

1 AN ACT concerning State government.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Children and Family Services Act is amended
5 by changing Section 34.10 as follows:

6 (20 ILCS 505/34.10) (from Ch. 23, par. 5034.10)

7 Sec. 34.10. Home child care demonstration project;
8 conversion and renovation grants; Department of Human
9 Services.

10 (a) The legislature finds that the demand for quality
11 child care far outweighs the number of safe, quality spaces
12 for our children. The purpose of this Section is to increase
13 the number of child care providers by:

14 (1) developing a demonstration project to train
15 individuals to become home child care providers who are
16 able to establish and operate their own child care
17 facility; and

18 (2) providing grants to convert and renovate existing
19 facilities.

20 (b) The Department of Human Services may from
21 appropriations from the Child Care Development Block Grant
22 establish a demonstration project to train individuals to
23 become home child care providers who are able to establish and

1 operate their own home-based child care facilities. The
2 Department of Human Services is authorized to use funds for
3 this purpose from the child care and development funds
4 deposited into the DHS Special Purposes Trust Fund as
5 described in Section 12-10 of the Illinois Public Aid Code or
6 deposited into the Employment and Training Fund as described
7 in Section 12-10.3 of the Illinois Public Aid Code ~~and, until~~
8 ~~October 1, 1998, the Child Care and Development Fund created~~
9 ~~by the 87th General Assembly.~~ As an economic development
10 program, the project's focus is to foster individual
11 self-sufficiency through an entrepreneurial approach by the
12 creation of new jobs and opening of new small home-based child
13 care businesses. The demonstration project shall involve
14 coordination among State and county governments and the
15 private sector, including but not limited to: the community
16 college system, the Departments of Labor and Commerce and
17 Economic Opportunity, the State Board of Education, large and
18 small private businesses, nonprofit programs, unions, and
19 child care providers in the State.

20 The Department shall submit:

21 (1) a progress report on the demonstration project to
22 the legislature by one year after January 1, 1992 (the
23 effective date of Public Act 87-332) ~~this amendatory Act~~
24 ~~of 1991~~; and

25 (2) a final evaluation report on the demonstration
26 project, including findings and recommendations, to the

1 legislature by one year after the due date of the progress
2 report.

3 (c) The Department of Human Services may from
4 appropriations from the Child Care Development Block Grant
5 provide grants to family child care providers and center based
6 programs to convert and renovate existing facilities, to the
7 extent permitted by federal law, so additional family child
8 care homes and child care centers can be located in such
9 facilities.

10 (1) Applications for grants shall be made to the
11 Department and shall contain information as the Department
12 shall require by rule. Every applicant shall provide
13 assurance to the Department that:

14 (A) the facility to be renovated or improved shall
15 be used as family child care home or child care center
16 for a continuous period of at least 5 years;

17 (B) any family child care home or child care
18 center program located in a renovated or improved
19 facility shall be licensed by the Department;

20 (C) the program shall comply with applicable
21 federal and State laws prohibiting discrimination
22 against any person on the basis of race, color,
23 national origin, religion, creed, or sex;

24 (D) the grant shall not be used for purposes of
25 entertainment or perquisites;

26 (E) the applicant shall comply with any other

1 requirement the Department may prescribe to ensure
2 adherence to applicable federal, State, and county
3 laws;

4 (F) all renovations and improvements undertaken
5 with funds received under this Section shall comply
6 with all applicable State and county statutes and
7 ordinances including applicable building codes and
8 structural requirements of the Department; and

9 (G) the applicant shall indemnify and save
10 harmless the State and its officers, agents, and
11 employees from and against any and all claims arising
12 out of or resulting from the renovation and
13 improvements made with funds provided by this Section,
14 and, upon request of the Department, the applicant
15 shall procure sufficient insurance to provide that
16 indemnification.

17 (2) To receive a grant under this Section to convert
18 an existing facility into a family child care home or
19 child care center facility, the applicant shall:

20 (A) agree to make available to the Department of
21 Human Services all records it may have relating to the
22 operation of any family child care home and child care
23 center facility, and to allow State agencies to
24 monitor its compliance with the purpose of this
25 Section;

26 (B) agree that, if the facility is to be altered or

1 improved, or is to be used by other groups, moneys
2 appropriated by this Section shall be used for
3 renovating or improving the facility only to the
4 proportionate extent that the floor space will be used
5 by the child care program; and

6 (C) establish, to the satisfaction of the
7 Department that sufficient funds are available for the
8 effective use of the facility for the purpose for
9 which it is being renovated or improved.

