LRB103 29614 RJT 62180 a

1 AMENDMENT TO HOUSE BILL 3776

2 AMENDMENT NO. _____. Amend House Bill 3776 by replacing
3 everything after the enacting clause with the following:

4 "Section 5. The School Code is amended by adding Section
5 2-3.196 as follows:

6 (105 ILCS 5/2-3.196 new)

7 Sec. 2-3.196. Crosswalk and alignment.

8 (a) No later than June 1, 2024, the State Board of
9 Education shall, in consultation with science and health
10 education specialists, educators or former educators who teach
11 or have taught the subject of science or health, parents, and
12 medical experts, which may include medical doctors, doctors of
13 osteopathy or osteopathic medicine, registered nurses,
14 chiropractic physicians, exercise physiologists, or physical
15 therapists, create a crosswalk and alignment to the Illinois
16 Learning Standards, the Next Generation Science Standards

1 adopted by the State Board of Education, and the Illinois
2 Learning Standards for Science. The State Board must make the
3 crosswalk and alignment and any accompanying resource
4 materials available on its Internet website, so that
5 elementary school teachers have access to high quality,
6 age-appropriate, and free educational materials that are
7 centered on anatomy, physiology, and nutrition to empower
8 students with the knowledge of their own bodies and to care for
9 their own health and well-being throughout their lives.

10 (b) The crosswalk and alignment required under this
11 Section shall be focused on how to empower students with the
12 knowledge to adequately understand their own bodies and care
13 for their own health and well-being throughout their lives,
14 with the idea that science education is more human-centered.
15 The crosswalk and alignment shall additionally focus on
16 connecting this human-centered science education with other
17 sciences as students advance to other areas of their science
18 education, such as chemistry, biology, and physics, taught at
19 later grade levels.

20 (c) The crosswalk and alignment required under this
21 Section shall include a review of the Illinois Learning
22 Standards for Science and include recommendations to the State
23 Board of Education to update the Illinois Learning Standards
24 for Science by December 31, 2025.

25 (d) No later than December 31, 2030 and, at a minimum,
26 every 5 years thereafter, the State Board of Education shall

1 review and, as appropriate, update the crosswalk and alignment
2 documents and resource materials made available under this
3 Section.".
