has been established, it is the
16 duty of the county clerk to examine, monthly, the records
17 deposited in his or her office pursuant to the Vital Records
18 Act that relate to deaths in the county, and to cancel the
19 registration of any person who has died during the preceding
20 month. The county coroner, medical examiner, or physician for
21 a county or any other individual responsible for certification
22 of death under Section 18 of the Vital Records Act shall
23 promptly transmit certified records to the county clerk within

1 7 days after the death of the decedent. The county clerk and
2 coroner shall report quarterly to its affiliated county board
3 and certify its full compliance with this Section and accuracy
4 of the voter rolls.

5 (b) Any person may request a copy of the report required in
6 subsection (a). Failure to provide an accurate report by the
7 county clerk within 5 business days, or 48 hours if 30 days
8 before an election, may file suit for injunction or
9 declaratory relief to enforce subsection (a) or this
10 subsection (b).

11 (c) The circuit court shall have the jurisdiction to order
12 the production of the required: (i) deposits of records; (ii)
13 reports; and (iii) documents in compliance with subsection
14 (a), including establishing the accuracy of the voter
15 registration rolls.

16 (d) If a person seeking the right to receive a copy of the
17 documents pursuant to subsection (a) or enforce the provision
18 of subsection (a) prevails in a proceeding under this Section,
19 the court shall award such person reasonable attorney's fees
20 and costs. In determining what amount of attorney's fees is
21 reasonable, the court shall consider the degree to which the
22 relief obtained relates to the relief sought.

23 (e) If the court determines that a public body willfully
24 and intentionally failed to comply with this Section, or
25 otherwise acted in bad faith, the court shall also impose upon
26 the public body a civil penalty of not less than \$2,500 nor

1 more than \$5,000 for each occurrence. In assessing the civil
2 penalty, the court shall consider in aggravation or mitigation
3 the budget of the public body and whether the public body has
4 previously been assessed penalties for violations of this
5 Section. The court may impose an additional penalty of up to
6 \$1,000 for each day the violation continues if:

7 (1) the public body fails to comply with the court's
8 order after 30 days;

9 (2) the court's order is not on appeal or stayed; and

10 (3) the court does not grant the public body
11 additional time to comply with the court's order to
12 disclose public records.