10 (3) In selecting applicants for funding, the
11 Department shall make every effort to ensure that family
12 child care home or child care center facilities are
13 equitably distributed throughout the State according to
14 demographic need. The Department shall give priority
15 consideration to rural/Downstate areas of the State that
16 are currently experiencing a shortage of child care
17 services.

18 (4) In considering applications for grants to renovate
19 or improve an existing facility used for the operations of
20 a family child care home or child care center, the
21 Department shall give preference to applications to
22 renovate facilities most in need of repair to address
23 safety and habitability concerns. No grant shall be
24 disbursed unless an agreement is entered into between the
25 applicant and the State, by and through the Department.
26 The agreement shall include the assurances and conditions

1 required by this Section and any other terms which the
2 Department may require.

13 Section 20. The Department of Professional Regulation Law
14 of the Civil Administrative Code of Illinois is amended by
15 changing Section 2105-300 as follows:

16 (20 ILCS 2105/2105-300) (was 20 ILCS 2105/61e)

17 Sec. 2105-300. Professions Indirect Cost Fund;
18 allocations; analyses.

19 (a) Appropriations for the direct and allocable indirect
20 costs of licensing and regulating each regulated profession,
21 trade, occupation, or industry are intended to be payable from
22 the fees and fines that are assessed and collected from that
23 profession, trade, occupation, or industry, to the extent that
24 those fees and fines are sufficient. In any fiscal year in

1 which the fees and fines generated by a specific profession,
2 trade, occupation, or industry are insufficient to finance the
3 necessary direct and allocable indirect costs of licensing and
4 regulating that profession, trade, occupation, or industry,
5 the remainder of those costs shall be financed from
6 appropriations payable from revenue sources other than fees
7 and fines. The direct and allocable indirect costs of the
8 Department identified in its cost allocation plans that are
9 not attributable to the licensing and regulation of a specific
10 profession, trade, or occupation, or industry or group of
11 professions, trades, occupations, or industries shall be
12 financed from appropriations from revenue sources other than
13 fees and fines.

14 (b) The Professions Indirect Cost Fund is hereby created
15 as a special fund in the State Treasury. ~~The Except as provided~~
16 ~~in subsection (c), the~~ Fund may receive transfers of moneys
17 authorized by the Department from the cash balances in special
18 funds that receive revenues from the fees and fines associated
19 with the licensing of regulated professions, trades,
20 occupations, and industries by the Department. Moneys in the
21 Fund shall be invested and earnings on the investments shall
22 be retained in the Fund. Subject to appropriation, the
23 Department shall use moneys in the Fund to pay the ordinary and
24 necessary allocable indirect expenses associated with each of
25 the regulated professions, trades, occupations, and
26 industries.

1 (c) Before the beginning of each fiscal year, the
2 Department shall prepare a cost allocation analysis to be used
3 in establishing the necessary appropriation levels for each
4 cost purpose and revenue source. At the conclusion of each
5 fiscal year, the Department shall prepare a cost allocation
6 analysis reflecting the extent of the variation between how
7 the costs were actually financed in that year and the planned
8 cost allocation for that year. Variations between the planned
9 and actual cost allocations for the prior fiscal year shall be
10 adjusted into the Department's planned cost allocation for the
11 next fiscal year.

12 Each cost allocation analysis shall separately identify
13 the direct and allocable indirect costs of each regulated
14 profession, trade, occupation, or industry and the costs of
15 the Department's general public health and safety purposes.
16 The analyses shall determine whether the direct and allocable
17 indirect costs of each regulated profession, trade,
18 occupation, or industry and the costs of the Department's
19 general public health and safety purposes are sufficiently
20 financed from their respective funding sources. The Department
21 shall prepare the cost allocation analyses in consultation
22 with the respective regulated professions, trades,
23 occupations, and industries and shall make copies of the
24 analyses available to them in a timely fashion.

25 (d) The ~~Except as provided in subsection (c), the~~
26 Department may direct the State Comptroller and Treasurer to

1 transfer moneys from the special funds that receive fees and
2 fines associated with regulated professions, trades,
3 occupations, and industries into the Professions Indirect Cost
4 Fund in accordance with the Department's cost allocation
5 analysis plan for the applicable fiscal year. For a given
6 fiscal year, the Department shall not direct the transfer of
7 moneys under this subsection from a special fund associated
8 with a specific regulated profession, trade, occupation, or
9 industry (or group of professions, trades, occupations, or
10 industries) in an amount exceeding the allocable indirect
11 costs associated with that profession, trade, occupation, or
12 industry (or group of professions, trades, occupations, or
13 industries) as provided in the cost allocation analysis for
14 that fiscal year and adjusted for allocation variations from
15 the prior fiscal year. No direct costs identified in the cost
16 allocation plan shall be used as a basis for transfers into the
17 Professions Indirect Cost Fund or for expenditures from the
18 Fund.

