Amends the Home Health, Home Services, and Home Nursing Agency Licensing Act. Provides that (i) a professional license shall be valid for a period of 240 days (rather than 120 days) unless sooner suspended or revoked, (ii) the Director of Public Health may renew a provisional license once for a period not to exceed 90 days (rather than 120 days) from the expiration date of the initial provisional license, and (iii) the fee for each single home health agency license or any renewal shall be \$1,000 (rather than \$25). Removes language requiring the Department of Public Health to develop and implement one application to be used even if a combination of licenses authorized under the Act is sought. Provides that the Home Health and Home Services Advisory Committee shall be composed of 15 voting members and one nonvoting member (rather than just 15 members). Provides that 2 (rather than one) of the voting members shall be individuals who represent an organization that advocates for consumers, and the nonvoting member shall be a home services worker. Provides that if the Department finds that a violation does not pose a substantial risk to the health or safety of an agency's clients or patients, the Department may choose to request a plan of correction for the Department's approval prior to issuing a notice of violation to the agency. Provides that if the agency fails to submit an acceptable plan of correction or fails to implement a Department-approved plan of correction within the time provided by the Department, the Department shall then issue the notice of violation. Makes other changes.

22 toward meeting those requirements, the Director may renew the
23 provisional license once for a period not to exceed 90 ~~120~~ days

1 from the expiration date of the initial provisional license.

2 (b)(1) The Director may also issue a provisional license
3 to any licensed agency which does not substantially comply
4 with the provisions of this Act and the rules promulgated

15 substantially comply with the Act and rules shall be
16 completed.

17 (3) The Director, at his discretion, may extend the term
18 of such provisional license for an additional 120 days, if he

21 compliance with this Act and the rules promulgated hereunder.

22 (c) An annual license shall be issued to any person
23 conducting or maintaining a home health agency upon receipt of
24 an application and payment of the licensure fee, and when the
25 other requirements of this Act, and the standards, rules and
26 regulations promulgated hereunder, are met. The fee for each

1 single home health agency license or any renewal shall be
2 \$1,000 ~~\$25~~.

3 (d) The Department shall establish, by rule, a system
4 whereby an entity that meets the requirements for licensure
5 may obtain licensure singly or in any combination for the
6 categories authorized under this Act. ~~The Department shall~~
7 ~~develop and implement one application to be used even if a~~
8 ~~combination of licenses authorized under the Act is sought.~~
9 Applicants for multiple licenses under this system shall pay
10 the ~~higher of the licensure fees~~ applicable license fees for
11 each license. Fees collected under this system shall be
