

103RD GENERAL ASSEMBLY

State of Illinois

2023 and 2024

HB2828

Introduced 2/16/2023, by

SYNOPSIS AS INTRODUCED:

415 ILCS 60/13.10 new

Amends the Illinois Pesticide Act. Provides that, if a unit of local government, including, but not limited to, a mosquito abatement district, intends to engage in mosquito abatement activities requiring the application of a pesticide, then the unit of local government shall provide notice of its intent to apply the pesticide to those individuals who reside within the geographic area where the pesticide is to be applied. Specifies that the notice must be supplied to the affected individuals not less than 4 days before the pesticide is to be applied for mosquito abatement purposes. Authorizes the notice to be provided by radio or television advertisements, mailings to potentially affected individuals, or electronic notices posted on the website of the unit of local government. Provides that, if a unit of local government is notified by an individual that the individual does not wish to have pesticides applied near the individual's place of residence, then the unit of local government shall not apply pesticides within 200 feet of that residence. Effective January 1, 2024.

1 AN ACT concerning safety.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Illinois Pesticide Act is amended by adding
5 Section 13.10 as follows:

6 (415 ILCS 60/13.10 new)

7 Sec. 13.10. Notification of mosquito control efforts. If a
8 unit of local government, including, but not limited to a
9 mosquito abatement district, intends to engage in mosquito
10 abatement activities requiring the application of a pesticide,
11 the unit of local government shall provide notice of its
12 intent to apply the pesticide to those individuals who reside
13 within the geographic area where the pesticide is to be
14 applied. The notice required under this Section must be
15 supplied to the affected individuals not less than 4 days
16 before the pesticide is to be applied for mosquito abatement
17 purposes and may be provided by radio or television
18 advertisements, mailings to potentially affected individuals,
19 or electronic notices posted on the website of the unit of
20 local government. If a unit of local government is notified by
21 an individual that the individual does not wish to have
22 pesticides applied near the individual's place of residence,
23 then the unit of local government shall not apply pesticides

1 within 200 feet of that residence.

2 Section 99. Effective date. This Act takes effect January
3 1, 2024.