19 (e) (Blank). ~~No transfer may be made to the Professions~~
20 ~~Indirect Cost Fund under this Section from the Public Pension~~
21 ~~Regulation Fund.~~

7 program under Title XIX of the federal Social Security Act to
8 cover the costs associated with the application, inspection,
9 and survey of the facility or program and processing of the
10 application. The Department shall establish the fee by rule,
11 and the fee shall be based only on those application,
12 inspection, and survey and processing costs not reimbursed to
13 the State by the federal government. The fee shall be paid by
14 the facility or program before the application is processed.

15 The fees received by the Department under this Section
16 shall be deposited into the Long Term Care Monitor/Receiver
17 ~~Health Care Facility and Program Survey Fund, which is hereby~~
18 ~~created as a special fund in the State treasury.~~ Moneys in the
19 Fund shall be appropriated to the Department and may be used
20 for any costs incurred by the Department, including personnel
21 costs, in the processing of applications for Medicare or

16 Every collecting device, including seines, nets, traps,
17 pillowcases, bags, snake hooks or tongs, or any electrical
18 device or any other devices including vehicles or conveyance,
19 watercraft, or aircraft used or operated illegally or
20 attempted to be used or operated illegally by any person in
21 taking, transporting, holding, or conveying any herptile life
22 or any part or parts of a herptile, contrary to this Act,
23 including administrative rules, shall be deemed a public
24 nuisance and therefore illegal and subject to seizure and

1 confiscation by any authorized employee of the Department.
2 Upon the seizure of this item, the Department shall take and
3 hold the item until disposed of as provided in this Act.

4 Upon the seizure of any device because of its illegal use,
5 the officer or authorized employee of the Department making
6 the seizure shall, as soon as reasonably possible, cause a
7 complaint to be filed before the circuit court and a summons to
8 be issued requiring the owner or person in possession of the
9 property to appear in court and show cause why the device
10 seized should not be forfeited to the State. Upon the return of
11 the summons duly served or upon posting or publication of
12 notice as provided in this Act, the court shall proceed to
13 determine the question of the illegality of the use of the
14 seized property. Upon judgment being entered that the property
15 was illegally used, an order shall be entered providing for
16 the forfeiture of the seized property to the State. The owner
17 of the property may have a jury determine the illegality of its
18 use and shall have the right of an appeal as in other civil
19 cases. Confiscation or forfeiture shall not preclude or
20 mitigate against prosecution and assessment of penalties
21 provided in this Act.

22 Upon seizure of any property under circumstances
23 supporting a reasonable belief that the property was
24 abandoned, lost, stolen, or otherwise illegally possessed or
25 used contrary to this Act, except property seized during a
26 search or arrest, and ultimately returned, destroyed, or

1 otherwise disposed of under order of a court in accordance
2 with this Act, the authorized employee of the Department shall
3 make reasonable inquiry and efforts to identify and notify the
4 owner or other person entitled to possession of the property
5 and shall return the property after the person provides
6 reasonable and satisfactory proof of his or her ownership or
7 right to possession and reimburses the Department for all
8 reasonable expenses of custody. If the identity or location of
9 the owner or other person entitled to possession of the
10 property has not been ascertained within 6 months after the
11 Department obtains possession, the Department shall effectuate
12 the sale of the property for cash to the highest bidder at a
13 public auction. The owner or other person entitled to
14 possession of the property may claim and recover possession of
15 the property at any time before its sale at public auction upon
16 providing reasonable and satisfactory proof of ownership or
17 right of possession and reimbursing the Department for all
18 reasonable expenses of custody.

19 Any property forfeited to the State by court order under
20 this Section may be disposed of by public auction, except that
21 any property that is the subject of a court order shall not be
22 disposed of pending appeal of the order. The proceeds of the
23 sales at auction shall be deposited in the Illinois Wildlife
24 Preservation Fund.

25 The Department shall pay all costs of posting or
26 publication of notices required by this Section.

1 Property seized or forfeited under this Section is subject
2 to reporting under the Seizure and Forfeiture Reporting Act.
