1 AMENDMENT TO HOUSE BILL 3326

2 AMENDMENT NO. \_\_\_\_\_. Amend House Bill 3326 by replacing  
3 line 3 on page 32 through line 18 on page 34 with the  
4 following:

5 "(625 ILCS 5/2-130 new)  
6 Sec. 2-130. User of automated license plate readers;  
7 prohibitions.

8 (a) As used in this Section:

9 "Automated license plate reader" or "ALPR" means an  
10 electronic device that is mounted on a law enforcement vehicle  
11 or positioned in a stationary location and that is capable of  
12 recording data on or taking a photograph of a vehicle or its  
13 license plate and comparing the collected data and photographs  
14 to existing law enforcement databases for investigative  
15 purposes. "ALPR" includes a device that is owned or operated  
16 by a person or an entity other than a law enforcement agency to  
17 the extent that data collected by the reader is shared with a

1 law enforcement agency.

2 "ALPR information" means information gathered by an ALPR  
3 or created from the analysis of data generated by an ALPR.

4 "ALPR systems" means multi-agency or vendor agreements  
5 that allow the sharing of ALPR information collected in  
6 Illinois.

7 "ALPR user" means a person or entity that owns or operates  
8 an ALPR device.

9 "Law enforcement agency" means a State or local agency,  
10 unit of local government, or private entity charged with the  
11 enforcement of State, county, or municipal laws or with  
12 managing custody of detained persons in any state or  
13 jurisdiction.

14 (b) An ALPR user shall not sell, share, allow access to, or  
15 transfer ALPR information to any state or local jurisdiction  
16 for the purpose of investigating or enforcing a law that:

17 (1) denies or interferes with a person's right to  
18 choose or obtain reproductive health care services or any  
19 lawful health care services as defined by the Lawful  
20 Health Care Activity Act; or

21 (2) permits the detention or investigation of a person  
22 based on the person's immigration status.

23 (c) Any ALPR user in this State, including any law  
24 enforcement agency of this State that uses ALPR systems, shall  
25 not share ALPR information with an out-of-state law  
26 enforcement agency without first obtaining a written

1 declaration from the out-of-state law enforcement agency that  
2 it expressly affirms that ALPR information obtained shall not  
3 be used in a manner that violates subsection (b). If a written  
4 declaration of affirmation is not executed, the law  
5 enforcement agency shall not share the ALPR information with  
6 the out-of-state law enforcement agency.

7 (d) ALPR information shall be held confidentially to the  
8 fullest extent permitted by law.

9 (e) Nothing in this Act shall define or limit any rights  
10 under the Reproductive Health Act.

11 Section 97. Severability. The provisions of this Act are  
12 severable under Section 1.31 of the Statute on Statutes."
