1 AN ACT concerning violence intervention.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 1. Short title. This Act may be cited as the  
5 Community Violence Intervention Workforce Development Act.

6 Section 5. Intent.

7 (a) Community violence intervention services provide  
8 comprehensive outreach, mental health, and employment training  
9 and placement services to individuals at highest risk of being  
10 shot or shooting someone in communities with high  
11 concentrations of gunshot victims.

12 (b) Initial data and evaluation indicates comprehensive  
13 community violence intervention services show promise in  
14 contributing to the reduction in gun violence victims in  
15 Illinois.

16 (c) Community violence intervention services require a  
17 variety of skilled professionals with lived experience and  
18 cultural competency to maximize the effectiveness of outreach,  
19 mental health, and employment and training services.

20 (d) The need for those with lived experience and cultural  
21 competency to be the primary workforce for community violence  
22 intervention restricts the available workforce for community  
23 violence intervention professionals.

1 (e) Individuals with lived experience in chronic exposure  
2 to gun violence frequently require specialized supports to  
3 professionalize their approach and maintain their traumatic  
4 recovery from exposure to gun violence while working in the  
5 gun violence prevention field.

6 (f) Illinois has a shortage of qualified community  
7 violence intervention professionals at all job functions while  
8 less than 20% of those with chronic exposure to gun violence  
9 are currently being served with community violence  
10 intervention services.

11 Section 10. Community Violence Intervention Workforce  
12 Development Task Force; duties. The Office of Firearm  
13 Violence Prevention within the Department of Human Services  
14 shall establish the Community Violence Intervention Workforce  
15 Development Task Force. The Office of Firearm Violence  
16 Prevention shall convene a group of experts in the field of  
17 community violence intervention and conduct meetings and  
18 analysis as the Community Violence Intervention Workforce  
19 Development Task Force. The Community Violence Intervention  
20 Workforce Development Task Force shall complete the following  
21 tasks before January 1, 2024:

22 (1) estimate the number of highest risk individuals  
23 currently being served with community violence  
24 intervention services and the number of high risk  
25 individuals that likely need these services;

1           (2) determine the current and future workforce needs  
2 of the community violence intervention field in Illinois  
3 based on a goal of serving 75% of those with chronic  
4 exposure to gun violence in the next 5 years;

5           (3) identify the critical job function and categories  
6 required by community violence intervention services;

7           (4) develop estimates of the available workforce by  
8 job function and category to its best ability;

9           (5) develop job descriptions and merit assessment  
10 tools by job function and category;

11           (6) identify changes to grant and other state funding  
12 that can enable stronger recruitment, training, and  
13 evaluation of community violence intervention workers and  
14 services; and

15           (7) make recommendations to the General Assembly by  
16 job function and category for changes to State law that  
17 will allow for the development and implementation of  
18 career paths and quality recruitment and retention of a  
19 community violence intervention workforce.

20           Section 15. Community Violence Intervention Workforce  
21 Development Task Force; membership.
