

HB3837

103RD GENERAL ASSEMBLY

State of Illinois

2023 and 2024

HB3837

Introduced 2/17/2023, by Rep. Brad Halbrook

SYNOPSIS AS INTRODUCED:

210 ILCS 85/6.34 new

Amends the Hospital Licensing Act. Provides that hospitals licensed under the Act are prohibited from preventing the administration of a prescription medication to a patient if the patient's treating physician has prescribed the medication.

LRB103 25454 CPF 51803 b

A BILL FOR

1 AN ACT concerning health.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Hospital Licensing Act is amended by adding
5 Section 6.34 as follows:

6 (210 ILCS 85/6.34 new)

7 Sec. 6.34. Prescription medication; administration to
8 patients. A hospital licensed under this Act is prohibited
9 from preventing the administration of a prescription
10 medication to a patient if the patient's treating physician
11 has prescribed the medication.
